Know: Your Father Loves You

Fathering is as natural to Me as natural can be, because that is who I am—your Father. The problem is, being fathered by Me and receiving fathering from Me does not come natural to the wounded soul that has been deprived of the pure fathering that is found in Me. There has been a degree of fathering through natural fathers, but the pureness of fathering that comes from Me has been lacking.

I am restoring fathering to the Church, and that is only done by My family receiving the pure fathering that comes from Me. I am teaching the way into the pure through the fellowship of My Spirit. I AM your eternal Father.

I am pointing My children to Me—to the Father. I am teaching many by My Spirit to look to Me and all that I have put in place for them through My Son.

You are My sons. Your relationship with Me is as a son to a Father. I do not hold you at arms length. I daily invite you into the open arms of My grace and My love. As you understand the grace in My love's forgiveness, you will understand the pure standing you have in My love.

Many think I draw a line in My love that is based on their strengths and weaknesses, and they see this line moving them closer to Me in their strengths and moving them farther away from My love in their weaknesses. But this is not how I am. I give you My love and the fullness of My love when you are weak and when you are strong.

My Church has not understood the healing that is in My love. It is unconditional to young and old alike. When you are weak in your weaknesses, My healing is as much yours as when you are strong in My strengths, for what I have done for you through My Son's stripes is **DONE**.

I am inviting My family into the knowledge of My love and My grace where the pureness of My love is known as a wide open embrace.

Know: Your Father loves you. And know: This love is unchanging and does not originate in you. Love is who I am. My love is extended to you, and I will **NOT** pull back My hand.

I reach for you to come. Come into the knowledge of who I am through the fellowship of My Spirit and see things from where I stand.
