Present-Day Speaking

PT110102A – Jan 2, 2011 When You Surrender Something Totally

Editor's Note: The following was before prayer for healing.

When you surrender something totally to Me, then I surrender something totally to you, and you will have it—you will have it.

PT110102B – Jan 2, 2011 Happy, Full of Joy and Full of God in Persecution

Editor's Note: The following was an interpretation of tongues.

She [the woman speaking in tongues] is speaking about what most prayer is about. It is about desiring to see—it's on His part too, and our part—desiring to see what is in store for us and what He is working us towards. Even though persecution will be part of the future agenda, there will never be a time that you will not have been so happy, so full of joy and full of God. The future is nothing to be afraid of, when He is in it.

PT110103 – Jan 3, 2011 I Am First and Foremost Father to You

It is a season of advancement. It is a season of who you are in Me. Many are looking at all they have not accomplished and at every area they call weakness—and that is not of Me. That is not of Me. The enemy tries to wear My people out by looking at everything except Me. I change not, and it is still your heart that I use to measure all things.

Many times the pressure is upon you to meet My expectations, which is a compass for failure when you are not walking according to how I see things. My expectations are not as the enemy has made them to be. I am the Father who brings My family along, line upon line and precept upon precept, yet most are expecting to jump past My ways and move into tomorrow's lessons when I am still on today.

I am patient, and I see all things. I am kind—I know the things you endure to find more of Me. I eagerly wait, yet I do not wait impatiently; instead, I woo you in love, and by grace I continually draw you to Me. I know how to motivate you into more of Me, and I see those who are reaching out, even those who reach feebly, and these hearts thrill Me.

I know the wars that rage in the flesh that make it hard at times to advance into more of Me, and if you could see the account of your victories, you would be happy along with Me. I am bringing you along to see the place you hold in Me, which is a place of authority and a place in Me where you truly are free. I do not expect you to see things yesterday that I am teaching you today. Many sit in condemnation over battles long fought to see themselves free. They are laden down with weariness and lackluster hope

at the things their eyes see. I do not ask you to look to yourselves, but to continually look to Me. Your strength is in Me and not in what you see. I see you free. I see you whole. I see you strong. I see you victorious, for all of these things you are now in Me.

It is false responsibility to look upon your performance and try to measure up to what you perceive to be expected by Me. Religion has taught about My expectations, but what has been taught has not been from Me. My expectations are not burdensome and My expectations set men free. My expectations are to give you more of My love, teach you more of My truth and to enjoy—ENJOY our fellowship, you and Me. Don't you know that My joy is you? Don't you know that My expectation is the enjoyment of you? This is My season too, and My expectation is to enjoy you! Come into My expectations and see like I see. Our enjoyment of each other takes you past many things and positions you in that place of who you really are in Me.

Take the burden of this season and lay it at My feet. I want to carry you through this season by My grace in Me. Always remember that it is My Spirit who does My work in you, and I do not ask of you that which I have not prepared in you beforehand. My expectation is you and My life in you. My expectation is to carry you in Me as you make great strides forward in Me.

Expect My love. Expect My grace and feed on My words to you. My words are life and they are truth and they will carry you. Take My words and enjoy what I say to you, for from a Father's heart I speak. As I Father you in this season, understand that one of the ways I do this is through My words to you. Every word spoken to you is from a Father's heart to you. All that I do, I do as Father to you, for I am first and foremost Father to you.

I love you and it is My great joy to Father you and to instruct you in the way of My life in you. By My Spirit I instruct you and help you see My life and strength in you. It is My great joy to speak My words of life and watch them build in you. I love to see My words produce My life, My image in you. This is My Father's heart toward you. I love you and I enjoy you and I have expectations, and My expectations are true. I expect My words of life to bear much fruit in you, for My words are spirit and they are life, and as you partake of them, they transform you.

It is a season of advancement in Me. Do not consider the things you see; consider instead what you hear from Me. These are the truths by which your freedom becomes your reality. It is a season of great advancement in Me. You are loved most deeply and you are very free. It is a season to be strong, for that is who you are in Me. It is a season to be free, for that is your position in Me. It is a season to be loved, for that is your "forever" place in Me.

Go into this season knowing that as you give of yourself to Me, it is with My Spirit that you do all things. Go into this season knowing it is a time of great advancement in Me. I will be giving you much, much more of Me and much, much more of an assurance of who you are in Me. You are so loved, you are so strong, and you are on your way into things in Me you cannot fathom and cannot quite see. Take that which you have learned and continue to do those things that are of My Spirit and which produce a stronger walk in Me. Together we will do it. Together we will see. Together we will walk into much, much more of your reality—in Me you live and move and have your being. I truly am your Everything.

PT110109A – Jan 9, 2011
My Judgments Will Save Many

There are judgments that are coming. Prepare your hearts so that you will see the way I see. Some of the judgments will not be a surprise, but some will amaze many. Always remember, these things are based on men's hearts, and I know the hearts of all mankind.

My judgments will save many. When My judgments are released in the manner of which I am speaking, it will be what is needed to enable those who have been "full steam ahead" in their flesh to slow down enough to see things with a new attentiveness to Me. Others, who have moved further and further away from Me, will instead soon be coming home to Me.

The same as a child who is released to his own ways to taste the fruit of his doings, so will many judgments be. They will wonder why My hand doesn't intervene, when in fact, My intervention had already come as opportunity after opportunity to hear Me and choose Me. My intervention this time will be giving them the opportunity now to come home to Me, before the indulgences to the flesh cause the ruin of their own lives and many, many others.

Media will be an avenue I use for scores of people to hear Me, to see Me and to choose Me. It will be a great opportunity for the ones who have sped up in the ways of the flesh to slow down, stop, and see the truth that is in Me. Media will be a tool I use to save many, including those who have taken off on their own paths and have departed from the narrow path of My way, which leads to the true riches found in a life full of Me.

Those who will be judged have filled themselves up with themselves instead of Me. They know I am the One who is God, but they have avoided the narrow way because a loss of self must take place to gain more of Me. They have walked in more of their own ways instead of more of Me. Great will be the fall of some who have embraced themselves and encouraged others to follow them instead of following Me.

To those who will hear: Love not your life, and take up the life that is in Me. My way is narrow, but it is full of Me.

PT110109B – Jan 9, 2011
I Will Be Represented in Revival As Who I Am

Editor's Note: The following was during a time of prayer for healing.

His grace is a manifestation of love. There are many keys you have yet to pick up from My Word that will help you understand why My grace operates and how. And once you understand these things, you will know that to him who believes, all things are possible.

So be strong, for these things are close to being understood, and you will see, for they will rage in the revival—for I will be represented as who I am, says the Lord.

PT110109C – Jan 9, 2011
I Bore Your Sicknesses and Carried Your Pains

Editor's Note: The following was during a time of prayer for healing from the flu virus.

Sometimes things that are simple, you tend to excuse, or for things that will wear themselves down and go, you tend to excuse. But know you not that what I did for one thing, I did for all things? I provided this for you, and it is My blessing to you, for I bore your sicknesses and carried your pains; therefore, you **ARE** healed.

PT110118 – Jan 18, 2011
I Can Only Father You As Much As You Allow Me To

I can Father you through anything. I am the Father who is all excellence in Fathering. There is nothing that is lacking in My Fathering, for I am true and excellent in all I do, and I above all others am excellent in Fathering you.

I can walk you through anything that comes as I Father you. All that is required is for you to give Me what I need to bring the changes needed and desired. If you have not picked up all of My keys to enter into more of Me, now is the best time to start. All that is needed is for you to walk after My Spirit via the path that has been set before you. I need your agreement to Father you, and that means agreeing with the path that I set before you.

The keys, the tools of My Spirit, which I have given you, will bring much, much change to you. If you could see what I see ahead of you, you would run in the use of these keys, for great things are before you—great things.

I am your Father, and the perfect Father, and My great, great desire is for you to open your heart to more and more of My Fathering through the fellowship of My Spirit, using the keys which you have been taught.

Let your heart be soft and walk with Me into great, great things. We are close. We are so close, and I want you to have your place in fellowship with Me. This is the foundation of great things.

Oh, pray and edify yourselves. Worship and take heed to all of My words to you. Much has been said and much has been recorded for you. Let My mortification work in you, and take the time to sit and listen—I want to talk to you.

As you yield to My words to you, you will be amazed and overflowing with joy at My Fathering of you, just you. All I do, I do for you. I hold My arms open wide. My heart as your Father is always open to you.

Come. Pick up the keys you have never used or those you have left somewhere behind you and let Me Father you. All I need on your part is the fellowship with My Spirit through the keys that have been set before you. One step at a time, let Me Father you into more and more of My love for you and into more and more of My Fatherhood and we will do great things. Whatever comes, I can Father you through it. I can Father you through anything, but I can only Father you in the areas you allow Me to. I can only Father you as much as you allow Me to. Come, let Me Father you. There is much, much more of My Fathering for you.

PT110123 – Jan 23, 2011
Receive From My Love

Editor's Note: The following was spoken after a time of worship.

As a father delights to give his child precious things, so I delight to place into your hands the things of My Spirit, says the Lord. Your heart is now lifted towards Me, now lift your hands and receive from My love to you.

Be filled. Be filled, says the Lord; be refilled. Let Me stir up that which is within you, for you and I have great exploits to accomplish together. Receive of the fullness of your Father, says the Spirit of Grace. Receive.

