Healing—Yield Yourself and I Will Come After You

Editor's Note: The following was before prayer for healing.

I have already done these things. It is when you lean over toward Me and yield yourself into a territory that I can operate in that you help Me come after you. When I find anything I can come after you with, I will come after you, for it is the devil who has painted the picture that I am the One leaving you suffering.

It's not Me. It is not Me. I am the One who is here to get it all back.
