These Are the Things Revival Is Made Of

He said, [Concerning] My visit to Azusa Street: This man waited and waited, and he gave Me what I needed to step one step forward. But for lack of maturity, what was received was ran with and then taken apart. And My miracle crusades come out of that move in times past, when men would take their gifts and go on the road and it sparked interest. But how can anything remain when those who carry it do not change?

Hear what the Spirit would say, on the most important things I am doing in you now, [which] is maturing you towards the plan that I have for Tulsa. Maturing you, not only the faith but the strength to hold your ground, no matter what, for these are the things revival is made out of, saith the Lord.
