

The Lord's Present-Day Speaking

PT100823 – Aug 23, 2010

I Am to You and in You—Everything

I said I would guide you into all truth, for He, the Holy Spirit, will receive of Mine and show it unto you. You will learn. You will learn the walk of the Spirit, My voice, the inner witness, and when I “trouble” you a little, you can pick that up inside. For walking in My Spirit and always taking My direction is a major thing, for I can use you to change things. For many, many get by on ability and talent, but you need none of them to change things for Me, for I am to you and in you—everything.