PT110130A – Jan 30, 2011
Fellowship One With Another

Take to heart the things I have done for you and know that they are yours and rejoice in them. And again I say, rejoice in them. Fellowship one with another that you will grow in My Presence.

PT110130B – Jan 30, 2011
My Desire Is to Give You a Glimpse

His desire is much like the one that He had in Paul's heart to give the Corinthians meat. His desire, He says, My desire, if you could only see now, I could give you a glimpse of what is to come.

And that wasn't a bad thing. It meant it was a great thing, and so His desire is to go ahead and give us the glimpse when right now we shouldn't be getting it. That's the best I can explain the interpretation of it. In other words, there is something He is pleased about.

PT110130C – Jan 30, 2011
You Will Do Better!

You know what? You will do better. You WILL. You will! You will do better. That is why the devil wants to fight so hard to make it look like you are not. You are and will!

PT110206 – Feb 6, 2011
Let Me Dress You for Battle

A dry and thirsty land is the soul that longs for Me. Searching for those things not of My Spirit produces a hope deferred. The hope that My Word provides is an anchor for your soul. True Godly hope, that is hope in My Word and My power (which is My love), will never be deferred and will never fail.

Grace and truth am I. The hope provided from human reasoning is always subject to circumstances. I am the God and Lord of your circumstances. Every knee has and will bow to My Name—My Name is My Word.

So build yourself up in Me and do not let the footmen tire you. Let Me dress you for battle. Exchange your weaknesses—all of them—for My strength will be made perfect in them as you—by My grace—surrender all to Me.

Rejoice, your victory draweth nigh.

PT110210A – Feb 10, 2011 The Heart Is the Battlefield

The heart is the battlefield for which we contend, and this is the fount where it all pours out.

All this fear, it is nothing. Decisions are My gift to you, just as all your circumstances. Keep your eyes on Me in My love and you will see what you want to see; you will know what it is that you want to know. You will know Me in My gifts to you, and you will know My love in My gifts, for they always reveal My heart.

I love you and My heart is open to you, never closed. We are never apart if you will trust in Me and leave your abilities out of the equation. I am all you need. I am your only hope. I AM the fulfillment of all things, past, present, and future.

Nothing stands between Me and you if you keep your eyes fixed on Me. I AM your hope. I AM your life, for grace flows back and forth between My open heart and your open heart. This is My love for you—a love that is the ocean, and you are the fish. I AM everything to you. Outside of My love, you are a beached whale and your days are numbered. You are a part of Me just as a fish is part of the ocean. My love for you is that we are one—you in Me and I AM in you. You have entered through My Door—My Son—and now we are family; we are one.

There is no fight to be in Me if your eyes are on Me. The easiest way to walk a straight line is to keep your eyes on Me. My Spirit reveals Me to you and you reveal Me to the world. Keep your eyes on Me as I am revealed to you, and everything will pan out. It is not your job to bring these things to pass. It is your job to be a vessel for My grace. I AM your hope, now and forever. Nothing can stand in My way if you will come to Me.

PT110210B – Feb 10, 2011 A Time of Narrowing Your Focus on Me

It is the hour of the relentless pursuit of your place in the family of God rather than the family of man. It is the hour to allow Me to Father you as much as I can. Neither husband nor wife nor mother nor father nor brother nor sister nor child—no sons, no daughters, nothing on earth that is—is to be in the way of Me Fathering you as much as I can.

Yes, you do have responsibilities in this life. Yes, you do have family in this life. Yes, you do have accountability in this life, but most of the time there are things involved in each of these relationships, in each of these responsibilities that are not a part of your walk with Me. It is a season of allowing My Spirit to help you to distinguish between that

which is of the spirit and that which is of the soul, that which is of your life with Me and that which is of your life in the soul of man.

That which you are involved with in your life with man is to be walked in through the companionship and the partnership of My Spirit. If it is a work of the soul, if it is a work of the emotions and the nature of the old man, it has no part in the walk of My Spirit, and those things must be turned away from. Most of the time, those things are false responsibility. Everything that you do in this earth is to be a partnership with Me through My Holy Spirit's walk with you and in you. Everything that you do is to be accompanied by My Spirit's power, for it is not by might, it is not by power; it is by My Spirit. So those things in your life that have nothing to do with your walk with Me are those things that must be set aside.

Everything that you do in your job, in your business, in your relationships, in your marriage, with your family and with your friends is to be a walk with My Spirit and not a walk of your soul. Everything is to be in partnership with My Spirit. Now is the time that I am preparing My people to walk this way in preparation for the things that lie ahead. It is a crucial hour of distinguishing between the soul of man and the spirit of man and putting aside those things that are not of My Spirit and that are of the old nature, for it is the Spirit of God by which you will walk and not the old man. You are no longer that old man; you are that new man in Christ, and this is the walk that we are refining in this hour. This is the walk that is being fine-tuned and honed by My Spirit, for these things must be perfected in this hour for you to walk in the manner in which I desire for you to walk in the things that lie ahead of you.

The way in which you walk by My Spirit has progressed into this place in Me that it is now the time for My sons to begin to fine-tune the walk of the Spirit and to begin to put aside those things that are the responsibilities of the soul and not the responsibilities of the spirit. It is the time to fine-tune and distinguish between soul and spirit. The things which you have been taught by My Spirit that bring the new man forward are the things that you are to give the most time to as you can.

You are to walk with My Spirit and to discern between those things that are necessary in your walk with Me and those things that are to be put aside. It is a time of narrowing. It is a time of walking into that narrow path where the path is becoming narrower and narrower. These things have been spoken before and these are the things that you are walking in now.

Now is not the time to get off track. Now is not the time to turn back. Now is the time to push forward into that which lies before you in your walk with Me. All of these things pertain to Me Fathering you, and all of these things pertain to you walking after the Spirit. This is the walk of the Spirit that you are pursuing, and this is companionship and fellowship with My Spirit. Everything that you do is to be done with My Spirit, who is forever with you. If there is no walk with Him, then these are the things that are to be set aside, or these are the things He is wanting to partner with you in that you have not yet allowed Him into.

As you can see, it is a time of a narrowing of your focus on Me. As you can see, it is a time of you moving closer and closer to Me—walking closer and closer in fellowship with Me so the things of this world become more distant to you and the things of the Spirit become your way of life. It is a time of distinguishing these things. There will be fasting. There will be much prayer. There will be much worship. There will be much

time, as is possible, to be set aside to give to Me, because the more that you give of yourself to the life of the Spirit, the more that you allow Me to Father you.

I am the Father of spirits and My walk with you is as a Father to you. That is who I am. And the walk that we have and the development of it, which we are walking into, is crucial for the things which we will walk in together in the days ahead of you. So hear the voice of My Spirit as I call you into a place in Me of closer and closer fellowship, a closer and closer walk with Me, a narrower pursuit and a narrower focus on who you really are in Me and who I am to you. It is a time of narrowing in your focus on Me.

Heed these things. Heed these things of My Spirit, and with Me, you will walk free. We will walk, you and I, into the things I have prepared before you.

PT110211 – Feb 11, 2011
Circumstances and Every Knee Bowing

I am not going to orchestrate your life in such a way that your soul is going to be at comfort or ease—no distractions and a false peace—in the absence of My Spirit and My fellowship.

Circumstances bowing do not mean that your desires and wishes, which your soul produces, affect the world around you. The “every knee bowing” is everything that stands in the way of My Lordship and every “voice” that is contrary to My will—My Word—including your uncrucified, unrenewed mind, will, and emotions—your flesh.

PT110220A – Feb 20, 2011
My Will Is All the Things I Have for You

I speak to you of My willingness to take you by the hand and to walk with you, whether you want to walk down the path or out [outside the narrow path]. It is My will—it is My will [for you] to always walk up [upward in Me]. It is My will to always bring you forward to more—to all the things I have for you. And at times, when you understand these things, then faith comes to your heart and you give Me something that I need so that I can take My grace and move your strength forward for a season.

PT110220B – Feb 20, 2011
Overcoming Areas of the Flesh to Receive More

Editor’s Note: The following was spoken during a ministry line for grace for fasting.

He just told me, because you are going to overcome another area of flesh, He will be able to give you some things that would have affected your flesh before. Things like money.

PT110220C – Feb 20, 2011
I Can Become Your Strength

Editor’s Note: The following was spoken during a grace line for fasting.

I choose to do it this way because I can, for you get this close and your heart is set on truth—My truth—and I can come with My grace. And while you are reaching out for Me, I can become your strength. For this is not selfish on your part, but it is for the Kingdom; therefore, rejoice and become strong—I have more for you than you know.

PT110220D – Feb 20, 2011
God Can Use the Humble

He can use a really, really humble person, who appears to have nothing, a whole lot easier than a band of brass that keeps exalting all its[self].

Those usually exalt themselves off the board. He would take the humble anytime.

PT110223 – Feb 23, 2011
Your Adventure in Me Has Barely Begun

I am the Lord thy God. I will restore the joy of your salvation, for your adventure in Me has barely begun.

The ravings of the lunatic enemy, they bear no weight. Hearken unto Me and I will lead you into every victory. Lift up your heads. Don't let them hang down. You are My joy, My crown, My treasure, My pearl. With great price I purchased you, and I will not forsake you now.

Rejoice! And again I say, rejoice! Lift up the feeble hands that hang down. Rejoice, I say.

