My Army Advances

Whosoever shall say to this mountain of everything that is in opposition to the new and better covenant, be thou removed and cast into the sea, and doubts not in his heart but believes, shall have what he says.

I have brought a new and far better covenant. Now I live and My family lives in Me in the same image of the Father. Now the just live by the faith of the Son of God who loved them and gave all of His life for them that they might have the abundant life of being seated in the heavenlies with Me, at the right hand of the Father. My spirit is in you and the Holy Spirit is forever with you. Together we carry forth the plans of the Father in the authority of truth in the pureness of a just love.

The religious system has always opposed the liberty of the New Covenant, where the simplicity of truth reigns. The laws and legislations of the religious system come from the minds of men who would reason all night and express the wisdom of their learned ways. The justice of love and the ways of the Holy One have not changed, yet the world's system of religion has often come up with new and "better" ways to believe, when, in fact, nothing about Me has changed or will change, for I change not. So I have become the enemy to religion's ways and the doctrines of the minds of men.

The simple truth that I change not has confounded the reasonings of men, who in their pride think that changing out of the old ways denotes the "mastery" or seat of honor in societal ways. Evolution has at its core the resistance to the truth that I change not and that My Word is forever true. Religion has not approved, of this for it leaves no room for the intellect of the reasonings of men.

"They are as grasshoppers in our sight" is the motto that is rising to the top in My stewards. My stewards are coming forth in the truth of who the real giants are and how the enemy truly stands in the sight of the sons. You are all stewards of the nature I have given you. It is the Christ in you that you have been nurturing, protecting, and bringing forth, through My strength, into My plan for your lives.

Some of My sons have been hearing the "tromp, tromp, tromp" of the Army of the Lord as it advances toward the army of darkness, into a new field of battle. This battlefield will be for the hearts of men, women, and children whom the enemy has desecrated with his aberrations and lies. His indulgences to the flesh and to the soul have been as an altar to false gods.

My army is going into these campgrounds where altars to false gods have been raised which indulge the appetites of the flesh. These altars shall be destroyed by the compassion and purity of My truth. They shall be

removed by the authority I have given you and the wisdom of that mind that is in you that is also in Christ Jesus.

Some of those in the campground will snatch away their gods of self indulgence and set up camp elsewhere, only to face My Army again and again and again until truth and authority have rescued all whose hearts have made room for Me.

Be still and hear the “tomp, tomp, tomp” of the Army that is advancing. Be still and see the might of this Army that has nothing to fear and nothing to lose, for all has been counted as loss that Christ might be gained. Let your eyes see the advancement of the troops from all corners as they advance across the land of Holiness and scatter the forces of darkness, retrieving captives and setting them free.

Don't think the enemy will go softly, and don't think his strategies may not seem at times to immobilize truth. Always remember this: The Word of the Lord is life and releases My Spirit to destroy what is in opposition to the Kingdom. Mountains melt like wax at the Presence of the Lord, and you are learning to abide in this Presence within you. All authority has been given unto you so there is never a lack of authority. There has only been a lack of believing your standing in Me.

You see all the signs of the enemy's deception and strategies moving his ways into the forefront of the media, but My signs, too, shall be seen, and My truth shall be heard. My Army advances.
