### Come and Drink—Be Saturated With Me

I draw you into worship so you can know Me. And I draw you—I invite you—into worship so you can “see” Me and understand My great, great love for you, for in this place of communion, this place of worship, where your spirit communes with Me, our fellowship grows deeper. In this place of fellowship, I bring the eyes of your heart into focus on Me. In this wondrous place of worship, I help you leave the place of your eyes being on you, and help you enter the place where your eyes are on Me. These places in Me that you enter into in worship are places of strength by which you enter into the abiding place I have given you, where you no more have eyes for you; you only have eyes for Me—your life is in Me. This is your place in Me that I lead you into.

There is a place in Me where you can live totally free of that which is not in Me. There is a place in Me where our communion is continuous, where fear does not hold you because you hold your place in Me. We are moving into that place in Me, where your life is in communion with Me and where nothing pulls you out of this communion.

In My Presence, you leave the awareness of “you” behind and, by My grace, enter into the awareness of Me. By My Spirit, worship helps you to sharpen the senses of your spirit, through My strength, so that you become more and more and more aware of Me and less and less and less aware of that which is outside of your life in Me. In this perfect place of My Presence, you take up more of Me. In this perfect place of My Presence, you begin to see like I see. My heart begins to be made known to you and begins to inhabit more of you because in this perfect place of My Presence, you leave more of that which is “you” and become much more aware of your life that is in Me. In My Presence, it becomes more apparent that the real “you” is in Me.

When it seems dry, when it seems purposeless, remember: The life in you that is of Me does not see it that way. You are made in My image and made to hunger for communion with Me, and My life in you rejoices at every moment that you walk away from that which is not who you are in Me. Worship is one of the pleasures of your life in Me whereby you commune with Me and are saturated in Me. I am Love—I will saturate you. My Spirit will immerse you in **ME** so that all you see is “**YOU ARE MY FATHER.**” You will know: “**FATHER, YOU LOVE ME.**” The understanding of these two truths is the fuel My Spirit uses for radical transformation into living your life **IN** Me.

Communion with Me brings you into the immersion of My Fatherhood, and in this place, there are deep, long drinks of My love. Don't stop drinking of Me—don't stop drinking of My love. We are moving into things unseen, and as you come out of these times of drinking of Me, your life will be that which you drink of. Never stop drinking of Me—I never stop drinking of your love for Me.

My joy is our communion together. The sweet fellowship with My sons is pure delight to Me. In this communion, your senses become saturated with all that is pure and pleasing in Me. The temporary things of this world mean less and less as you are

immersed with the life and love and truth that are in Me. As you take your fill of Me, your life in Me is strengthened by all that I am. There is not any part of you that is not changed by drinking of Me, and I am the One who fills you with more and more grace to drink long and to drink deep, continually.

Come and drink. Be saturated with Me.