PT110227 – Feb 27, 2011
You Will See What I Can Do

Not only is your faith increased from hearing, and hearing by what I say, but it also comes into agreement with the demonstration of My Word, based on those things you have heard. For many, many made their first steps because I invaded their world and did the impossible.

You will see, as the weeks and years unfold, the effect that I can have on disease and on the multitudes and those who are afflicted and those who have been placed in prison. You will see—you will see, when the limits are taken off, what I can do, says the Lord, for when all these things come together, you will see a revival that will cover this earth before I return.

PT110303A – Mar 3, 2011
Keep Walking—You Will Overtake Your Dreams

He is saying, Don't be concerned. The dreams that you have, they are in front of you. They are on the road that you are walking on, and if you keep walking, you will overtake those dreams and they will come to pass.

It is not your place to make those dreams come to pass, but if you keep walking [on the path], you will overtake them.

PT110303B – Mar 3, 2011
Let's Walk Together and Finish This

You are My child, and as I stand here, I stand before you and I know you and I am not afraid of you. And I love you.

You hear My voice—YOU do, so let's walk together and let's finish this, because the things that I have for you are glorious. The things that I have for you are priceless. So don't be afraid of Me and let's walk forward.

This part has to do with your calling. He is sharing right now with me how valuable you are and how important it is to Him that you go with Him and you finish this walk. There are so many, that's what I am hearing: There are so many who have stopped. There are so many who have come so far and stopped, and I need you. The world needs you—YOU. I am talking to YOU.

He is talking to you, and He is saying, I need YOU. The world needs YOU. Don't stop. Don't camp [where you are]—don't settle. There is joy at the end of this. There is abundance—a prosperity at the end of this to where not only you will be blessed, but your children's children will be blessed.

PT110310 – Mar 10, 2011
The Revival of Your Own Heart

Enter into My river of love through worship and you will see your own revival, and your part of My larger revival.

Do not discount the revival of your own heart in this coming revival. It is vital and stands side by side with the larger, wider work. It is My will that all enter into revival intimately—with Me.

PT110313A – Mar 13, 2011
Hearken Well—Arm Yourself

Editor's Note: The following was spoken during the 8:30am service, March 13th, titled "Leaving Your First Father's House."

Let My Spirit strengthen you today. Hearken well, even though truth is being delivered with great love, arm yourself—arm yourself with this message for that which is coming.

PT110313B – Mar 13, 2011
Our Assignment Means Changing Along the Way

He said He couldn't have given us the assignment He gave us had He not known we would have taken this line upon line and precept upon precept. For there is no way we can give Him what He is asking without changing along the way.

PT110313C – Mar 13, 2011
An Ever-Increasing Presence of My Compassion and My Love

He is talking about, there is a hunger that can't be quenched. You try to quench it with many things, [such as] works. But the only thing that will quench this hunger and this thirsting is the peace that comes from an ever-increasing Presence of My compassion and My love.

For many, many walk the path on every level conceivable, and at the end of their path, I bring them home with Me. They are born-again and love Me.

But He said, as He is teaching Me, That these places along the way, where I quench your thirst and satisfy your hunger, you will find [they have] to do more and more with My love, which fuels My compassion, which reaches the world.

PT110313D – Mar 13, 2011
Give Yourselves Over to Fellowship With Him

It brings Him great pleasure in fullness when you give yourselves over and become this close and near to this fellowship with Him in that love which He has for you. For it has always been and always will be that part. The problem isn't Him loving you. The problem is getting you to receive the love He has always had [for you].

PT110315 – Mar 15, 2011
I Can Come and Fill the Humble

Questions are arising during this season from many: "Lord, how can I be so strong and use such force and authority against the enemy, yet at the same time be like a little child with You? Lord, it seems such a dichotomy. Father, I find myself weeping all the time, and yet, I am not a crybaby. God, I don't understand. I don't want to be a crybaby. Father, strengthen me out of these things. I seem to be turning into a crybaby."

I say to you, Don't you know that I am your Strength—I alone am your Strength, and all your strength is found in Me? Truly, the more that you become as a little child and wrap yourself in the arms of My love and come and spend time with Me as your Daddy, and the more that you find yourself weak and needing My strength, the more that you grow in Me.

I am looking for those who will be willing to be quite vulnerable with Me so that they might take up My strength. I am looking for those who need Me and more of Me, because the more that you find that you need Me, the more your heart is open to Me pouring Myself into you.

I cannot pour Myself into someone who does not see the need for Me and does not give Me room to pour Myself into him. But, oh, the one who knows his need for Me, oh, the one who sees his vulnerability, sees that in Me he has everything. I can come and I can pour Myself into the one who is weak and make him, in Me, very strong. I can come and I can pour My love into the one who knows he needs Me and fill him up with more and more of My love.

I am looking for a people who are weak that they might become strong in Me. I am looking for those who are willing to be vulnerable, willing to expose to Me the needs that they have for Me that I might come and answer those needs.

All I need is someone to humble himself and need Me and I can come and fill him with more and more of Me.

The more you do to give yourself more and more to Me, the more I can come. Keep taking up the keys I have given you and keep using them and I will keep coming and coming with more and more of Me. I am the One you need. I am your Everything.

PT110320A – March 20, 2011
Much Can Be Learned in Worship

Much can be learned from the rapport that goes on between Me and you. When you resign yourself to My Presence in worship and create an atmosphere for fellowship, is there anything that I wouldn't do for you?

Come. Come. Come.

I heard this: Leave the bands, and He used another word—bonds. Leave them behind and come and be free—free from religion.

PT110320B – March 20, 2011
God Has No Favorites

He is saying that He didn't create anybody—there is nobody who has come into existence whom He hasn't provided for less than another person, for He has no favorites, nor does He respect [persons]. Anybody who gets into the truth—the truth will be honored, and the path that you walk, He will be there.

The Holy Spirit—who is the One who has been sent to guide you into all truth—and the truth He has been sent to guide you into is not only the mysteries and the understandings of His Word but also for you and what He has for you and in your call that He wants to fulfill in you as much as He does anybody else.

PT110320C – March 20, 2011
He Will Never Forsake You

It was for this reason He was abandoned by man, and finally, angels couldn't step down. Oh, they wanted to. He could have called ten thousand angels. Everybody was running. [He was] forsaken by God, by man, and why? No matter what hell tells you, He had to forsake Jesus, which means, whatever hell is saying [to the contrary], He will never, never, never forsake you. He can't. Never.

PT110327A – Mar 27, 2011
Power Rooted in Maturity

I will not leave you powerless. What do you think I am walking you into? This is the type of power that is rooted in maturity and can't be squandered by immaturity.

PT110327B – Mar 27, 2011
Love Is Perfect and Casts Out Fear

About His Presence, He says He has more to teach us, and these are some areas we are looking for because we are looking for results we have not seen before. But wait until you understand what some things have to do with your faith.

One basis for My peace is for you to truly believe in your heart that whatever happens, I am still able to move. And the love that I can teach you to walk in is perfect, and it casts out fear, for without fear, why wouldn't you have peace? For you have peace because you know that I am able to do whatever I said that I could do.

PT110327C – Mar 27, 2011
The Path to Believing

The reasons that you gather together are many. [One] is so you can get to know Me as an individual, for I have many things to say, and there are those who are receiving them to teach you what I can do. But My goal is for you to know Me individually, for I have many things for you to do—amazing things—that you will be shocked that you are being used that way because of religion and what it has done.

But come aside, for nothing shall be impossible to you. Did I not say, All things are possible to him who believes? And when I say you are on the path to believing, it is because you are on the path that the Holy Spirit has put you on, which guides you into all truth, which will not leave these things out, says the Lord.

PT110327D – Mar 27, 2011
Truth Will Lead You Into Everything I Have

Most think the signs and wonders I desire you to walk in are hard to attain to. But the reason they think that way is because the only thing they have been down is religious paths, and when they heard of these things, they considered them as rumors and [for] specially called people.

But hear what the Spirit would say. Because religion has been the guide down most of these paths, [but] because you have turned yourself over to the Holy Spirit, for you who will not become weary in the well doing of letting Him have the way in your life to lead you down the path, do you think that I put the salvation of this town in second place? Do you think that I do not desire to end all suffering concerning the children in the

children's hospitals? No, I desire these things more than you do. Because of My part, they have already been done.

So get on the path, you will see, religion will lead you away, but truth will lead you into everything I have for you, says the Lord.

PT110327E – Mar 27, 2011
I Expect Much: Establish Yourself in Truth

I expect much, says the Lord, for whenever I have truth [for you], it is My desire that this truth be taught and that this truth be acted upon and that this truth spread to as many lives as can possibly be spread to by the present tense of what I am working in.

For many of you are sitting on calls that, in your thinking, it is beyond anything that you would dream of. For it is [up to] you to establish yourself in truth, and there are many here, more than you imagine, [who] will establish My truth with the signs and wonders to follow. In fact, you will say before this is over, "I am full. I am full. I fulfilled everything that You had me to do."

So be strong and know, when you are changing a path that was riddled with religion to [a path full of] the Teacher—the Holy Spirit who is Truth—then you are going to be fought. But stay steadfast—keep your feet on the rock, for there are many signs and wonders going around you now that were prophesied about in times past. So know your time is near. Be strong.

PT110327F – Mar 27, 2011
Faith to Receive

When I say something to you, it is to give you faith to receive what I can [do] and [what] I am willing to do for you at this moment.

