The Path of the Intercessor

My intercessors must know that all intercession comes out of the place of intimacy, first and foremost. This is the foundation that I build. I do not call you into a place of prayer for others without first calling you into a place with Me.

It must be known that I love each one with a depth that man has not truly understood, for I am Love. I made the new nature in My image for the reason of fellowship—to restore the nature within man so that we could be one. And in that oneness, My greatest joy is in our fellowship, in the communing of your heart with Mine and Mine with yours, and the sharing of our love one for another.

It must be known that the first thing in My heart is My love for you and your love for Me, and that only out of this flow of love is there strength to be sustained in the place of intercession. The sweetness of your cooperation with Me in intercession is from the strength of our intimacy, and this place of sweet and intense love is the foundation of all intercession.

My absolute joy is to visit you again and again in seasons of My love and refreshings. It is My desire for your soul to be a well watered garden. And for those who learn to abide in My love, this is possible.

I am Love and there is no greater desire than to pour My love on you. My nature is Love and you can expect My love to draw you, refresh you, strengthen you, heal you, deliver you, sustain you, and comfort you, time and time again. I do not withhold My love from you, for I do not withhold Myself from you.

As you continue to visit Me with your love, I will continue to visit you with My love. I will conform you more and more into the image of the Love the eyes of your understanding see as I visit you in the Love that I am.

My desire is to meet the cries of the hungry, the hurting, the lost and the wounded as they reach out with pleas for the One who is Truth. As I meet the cries in the hearts of the intercessors for more of Me, I am freed to take the fullness in their hearts, which is Me, to set the captives free and to rescue the lost souls who are looking for Me.

It all revolves around hearts reaching out and being filled with more and more of Me. This is the foundation of our walk and anything outside of this leaves one dry and empty. Stay on the quest for Me. Stay on the “hungry” path that is satisfied only by Me. Stay on the path that must have more and more of Me and needs the sustenance that is in intimacy with Me. This is the path of the intercessor—in Me: the quest for more and more of the love that comes from Me.
