

The Lord's Present-Day Speaking

Hold Steady to Your Course

For as at first, the instruction that He said that He gave me was very hard to follow and to take because it seemed like I just stepped out of the harvest all of a sudden. So for sure, knowing what I heard, I obeyed Him and came here like He instructed me to do, so I could follow through with the present instructions here.

Well, the devil has increased his onslaught, but this one doesn't appear to be as much him as sometimes in the past when he would come through and cause havoc. But this time he is operating a little more underground but with a little more wisdom that comes from the higher places that they reign from.

So don't think it unusual when you see things happen that there doesn't seem to be any reason for. Just hold steady to your course, and know this, that one day you will not be able to get close to even this place, says the Lord.