PT110327G – Mar 27, 2011
When You Come Close—Reach Out

When you come close enough to Me that you are within reach, I reach out for you. And if you will reach out for Me at those times, things are at work [on your behalf] so that I can do things that normally I cannot do [without these things working].

PT110327H – Mar 27, 2011
A Prayer Language That Will Build You Up

Editor's Note: The following was during an invitation to receive the baptism of the Holy Spirit.

In that new nature that you have received, the new nature is what the power of the Holy Spirit uses to bring you forward and teach you spiritual things by comparing spiritual things to spiritual. So this Teacher you are about to receive, His designation is

to lead you into all truth, and with Him is established this prayer language that will edify you. It will build you up above things that have stopped you in the past. And you feel a hunger inside that you cannot quench, and that hunger is for Me and the walk of My Spirit, the walk of power.

PT110401 – Apr 1, 2011
The Holy Spirit Is Our Teacher and More

[Jesus]

My oneness with My Father [while on the earth] required oneness with the Spirit. You cannot experience this oneness with Me without oneness with the Spirit.

He, the Holy Spirit, takes what is Mine and will show it unto you. All that the Father has is Mine, and I say unto you that He will take what is Mine and show it unto you.

Fellowship and communion is spirit to Spirit. You cannot overlook the importance of My Holy Spirit. You just don't see how significant the role is of the Holy Spirit. He is the **BRIDGE** that joins Me with you. It would be impossible for you and Me to commune without Him. Cherish His Presence. Recognize His invaluable ministry and refuse to take it for granted, for it has been made available to you at such a high cost to Me.

When you look at the Holy Spirit as your Teacher only, as important a role as it is, you are focusing on only one attribute and ignoring all His others. It would be like focusing on one small micro section of a multi-faceted diamond. It is like focusing on one single mountain and ignoring the rest of the entire Rocky Mountains. It is like focusing on one gallon of water and ignoring the rest of the entire Atlantic Ocean.

The depths of the Holy Spirit are limitless. The communion available to you is as vast as the ocean. There is no end to His depth.

Why would you ever think that I would want you to try and figure out what I want you to do for Me in your own mind. That is ludicrous. Remember, He will take of Mine and show it unto you, but only when He has an opportunity to do so.

Strangers seldom converse on levels beyond just superficial.

[Holy Spirit]

I don't want to be a stranger to you. I can be closer than any friend or brother to you, but I can also be ignored by you, quenched and even grieved.

I am the Teacher who loves you beyond words. My desire is to see you fulfill your place in His Body. Commune with Me and allow Me to not just teach you but to mold and form you. You are the clay and I am the Hands of the Potter in the earth. I mold you. I hold you in My hands and I squeeze out all the air pockets so you don't explode in the heat.

I am the Coach who is encouraging you to go beyond where you have ever gone before.

WHAT YOU NEED, I AM.

When He said He would not leave you as an orphan, you must look into the depth of what He said to you. Orphans are alone—you are never alone with Me. Orphans are helpless—you are never without your Helper. Orphans don't know the love of a parent. The Father's love I show unto you. I am the **CONDUIT** that all of who He is flows through

to you and [through which] all your worship flows to Him. What can't you do when I am the Helper who helps you?

[Father]

There is nothing, absolutely nothing that you do for Me that goes unnoticed or unappreciated. When there are so many who walk blind of Me and deaf towards Me, to have one who longs to please Me and lifts up his voice to Me makes all of Heaven rejoice, and not a word falls to the ground unnoticed.

PT110402 – Apr 2, 2011
Wisdom's Counsel Is Your Bounty

I am the true Wisdom in the earth today and the finances that can come through My wisdom will truly astound many. It requires a close and constant fellowship with Me; the kind that is available in a sweet walk of peace.

To walk in peace is to walk in Me, for it is the foundation upon which the wisdom that I bring does rest. A man in turmoil cannot receive the treasures of wisdom that I bring, nor can a man who has not learned to rely solely on Me. Oh, I can bring snippets of wisdom, but snippets of wisdom are all I can bring to the one who does not have My peace or rely on Me.

I am raising up a generation of helpers who rely solely on Me. I am raising up a generation of helpers who look to, lean on and rely on Me. A generation in whom I have laid a foundation of My great peace. Not as the world gives is this peace.

For many, this is a season of establishing further their lives in My peace and learning to rely on the counsel and wisdom that I bring. The counsel of men is nothing if they have not heard from Me. It is My counsel that men must seek, but sadly, many look to other men and do not receive the counsel which is from Me.

I have counsel to give that I am waiting for men to receive. I have wisdom I have not yet been able to give, for most have not ventured deep enough into My rooms of intimate fellowship to receive the counsel that is available from Me. The counsel I bring is clear, it is pure, and it is perfect in all things. Every question on every path has its answer in Me. Every storm has its turning in Me. Storms you encounter have their solution in Me but not necessarily in the same manner as the storm stilled by the Son's command on the wind-tossed sea. The wisdom for this came from Me, and this is a picture of how Wisdom directs and the storms do cease.

Because the Son was in constant fellowship with Me, He knew there was nothing to fear as He laid down in the boat to sleep. He had heard from Me. He also knew when He was awakened, how quickly the storm would cease. All He knew was peace—great peace, for Wisdom was His Companion and He was well established in My peace.

I am Wisdom and My counsel brings great peace and I have an answer for everything. I, Wisdom, am reaching out and drawing close those who will hear to receive the counsel of the Father just as the Son received. All that the Son was given by the Father He gives to the sons, and He gives freely. In this inheritance is My counsel for all things. I give the wisdom of the Father, which was given to the Son, and which the Son gives to all who will partake through Me. I am Wisdom and in Me are your answers to all things.

I am the source of true wisdom in the earth today and there is a deep wealth of wisdom to be had in Me. I am calling the sons into the rooms of Wisdom where our fellowship will bring forth the bounty that is available from Me. Treasure chests of Wisdom's counsel are available for those who come to Me. Some of this bounty will be just what is needed to move forth in Me. Some of this bounty will be counsel for things ahead and not yet seen. But know this: All of Wisdom's counsel is available for all you need, and Wisdom's counsel is your bounty; it is the treasure that you seek.

Great comfort and companionship is found in Me, and in Me is great strength and deep-seated peace. I am Wisdom and My treasure is the bounty you seek.

The Power of the Holy Spirit

In your time, in your timing, you will have great joy, for there is no other way to go to what I have prepared for you than to go by way of the power of the Holy Spirit. So don't be dismayed when the times of changing are eating up time—that how I do this, it must be done in such a way that it will be so established on My foundation—an unmoving, solid fortress of revival—that you will see the harvest I have prepared you for, for many years to come.

So don't faint along the way. Pick yourself up and be strong. You will find out when you are strong for Me, I will be strong for you, and many things you were desiring more than Me will come to pass when I become more than they are in your life.

PT110403B – Apr 3, 2011
You Must Be Led by My Holy Spirit

For you who are wondering what kind of service this is, tell Me when, when is it I can get those things over to the Body of Christ? When I cannot get these things over in the organization of man, these things must be.

So do not be alarmed and be patient. The times are not staying the same nor do I leave you the same when the times change. So be strong and continue forward in Me, because revival has many fronts for Me to penetrate all that I can penetrate. You must be led by My Spirit in all areas.

PT110403C – Apr 3, 2011
To Know My Mind Is My Desire for You

As I said before, My desire is for you to know My mind, to know My mind for the present time for this Church and for Tulsa. This is My desire. So when I take the service for tongues to be interpreted or prophesying, I do so, so that you will understand where I stand and what My desire [is], and [what] is in My heart and in My mind for you, says the Lord.

This place will come to that place that I have for you; therefore, think it not strange when I speak much through tongues in those times when I have those who are Mine prophesying.

PT110403D – Apr 3, 2011

Let Me Move for You

When I come, I come with great delight. I come desiring to fulfill the slightest, [the] smallest of your needs. I come. I come to move, not only in fellowship with you, but if I can, [to] do anything for you.

So don't let the devil build a case against you and convince you that what I have is not for you unless you change and go through this list and that list of how and what you have to do. All those victories were purchased for you on the Cross, and if you will come by way of Me, they will get done a lot faster than in your own strength. So turn them over to Me and let Me move for you, says the Lord, for My desire is that kind of fellowship.

You Will See His Blessings Fall on You

Because you have allowed yourself to come to a place where you are letting Him make you mature, you have removed the ceiling of your life and have opened up the doors of Heaven, where you will see His blessings fall on you.

I Bring Your Miracle—So Do Not Stop

Concerning those things that you desire to be answered, even if it feels like you think that you have stood and you have stood, keep standing. For as quickly as I can and in order, I come, and I bring your miracle.

So don't stop; don't stop, *He said*. Continue.

PT110424 – Apr 24, 2011

All the Evidence You Need

My Word is all the evidence you need. Quit negating the power—"quit overriding" is what I am hearing—quit overriding the truth of My Word with your version of truth.

PT110427 – Apr 27, 2011

The Enemy's Plan to Divide

Don't think it strange the trials that may come to test you, for the enemy comes to try the very ground you walk on, that narrow path in Me. It is a narrow path that you walk on, and the path is becoming straighter into Me.

