He Is Pleased With the Truth

He is pleased. He is pleased with what is happening here now. He is pleased because He has been this way before, so He knows, of course, what follows.

Obviously, to be pleased—what is going to follow, it is going to be really, really good.

So, what He was saying is that He is pleased. He is incredibly pleased with the truth that's coming out of here now. He is pleased with the truth that's coming out of here.

It's good that you learn to worship Him for what you don't see, because wait until you see the kind of worship that takes place when you do.
