

Bonus Prayer CD – Tongues for the Believer

Dear Friend,

The Bonus Prayer CD is a recording of Dave Roberson leading a prayer meeting at The Family Prayer Center in Tulsa, Oklahoma.

If you or someone you know has difficulty spending time praying in tongues, we believe this recording will be a source of encouragement to establish and continue in extended times of prayer.

You see, when you fellowship with God through praying in tongues, you're giving Him what He needs most—your authority—and He is using your authority to change things, because everytime you pray in tongues, you're putting yourself in the spirit where things are changed. You're building yourself up higher on your most holy faith in the part of you that makes things happen . . . not where you're just hoping for answers to prayer . . . where things happen! It's because God Himself is praying through your spirit. It's Him—He is choosing the words you speak. In the supernatural language of tongues, every single syllable means something in the Kingdom of God and you're having an eternal effect.

Whether you decide to pray fifteen minutes or two, four, or six hours, you'll pray yourself right into alignment with the mind of Christ if you will continue spending time with Him in prayer allowing the Holy Spirit to flow through you. It is a deliberate act of your will—you have to open your mouth and let those words come out of your spirit—but as you begin to flow and then obey God's leadership in you, He will work His victory.

You're changing things forever every moment you give to praying in tongues!

Your friends and co-laborers,

Dave Roberson Ministries