The enemy will try to come and test the foundation that you walk on of My image which has been built in you of My love and strength. His purpose is to set in the midst of you those who would come to divide. Don't let that deter you; instead, hold fast to your walk in Me. Hold fast to your purpose in Me. Walk in wisdom. Walk in love. Walk in grace—speaking the truth in love at all times and holding fast in your purpose in Me of My nature being brought forth to such a degree that I can bring revival to this city and spread it well beyond this city.

Hold fast to your purpose in Me and do not be moved by your adversary, for he is already defeated in Me. Use your authority; stand fast on your foundation of love in Me, and you will see increase and more of Me.

The enemy's forces have already struck, and he has tried to bring division, but he has an assignment he is preparing, and his intent is to bring in those he can use to divide. Some will come whose purpose is to divide. Others will come whose ways divide. Their motives are for themselves and not for others. Their motives are to have the upper hand, not to humble themselves under My mighty hand. It is not that they don't belong to Me—they do. They would tell you of their great love for Me, but they have allowed themselves to become deceived, and their hearts are not solely fixed on Me.

It is important that you stay on the narrow path that you are on and on the foundation of My love, keeping your faces set like a flint on Me. I have a purpose, and that is to bring revival to this city. Look not to the right or to the left but keep your eyes fixed on Me. The enemy's plan to divide through those who come in will not prosper as you keep your eyes on Me.

Your authority is to be used in these things, and you are to keep your eyes fastened on Me, hearing the voice of My Spirit and following My lead. I will walk you through in victory, and the enemy will see His defeat.

It is My intention to recoup lives and to turn their hearts back to Me as you walk in love and speak the truth in Me. Let your focus be pressing into more of Me and following the lead of My Spirit as I lead you through these things, and the enemy will not have the upper hand. He will see great defeat.

My Presence Will Become Apparent

After you attain to one place, it qualifies you for another. And I am delighted and take great joy in you for the things that I am able to do in the times coming. So rejoice and be strong, for My Presence will become quite apparent.

A Shaking Is Coming—Fear Not

A shaking is coming. Be ready, says the Lord; a shaking is coming. Foundations will be reexamined. I have, for years, been laying a foundation in you. Let Me tell you ahead of time: Your foundation will stand secure. You haven't been preparing all this

time for nothing, says the Lord. But a shaking is coming that even the very elect—if they don't have these foundations—they will tremble.

I charge you: Fear not. I charge you: Trust in My Word. And I charge you this day: Be strong and of a good courage, for I have given you the land, says the Lord.

PT110511A – May 11, 2011
In Between Two Places

He said we were between two places. We are leaving the one and going to another. So don't be dismayed. Don't look at anything negatively.

Trust me when I say this is as supernatural as if people were trying to get off the freeway to get here. This is just as supernatural in the fight he [the devil] is putting up as the revival will be and is.

So we are in between.

PT110511B – May 11, 2011
Many Things Are in the Process of Change

You will remember this time, for many things are in the process of change, but you will see what kind of change I am talking about as time goes on.

How many remember when the prophecies came forward of the crops under water and earthquakes and "Tornado Alley" moving? All of that came forward, which was way back—years ago, but when we saw these things, it was marking a time. So the way the devil is fighting it, I don't blame God for marking a time.

I can tell you, we are close to something.

PT110511C – May 11, 2011
Don't Let Fear Grip You—You Will See My Harvest

In what you do, don't let fear grip you, for you will see many things, but one thing you will see is My harvest. For the time is growing closer and closer; you'll see, even as Japan's time is coming, so are many others. And I speak in respect of revival.

PT110511D – May 11, 2011
Love Never Fails and There Is No Fear in Love

When you take a step forward, as you have taken a step and you begin to nurture yourself with My love, then I get to take a step closer to you, and what I am and what I have is yours. For much, much of who I am and what I am has been left out by religion, but know this: Love never fails, and there is no fear in love.

So don't think for one moment that I do not enjoy this walk with you—with you. With you, because this is a step taken. This is a step that has been taken that brings you closer to Him and Him closer to you, which will do wonders for your understanding, especially in the realm of faith.

PT110511E – May 11, 2011
The True Doctrine of Stewardship

There are those who have mistakenly thought that a call to steward finances was first and foremost a call to handle large amounts of money. So the thinking has been more on the money than on Me. There are also those who have made large amounts of money who will be puzzled and even offended when they find that I cannot use them financially in My outpouring.

For those I will use to handle money on My behalf, I am not looking for their fortunes. I am not looking for what is in their hands, after all, am I not the One who has supplied all things? I am the One who will fill the hands of My stewards. All I am looking for is a life that is well established in Me, a life being stewarded for Me—taking the life I have given and stewarding it into maturity by the grace that is available in Me.

All I look for is one who seeks first the Kingdom of God and living in Me. The one who will, first of all, steward his life in Me is the one I watch for. The one who makes use of My keys and follows after Me, receiving more and more of Me, this is the one I seek. For this is a heart following strongly after Me.

It is not the abundance I seek, for all abundance comes from Me—I own all things. It is the heart that I seek. It is a heart fixed and fastened on Me. It is a life surrendered and yielding to Me that I seek.

To yield to Me is to hear Me and spend time with Me. To yield is to fellowship with My Spirit, learning continually of Me. To yield is to learn love and authority and to walk in more of Me. It is to learn of Me in worship and to feed on the things I speak.

It is My life within that I seek, for the one who is honorable in stewarding that life that comes from Me is also the one who will be honorable in handling financial matters for Me.

All I seek is a life pressing into Me, not giving in, but pressing in for more and more of Me. It is true stewards of My life whom I seek, and true stewards learn to walk after Me, yielding more and more to Me as they continually grow into the image of Christ within and into the fullness of this through fellowship with Me.

The purpose of Me saying these things is for pure doctrine so that adjustments can be made toward Me. A life that is seeking the money is not a life that is seeking first everything that is in Me, for all that you need will only be found in bringing forth your life in Me into the fullness that is in its maturity.

Man's doctrine has taught about doing and seeking to do rather than seeking to live the life of inheritance found in Me. My doctrine is to pursue the fullness of life that is in Me, knowing Me most intimately, and in this pursuit will be found all peace and joy and fulfillment that men seek. The one who finds himself strong in Me finds peace and knows that in Me he has all things. This is the true doctrine of stewardship. This is the doctrine of walking in who you are in Me.

The Fight of the Enemy for the Ages

Editor's Note: The following was during an invitation to receive the baptism of the Holy Spirit.

This has been the fight of the enemy for the ages: Not only did he come for the truth, but he came through deception to cause people to turn from the Teacher who was commissioned to guide them into all truth.

PT110515B – May 15, 2011
Free to Do More

Reach Out—You Are My Family

Editor's Note: The following was an invitation to receive prayer for those actively seeking jobs.

For these things and many more like these will I do, for when I am let into a situation, is there anything too hard for Me? For nothing shall be impossible to him that believes, so reach out, for you are My family. So reach out.

It is not in His willingness to stand by and watch defeat in these areas. For when you believe and you gain victory in one area, how many of you know that will give you faith to gain victory in other areas?

So don't stop and lie down. Stand up and be strong and know that I am there, even though the devil says I am not.

PT110515D – May 15, 2011
When You Love Me More Than Somebody Else

Editor's Note: The following was during a prayer line for healing of broken hearts.

This is what happens when you love Me more, because when you love Me more, then I can give you that to love those whom you love—more. So if you love somebody more than Me, you can't love them more until you love Me more, because when you love Me more, then I give you enough to love them more. That's when I can move.

PT110515E – May 15, 2011
Better to Be Healed of a Broken Heart

He said it is better to be healed of a broken heart than to be hardhearted permanently.

PT110515F – May 15, 2011
Receiving With the Heart

“Receiving with the heart”—because you separate the problem to Him, you give it to Him. This is why it is a good thing with the praying in tongues, because it doesn’t matter how many strongholds you have—systems of thought empowered by emotions—it doesn’t matter. One by one, He will take them “out to lunch” and put them to death.

You keep praying, and He is going to isolate them one by one and kill them [the roots of the strongholds].

PT110522 – May 22, 2011
There Are Exciting Things Ahead

Editor’s Note: The following was during a time of surrender.

For many of you, the depth I am reaching with you is I am healing [you]. I am healing—the kind of healing [for things] that come from hurts and disappointments and lies and people—those kinds [of things], I am healing. And some I am edifying, for you are surrendering to Me in a place that you have not surrendered to Me before. For there are exciting things ahead, and as you can see, the world isn’t waiting for you. These things that lie ahead, you will soon be coming into them.

So be strong, you will look back on these days and rejoice that I was able to do the work in you that I have done, says the Lord.

PT110525 - May 25, 2011
You Will Never Be Discouraged Again

I can hear really clear in my spirit that He wants us to know: Don’t judge yourself from other people’s eyes. Don’t judge yourself from even your own eyes. Look at yourself the way I see you and you will never be discouraged again.

PT110529A - May 29, 2011
I Respond to What Is Done

With His Stripes, We Were Healed

Editor's Note: The following was spoken before an invitation to receive prayer.

He said in a previous [prayer] line that He acknowledged broken hearts, and He moved accordingly and was willing to move on behalf of someone who hurt that bad. And He said that to say this: There are two or three people here whom the devil has made it a point to work on you with the condemnation, the “no-good-ness,” and the hopelessness that he brings in an atmosphere with him.

I can't even begin to tell you how willing—do you think God would let something like that go? He is more willing to fellowship with you in a situation like that and give you joy and bring you out of it than He is leaving you in it.

