

## The Lord's Present-Day Speaking

### I Am Your Focus

Hear Me: Your strength is not in condemning yourself. Your strength is in moving forward in Me. Your adversary walks about roaring with condemnation in hopes that the storms of lies will pull your mind away from the truth of who you are in Me.

Rise up. Take your stand **IN ME**. You are not who your flesh tells you that you are. You are hidden in who you are in Me. Your life—it is not your own. You are purchased by Me, and in this, you are made in My image. You are who you are **IN ME**.

There is nothing your soul can tell you about your life in Me. The only way you can see who you really are is by looking to Me. The weaknesses your adversary would have you dwell on are **NOT** who you are in Me. Those weaknesses are of the old man that was crucified in Christ, and that are put off in this journey into Me. There is one focus, and that is who you are **IN ME**. That is all you are to see.

When you see things of the old man that are to be put off in Me, it is not for you to dwell on. It is to acknowledge that the weaknesses are not who you are in Me, and for you to do what is necessary to move forward into more of Me, through every avenue I have given you into My fullness. I am your focus, not the weaknesses you see. Your strength is not in you, it is only in Me. Your life is **IN ME**, and there is no strength for you apart from Me.

My love for you is wide and it is deep, and I want you to see who you are in Me and to know this love which is beyond all you have dreamed. This is only possible through your life in Me. I am your strength. Your life is hidden and complete in Me. The only way you move forward is by moving forward in Me. This is why the enemy does everything he can to surround you and roar about who you were before you became new in Me.

There is no strength in you. There is only strength in Me. I do not condemn you. I **REJOICE** in you. I am enamored with the life that is in you that is made for eternal fellowship with Me. My life in you that has made you new—this is who I see. I see your life in Me. I see your strength in Me. I see your hope and joy in Me. I see the essence of who you are in Me. Your life is in Me.

I alone am the Truth of who you are and who you are to see. Your strength is in Me. Those things you desire, you shall see, for they are who you are in Me. Just stay on the path of living in who you really are in Me. Keep moving forward in Me. Do not look at what one day you will not see. Keep your eyes fastened on your life in Me. Who you are is who you are in Me. You are beautiful to Me. You are a beautiful sight to behold, indeed.
