My Love Peaks When You Reach for the Lost

Most stand off and watch Me from a distance, and some will come close to taste to see that I am good. But most stop in the realms of My relationship with them where it serves them. That is not the way I ordained it. No, no, that is not the way I ordained it. I said, “No, that is not the way that I ordained it.”

You will see, when the love that is in you reaches for him who is lost, this is when you will begin to see My love peak. For it is My desire that none should be lost.