He was wounded for our transgressions, bruised for our iniquities, the chastisement for our lack of peace was laid upon Him, and with His stripes, we were healed.

PT110605A – Jun 5, 2011
He Is Getting to Say Things

He is very pleased, and He is pleased because He is getting to say things. He is getting to reveal things that have been tucked away in the drawer of religion for some time.

Religion didn't like it, but according to what I am hearing, things are being said—I mean, things that please Him.

PT110605B – Jun 5, 2011
These Signs Will Follow You

You will not be too long into the manifestations of My power and My glory that the excitement—the things you will see—will do things to you which will speed you up. And as you move forward faster in Me, you will realize who I am and what I have done for you. And I am talking to you as an individual who has My hand on you that these signs will follow you: You will lay hands on the sick, and they will recover. You will speak with new tongues, and devils will flee from your presence.

So dare, dare to rejoice and [be] full of joy during these times because you know Me; you know what is coming, so be glad. What the world says, what the economy says is not what I say.

Understand, you who stand your ground: The devil cannot get you not to rejoice. You who stand your ground: You will see glorious things, and many will turn to you for answers because they don't have any.

PT110605C – Jun 5, 2011
Everything We Have Learned Will Be Needed

He said as time goes by, and the power and everything comes to an increase, that you will understand more and more about the moving of the Spirit, and in particular, the communication [of the Spirit].

For what He will teach you will be not only what you have learned in how to operate here, but wherever you go. Then the Holy Spirit will have free course to operate as He has taught you in the gifting and in accordance with where you are at.

I get to tell this part: I understand now that I saw [in the past] the flooding and the crop lands under water and the “Tornado Alley” changing places.

It wasn't the kind that you would try to stop, like, I am going to pray that and stop all of it. It was more like a timeline that is coming because the end is coming. But, also, I saw a great revival during the same period, so it kind of dated things for me a little bit. It caused me to understand how everything we have learned—the endurance, the stubbornness, the not stopping, not quitting and not compromising—is all going to be needed in the days to come.

And one thing that He parked me [on] and preached so hard on is the love of God, for we cannot go into this time with fear—we cannot. No fear. And we cannot go into the impossible afraid of failing. Love never, never fails. Sometimes the person confronted with it [God's love] may run off somewhere and have the change, but you can bet they are better off for the encounter than not. Love never fails—never.

PT110608 – Jun 8, 2011
A Campaign of Fear

A campaign of fear like never before is beginning against My Body. The author of fear is taking aim with some of his most convincing circumstances yet. Too many are not prepared for what he is about to unleash.

I am doing everything I can to alert those who will listen and pray to what is about to take place. I am not doing this to strike fear into anyone. No, I am doing this to make My Body aware of the sudden jolt they may experience as they continue on, destroying the enemy's kingdom. It is My desire that every one of My children walk through this coming attack unscathed. Some will; others will not.

What will make the difference? The difference will be those who are controlled by the outside circumstances versus those who are rooted and grounded in My Word. The circumstances will look ugly—there is absolutely no denying that. But I never said that you should be governed by outside circumstances.

Some of you right now are saying to yourself, “I am not ready for this.” Others are saying, “I am already afraid with what I am facing today. What am I to do?”

What I have revealed to you in message after message is the process that is essential for realizing your own personal victory. I am forewarning you: Take advantage and do what I have taught you to do. You still have time, but don’t procrastinate. Do what I have taught you to edify your new man and put to death what remains of your old man. Don’t leave behind anything that the enemy can use against you.

The good news for you is this: You know what to do, unlike so many who refuse to listen; you listen.

Many who care so much about this life have almost forgotten that this is only the beginning. They play spiritual games thinking I am impressed when actually what they are doing means little of anything to Me.

Fortunately, your hunger has served you well. Your hunger would not allow you to spin your wheels with religious games. Your hunger has led you to a fountain head of revelation where your spirit could soar. Continue to cultivate your hunger and never become satisfied. I will utilize everything you give Me to keep you on this path of transformation, because it is, in fact, the very thing that will sustain you through everything the enemy will send your way. Do not fear.

The message [taught at] this place is My message. It is not unique to this Body. I have found others who, too, have hungered after truth as you have, and I have led them to the few fountain heads I have where revelation flows freely, unhindered, and without price. Appreciate what I have created here because man did not do this; I did this. I did this through the hunger of those who have gone before you. Do not despise what I have done here.

PT110612A – Jun 12, 2011
This Is Why I Sent Him

I will speak with the Spirit, and I will speak with the understanding also. In other words, those tongues will not come forward publicly without having the translation, an interpretation.

For My moving within the Body, and in the churches in particular, who know Me by the Spirit, if I was free to move the way I was recorded in the Word, in the truth, then you would see much more accomplished than what you are seeing now. But they don’t know Me very well, neither do they spend time in the Holy Spirit, but rest assured, for when the revival fires come, many will give their whole lives to what I am doing, will promote what I am doing, and will walk in what I am doing.

For you will see some great days before I return, says the Lord.

At many places—most, but even here, some have no idea what I have given to you when I gave you the Teacher. And did I give Him to you without a way to yield yourself to Him to be taught? Did I not give Him to you in such a way that He can even communicate in a mystery and you can understand many, many things at once because you are receiving it in your spirit?

But what most don’t know and have trouble believing is, if they do edify themselves, if they do overcome the evil one, he will come and build a case against it, and

you will find yourself drifting away and falling away again and again because you don't know what you are sitting on.

You have no idea, most of the time, what is being moved, what is being accomplished, and what is being done. And most of the praying you do, I will use you in the accomplishment somewhere along the line. But then there are those times that you are in intercession and you are speaking things—they are things that I can do in troubled places that you may never know. But there is not a time that you come before Me and yield yourself over to the Spirit that something is not accomplished, because this is why I sent Him.

PT110612B – Jun 12, 2011
The Things I Pray for You

Some of you began to pray and edify yourself, but you fell away. And one reason you fell away is because with your eyes, you couldn't see any difference. So you wanted to be lifted up. You wanted to be exalted. You wanted to be used in such a way that people would lift you up and exalt you.

But for those who cross the desert, and simply because My Word says what it says and you yield yourself to Me, the things I pray for you and through you will not only bring you to the desert, but what they will do in your life later on will be great things, and you will not be destroyed over it because you will end up giving Me all the glory, says the Lord.

PT110612C – Jun 12, 2011
If the Habitation of My Love Was Sought Out

You will not walk too far into this that you will find out, as did John, the role that My love plays. And for those who can see, you will know that much of the Scripture that lies misunderstood will begin to be illuminated and come to light. For if My love, the habitation of My love was sought out with the same fervor and tenacity that money or power was sought out, you would cause a revival.

PT110626 – Jun 26, 2011
I Am the Father of Very Tender Mercies

I am the Father of tender, tender mercies. Many of My own have a place of reserve in their souls where they find themselves at times leery of approaching Me or hearing from Me, and this keeps them at a distance from the place of comfort and strength that is found in Me. There is no reason to be afraid of Me. I am Father, and I am the Father of very tender mercies.

There is only one thing to be mindful of, and that is that you can always draw near to Me. I will never turn away the one whose heart is reaching to Me, looking to Me for what he needs. I am the Father of tender, tender mercies. I am your Strength. I am your Peace. I am your Everything. You will always leave with more than what you had when you draw near to Me.

I am not the Father who delivers you to My wrath. My wrath is reserved for My enemies. There is no wrath for My family. There is no wrath for those who reach for Me and look for Me. I am God and I am good, and the tender mercy you need is found in Me. There is only one thing to be mindful of, and that is My love and My tender mercies.

My arms are the place of safety to run to when weaknesses continually have the upper hand, for I am your Strength, and My love and truth will deliver you. Do not stop giving Me what is needed to bring change to you. Continue to fellowship with Me, even when condemnation is the voice that continually speaks to you. My voice calls to you in the midst of that noise, and My voice is the one that calls for you to come, for I have what you need to bring permanent change within you.

Do not give up coming to Me and fellowshiping with Me, for I have everything you need to see more of your life turned over to Me and to see greater success in walking with Me. I am the love and tender mercy that you need, and My love and mercy are always available to you.

PT110630 – Jun 30, 2011 Putting Away Childish Things

I have said that the fast will go faster and the slow will go slower. I have said that the path is getting narrower and a narrow path is My delight for all, but a narrow path does not have as much “wobble room” as does the wide path.

The narrowing path requires the leaving behind of those things that are not found on the trees in My vineyard which will be heavy laden with the fruit of who I am in them. The narrowing path will require a leaving behind of childish things and a growing into the knowledge of My love and all of its ways. This is a walk full of wisdom and understanding in who I am and who you are in Me.

The wise in Me get wiser and the strong in Me get even stronger as they continue on the path that is getting narrower each day in this walk with Me.

I have said that the time to wake up has come. I have said that the time to pursue Me has come. I have said that My return is nearer than you think, and I still say these things. The fast are getting faster, and this includes understanding things you must come out of in the mind of the flesh and the importance of wanting—more than life—the pursuit of who you are in Me and the understanding of these things, for to understand fully is to walk in who you are in Me.

It is not as hard as it seems to continue into this narrow place of growing that so many are experiencing, for there is grace for all things. There is always grace for all things.

Grace is you depending on Me instead of depending on you, for My life in you has the strength that you need. It is a matter of developing your dependence on My life that is within you and leaving behind the ways of the flesh, for that is the way of childish things.

