The Call of the Spirit Is to Pray

The call of the Spirit is to pray. Men of old prayed and prayed and prayed, and I used them, but this place of prayer within the Church has not been in its rightful place for many, many generations.

It is for My purposes that I have given the language of the Spirit in prayer that I might continually move you forward in Me and that I might bring forth My plans and purposes in the earth. I have waited many generations to re-establish the place of prayer, by My Spirit, in My Church.

Many are at the brink of stepping over into new places in prayer that they have not yet walked in, and this must be to bring the work of My Spirit, through the fellowship of prayer, back into the place it once held in My Church. I must have My sons in their rightful place of fellowship with Me through the language of My Spirit to establish those things their hearts desire. The call of the Spirit is prayer.

Do not say you do not have the time. For the earnest heart, I will show you the time you have, and if need be, I will give you time by My own hand. The earnest heart will see these things.

The walk for those who would be mature is to put off the old ways so that you might put on the new man that you are. As your fellowship with My Spirit increases, you will find more and more that the new man truly is who you are. The call of the Spirit is to pray.

I summed up the new man when I said to put on My whole armor, for this is the fullness of your new man in Me. You are complete in Me and there is nothing in Me that I have not given you. As you grow in the knowledge of this through your fellowship in prayer with My Spirit, you will live in the new man that you are.

I summed up the place of fellowship with Me that your new man has when I said that the new man, dressed in the armor of who you are in Me, was adorned in this life **IN ME** for partnership with My Spirit. This place of fellowship with Me is where the armor of My strength and might is to be put to use in partnership with My Spirit through prayer: praying with all prayer and supplication in the Spirit and watching thereunto with all perseverance and supplication for all saints. It is through My Body that I establish My plans and purposes in this earth. Through your partnership with My Spirit in prayer, I am released to establish My Kingdom on behalf of My sons.

I am bringing those who are obeying Me into places of deeper fellowship with My Spirit so that My Kingdom can be released through prayer for all saints. I know where the enemy is working against my saints, and I can stop him every time I find sons who will respond to the call to pray.

Your life in Me is one of fellowship with My Spirit, and I must have sons who will walk in My strength and My might so that My plans are established in this earth. My plans are established through the partnership of My sons with My Spirit—there is no other way. The call is for fellowship with My Spirit. The call is to pray.

This outpouring is dependent on My sons taking their place in Me and walking in the fullness of that spirit within them. This outpouring is dependent on My sons taking their place in fellowship with My Spirit. There is no other way. The mature son is a praying son who is attentive to the voice of My Spirit. The mature son is a praying son whom I can call upon, in partnership with My Spirit, to establish My truth in any situation I bring him into through the operation of prayer.

I am calling for an increase of prayer. I am calling for an increase of fellowship. I am calling for more of who you are in Me. As you give more of your life to Me through fellowship with My Spirit, I am allowed to bring increase to you and increase to My plan in this earth.

It is a call for My sons to rise up in My strength and My might through fellowship with My Spirit so that I might bring you forward into who you are in Me and that this world might see we are one.
