What You Are Looking for Is Me

Most are searching for something and they don't know what. They fill that [search] with "things," and it is still there [the search]. What you are looking for is Me. What you are looking for is Me, says the Lord. For nobody or nothing can fill that place that I fill. I am what you are searching for.

Do you think that I do not know those things that are in your heart? Who has that key of forgiveness? Who is it that can extend what I can extend to you, says the Lord? For I will make you free; I will give you peace.