It certainly is a time of leaving behind childish things and picking up the strength that I give to walk into the fullness of the stature of the life that is of Me. It is a time of putting away childish things and putting on the fullness of the stature of the life that is in Me.

Follow your words into these things and speak forth the truth of who you are in Me. Speak the words of life that are in Me.

Speak forth life; speak forth truth; speak forth that which is good for edification in Me. Speak the truth in love in all things.

Speak in agreement with Me, for your new man grows stronger by these things. Don't speak what you see; speak what you hear in Me. Have My mind in all things. This is the way that is narrow and this is the only way to walk into the fullness of your stature in Me.

PT040714D – Jul 14, 2004
Purged of Deep-Seated Things

Editor's Note: This prophecy is included in connection to the one preceding, "Putting Away Childish Things."

In many ways, I take many shapes and many forms. But there will be a compassion poured out before He returns that will carry the life of all you have ever known the Word could be—all the signs and wonders and the miracles the Word promises—it will give "neon lighting" to "And nothing shall be impossible to you."

For wouldn't you know that it is those deep-seated things that are linked together with emotion, those strongholds, those things that have the power to lay under the surface until triggered by circumstances and events and cases generated by your enemy. But know you not that many of the things that will happen and many things that will come to pass will be because those things will begin to be purged on a level and a power not previously—in your generations—known possible?

For the Time Coming, Do Not Be Moved

For the time coming, the world will be looking like it is getting the short end of things. Things will escalate and happen more and more on a world scale, but for you, you who know what I have said and what has been declared in My Word, you can begin to look up and know: The great times of sorrows and trouble, I will accompany and precede with a mighty, mighty harvest.

Do not be moved by what you see or hear or even feel, but only be moved by what you believe; *which is His truth and His Word. And yes, yes—you wait until the mighty hand of God reaches down and grabs hold of Tulsa.*

PT110703B – Jul 3, 2011
When Things Seem to Be Impossible

When something seems to be impossible and has gone on and on to wear you down, when I move in on the situation, you must understand that you cannot look at the circumstances; you have to look beyond everything you saw before and trust Me. For when I add Myself to the problem, there will be results.

So pay no attention to the circumstances that surround it and even the chaos that seems to come. Hold on. Hold on and know that I am behind this. In other words, for what seems to be an impossible situation—sometimes you will see things that seem impossible, that seem hopeless—there is nothing too hard for Me, says the Lord.

Drink Deeply

Editor's Note: The following was after a time of worship.

It is your hunger that has brought this. It is your hunger. It is your crying out for more of Me that has brought this. I am here to give you a drink, not just a small drink, but I am here to satisfy your thirst, your longing for Me. That is why I am here.

I want you to reach out to Me. I want you to lift up your voice to Me, and I want you to drink deeply. Drink deeply.

I Have Restoration for You

For those who are frustrated at failures, unanswered questions, and broken dreams, I am the Solution to all these things. The path I have set before you is not a path of broken dreams. It is not a path of unanswered questions and repeated failures like some have seen. The path I have set before you is a path of answered questions and dreams brought to life. It is a path of finding success in Me and the manifestation of these things.

The plans that I have are good plans. I have set before you a pathway where you can walk in a path of dreams being manifested, but it will be the dreams that I have put within you. You will learn to distinguish between My dreams and those dreams which come from the operation of the soul. You will learn how to let Me bring to pass the manifestation of those things which agree with My mind.

I love you so much, and I have set before you a pathway into all of these things. As you continue to walk forward, one step at a time, doing the things you have learned to do, letting My Spirit tutor you, you will learn how to know Me and talk to Me and receive My love. You will become well acquainted with Me and you will realize answered questions, see the end of broken dreams, and the patterns of failure will no longer be seen.

As you walk into the place of hearing Me, knowing Me, loving Me, and receiving My love and understanding My truths, you will walk in a place of things happening in your life which you have not even dreamed of yet.

The pathway set before you is a sure and good path. Challenges you face can all be overcome in Me. I have the restoration plan out of the pattern of failures which you have seen. Nothing is too difficult for Me.

For those who have seen their lives go into the depths of destruction, I have restoration for you. Nothing is too hard for Me. I am the Wisdom you need to succeed. I am the Strength you need to realize your dreams. All that you need is found in Me. I am the Answer to everything.

Don't look at the brokenness around you. Lift up your eyes and look to Me. Lift up your eyes and look at the truth that you see—My Word is truth. Nothing is impossible for Me.

I can restore all things. I can restore a life to such a degree that a life once broken will be able to look around and see no evidence of these things. All that you need is found in Me, and all that I need from you is for you to allow My Spirit to build you up in Me. I am truly the Answer to all things. Come and find yourself in Me. You will be most pleased at the life you find in Me.

The Messages That Are Coming

The messages that are coming will not be “namby pamby,” and those who do not know Me will find them very hard to tolerate in their souls. Some of these I speak of sit in the midst of you, and some will find it very hard to restrain themselves from leaving. Some will leave, and some will stay but with much struggle—these are not easy days that are coming.

There will also be those who listen on the Web, who are not doing “the message,” and they will find them very intolerable for their souls, but it is necessary for these messages to come forth, for the building I am building must be built in the manner in which I am building it so that it will not be shaken in the storms that lie ahead. I am preparing a people to walk through storms in My peace.

My peace comes from fellowship with Me, and this fellowship is your strength. Those who do not know the message of My fellowship will not be able to stand through some of the storms that you will walk through, but because you are allowing My truths to be spoken and My building to be built tall and strong, your buildings will stand in the storms ahead.

Rejoice and be glad that I am able to say the things that I am saying. These are the things I have wanted to say and that are necessary for what lies ahead and are necessary for the outpouring that will come which will precede My return.

Oh, I am glad.

You Are Going to Hear New Things

When you prophesy, you prophesy in proportion to the faith that is given to you. It is hard to prophesy over and into things that you have no knowledge of. For this reason, as the increase comes, you are going to hear new productive and powerful things from the throne room of God.

PT110821 - Aug 21, 2011
You Are Going to Be Able to Forgive

Editor's Note: The following was before a prayer line to let go of unforgiveness.

You will find in this [letting go] that as you proceed and do not take steps backward that you will see My hand begin to move for you on an exciting level. So move forward and see if [what] I have said is the truth and that I am faithful to perform that which I promised.

When you forgive those, from a distance, whom you plan on talking with, then you will find that you have strength working in you because you let Me begin to work in you. So when you talk with them, you are not going to be the same—you are going to be able to forgive them and to let them go.

PT110828A – Aug 28, 2011
We Are Headed in the Right Direction

He is delighted because we took a turn—went through a change. The change was a qualifier that would cause Him to be able to take us to a place where He has been wanting to take us but couldn't. And a lot of what we know they are coming for [in the outpouring] and what they are looking for, a lot of it is in this very next place.

Well, He is happy because we somehow took a little turn, somehow, in the right direction and we are now heading that way.

PT110828B – Aug 28, 2011
I Am Closing Some Wounds

There is nothing too hard for Me. I give you power over all the power of the enemy that he by no means can hurt you. There is nothing that is too hard for Me in the thing that I do, for all that I have done for you, I have made available to you.

I said these things to say this: Today I am reaching down with healing power, and I am closing some wounds and replacing what was there with the steadfastness of My love for [your] recovery.

What you will feel is a great peace that has exceeded anything you have walked in, and this peace will sustain you while I finish digging those roots out that do not need to be there, says the Lord.

PT110828C – Aug 28, 2011
Be Strong and Take Your Training

Some of you said in your heart, “What kind of days are these?” Do you know the times that you have waited out? Many of you have waited for some time, but in this time I was maturing and training. And for you who do receive My instructions and receive them in the due time that I have prepared for them, you will go into the places I send you, and you will cause Me to be able to show up there with signs and wonders that are irreconcilable outside of Me [i.e. can only be done by God], that are impossible [in the natural]. And I will deal with many, many false religions in that day, which is not far off.

So be strong and take your training, for when you go, it will be no small thing.

PT110828D – Aug 28, 2011
You Can Use Truth and Change Things

Editor's Note: The following was before prayer concerning revival in other nations.

As you have learned truth, then you know truth and you can use truth, and you take what My Word says and change things.

PT110828E – Aug 28, 2011
You Will Notice a Change in Intercession

Part of this day that I have been waiting for is not just the intercession that has changed you as you have gone from glory to glory. I have been changing you. The intercession—it placed Me between you and the problem that was being destroyed.

You will notice a change in the intercession, for many of you will notice that I will be slipping in between you and the problem that is keeping a raging revival from exploding. This wasn't a Tulsa-based prayer. This was an individual-based prayer, that when you go somewhere, you will find yourself going into intercession and taking down whatever is between you and that revival that God wants to pour out there.

PT110904 – Sep 4, 2011
Catapulted in the Right Direction

Be encouraged. Some of you have not been this way before. You have not come past these things, but I have many times, many times throughout the centuries, and I saw the victories, and I saw the defeats. And the common things that caused the defeat, He says, we have and we are gaining great victory over those things.

So no matter how it looks with your eyes through this passage, we are just going through a passage—however it looks to you through your eyes or feels to you in your feelings or anything, you might as well just have a little party. Shout and glorify God and magnify Him because we have already been catapulted in the right direction.

PT110911– Sep 11, 2011
Believe—Is There Anything Too Hard for Me?

Are not all things possible to him that believeth? And he who comes to Me, do I turn him away?

So believe. So believe!

So believe—is there anything that is too hard for Me? And there is nothing that I will ask you to do that will be too hard for you. Only stand up and be strong, for in these last days, things are going to get interesting as far as you are concerned, says the Lord.

PT111002A – Oct 2, 2011
You Will See Many Rise Above the Darkness

He gave the instruction for not “forsaking to gather yourselves together” because the Word, the strength, the move of the Spirit—all those things that were there to keep us built up and always ready for anything the devil or circumstances want to say or want to do. But what He went on to say was: The truth of the matter is, you can walk there yourself with those things under your feet. This is what I do to those who become most powerful in My Presence—I will send them against the oppositions where others have failed.

So be strong and know that I have an agenda. I desire that no man be lost. So be strong, for I am your Strength, and when I am your Strength, you can be strong. And understand this: I am not the one holding back the equipping, the gifting, the anointings. When these are loose, I harvest—I am not holding it back.

People let those things destroy them, but in the teachings and the Presence that is coming in this generation, you will see many rise above the darkness, lay hold of what I have for them, and be victorious in this last day great harvest.

PT111002B – Oct 2, 2011
In This Process of Mortification

Some of you have come looking for what you know not, but you are looking for and desiring, earnestly coveting the ways that you can come to Me. And there is a spirit present, and not here now, but present in his operations against people, saying, “It is getting too late. Nothing happened in the first part of this and the time is getting too late, so what makes you think that you will change and operate in heavier anointings and callings and fulfill things if it didn’t happen in the first part?”

For whatever dispensation that you are going through that I am ministering under, the enemy will come and [try to] discourage in different ways. Even if you are just beginning, he will [try to] discourage [you] to get you off the path and steal the Word from you so you will not accomplish more. If you accomplish a little more, then he is waiting there with another set of principles to try to stop you there. Even at great times of victory and great harvest, he has even convinced those who were harvesting that they were something that they were not.

So hear what the Spirit would say: In this process of mortification, when you pray in the Spirit, don’t you know the mysteries you are speaking is everything I am in you and to you and through you, the hope of glory? And know you not that when you get to the place of glorious harvest and power that I will already have taken care of those things in you that needed to be put to death that you might finish your course?

PT111002C – Oct 2, 2011
If You Have No Fear, You Will Not Fail

For it is a hard concept, not easily understood where turmoil and unrest prevails, that My love truly, truly casts out all fear, and truly, truly, it never fails. For if you have no fear, then you will not fail.

PT111002D – Oct 2, 2011
An Established Communication

This is an established communication so that I can interact with you anytime, anywhere that I can get [what I need] from [you] by interacting and influencing these tongues to pray into areas that I would have you go and to defeat things that you don't even know need to be defeated.

For this form of communication meant everything for the success of the [early] Church and means everything for truth that will prevail in these last days when I come for My Bride, My Church, says the Lord.

PT111002E – Oct 2, 2011
This Language of Power

As I said, this language of power is such a benefit and an aid to Me, for many preach so many things that are mixed with untruths that the water becomes muddied and faith is destroyed. And as they travel down their own paths, they take part of what I said here and part of what I said there and they try to make truth, when the whole time I have given you the Teacher, who is commissioned to guide you into all truth.

And why would I do that and not create a path to the Cross that is as sovereign and finished as the Cross itself? And when you get on that path, that is where you will go on purpose, just because you set yourself to go there. Meaning: It is a direct path to everything He is and everything He has for you. It is a direct path, and getting on it is just as on purpose as you getting up in the morning.

PT111002F – Oct 2, 2011
You Are Within a Capacity of a Great Move

When I am able to interact with you, when your needs come up before Me and I am able to respond to them because I have a voice, aren't these things benefits? And who is it who has told you that those things have passed away through the centuries, away into darkness?

Oh, hear what the Spirit would say: There are those of influence who do not believe what My Word says, yet they are people of influence. But I will have My way because there is a people who are coming up who have set themselves and dedicated themselves to the path that brings them to who I am and what I have said. And you will see that I will pick Mine up with great signs and wonders. I will prevail in many, many dark places.

I said that to say this: That you are within a capacity of a great move which will eradicate much of the darkness that is. For did I not say that knowledge would increase in these last days? But there will be those people who are My people, who will raise up and take extreme advantage of knowledge for a time, and in this time, all that I am and all that I say and all that I do will be available to the hearer of My Word.

And “the hearer” He is talking about is [the person] who is listening to [His Word] in his house on the other end of the electricity [some form of media].

PT111002G – Oct 2, 2011
Glorify Me—Loose Me to Come and Rescue You

Do you think that I don't hear your thoughts? When what you are thinking and what you are hoping for, when it comes across My line, the things that you classify as prayer and reaching out to Me are the things I respond to because of the faith that is present and what you are asking Me to do. But think not that I am not aware of all things, for I am.

So hear what I say to you: Move forward. I know what the future holds for you and I know what you are capable of and I will give you all that you need to do all that I have called you to do.

So be strong and glorify Me, because in doing so, you loose Me from the circumstances you created to come and rescue you.

PT111002H – Oct 2, 2011
Revelation Is on Purpose

Without [you] knowing it at times, the way that I move, I do so in the process of teaching so you will understand that you don't have to walk down the path the world has provided.

Revelation is on purpose. It is as on purpose as your walk, and it is as on purpose as the Cross that I provided it for.

You don't have to wander around not knowing where you are going or what to do. We didn't establish things that way, for even now, where I have freedom to move in your midst, I am able to explain things—things that can stop, things that can put lives on hold, things that can lead you down the wrong paths.

For when I am free to express Myself, do you think that I let error go on when there is some correction I can bring? No, it is not I who does this—it is the failure to let Me move in your midst. For when I have freedom [to move], you will know what I have for you, says the Lord.

PT111002I – Oct 2, 2011
Do Not Condemn Yourself

If you are believing God to be free from anything—don't pick on anything right now: not the disease, or are you stubborn or you don't like to serve Him past a certain point because you have to give up this and that and this? . . . Do not condemn yourself. For in this world, wherever you walk, things of temptation will be offering themselves to you, and to condemn yourself and to judge yourself because these things present themselves to you is not Me. I am your Strength.

The devil will circumstantially continue to throw temptation your way. His attempts are not for you to be condemned over, for he will persuade you through much temptation that this is actually you, when it is not. Therefore, pull the blinders off and look up into Heaven and say, "I am not going with this. I am going with You, Father God. The devil can do what he wants. I am not going to be condemned for what he is trying to get me to do. What I am going to do is get up and take a step in Your direction."

So you laying around and crying and bellyaching about it isn't doing you any good. You have to get up and know you are already free. You are not condemned to lay there.

PT111002J – Oct 2, 2011
You Can Know That He Is Healing You

He has been healing many of you as you have been sitting here, and in the future, He intends to do more, only amplified—amplified—an amplified version. So you can know that He is healing you. He is just moving through, just because we are occupying a building and inviting Him to do so.

PT111003A – Oct 3, 2011
My Spirit Takes of Mine and Gives It Unto You

What men have for Me is their love, their worship, their service. What I have for men is all that I am, all that I do, all of My love. There is nothing that I hold back from you, and this week there will be truths spoken from the utterance of My Spirit, both in teaching and in prophecy and exhortation, that will propel you forward into a new place in Me—into a new strength, into a new ability.

This week I have waited for—I have brought together a people whose hearts have been prepared, whose understanding has been enlightened, and now I can bring more preparation, more enlightenment, more revelation of My purpose and My plans and the place that you hold in Me.

Nothing is impossible for those who believe, and I am raising up a generation who believes that all that I say is truth; a generation who understands that it is not by might, it is not by power, but it is by My Spirit that all things are done. This is the generation who is understanding the fellowship of My Spirit, which I established when I founded My Church, and have been in the process of reestablishing as the true foundation of My Church. It is not by might, it is not by power, it is by My Spirit that all things are done.

I am the Head of the Church. Man's place was never to run the Church without Me. Man's place was to walk in fellowship with My Spirit, through whom I do all things. My Spirit takes of Mine and gives it unto you. He shows all that I am and all that has been given to you in the Father through My life in you.

This is the generation who will walk as men have not walked for a long, long time. This is the generation who will show to the powers of darkness the wisdom that is in Me. I am the God of impossibilities. I am Love. I am Truth, and the only way is found in Me, and the works that I do through this generation will truly reveal these things.

Look up and see the power of My love that changes all things. Run forth into who you are in Me. The way is narrow, but the gate is opened wide into these things, and you

are being ushered into a new hour of knowing who you are in Me, and in greater degrees you will walk in these things of not by might, not by power, but by My Spirit you do all things. I am so pleased.

PT111003B – Oct 3, 2011
You Never Walk Alone

My plans and purposes for you this week are sure to bring you to the place in Me where you are secure in My love for you. Secure as My child, knowing without a doubt that I am your Father, and absolutely everything, every step I have planned for your walk with Me—I have designed each step to strengthen who you are in Me.

The path I have laid before you is a narrow one. Take My hand and we will walk it together. Never do I leave you. Never do I forsake you. You never walk alone. Never, ever were you called to walk alone.

Rise up and walk in the truth of all that I have said about you. Believe it. Speak what I say about you, and the lies spewing from the enemy's mouth will fall on ears that are in tune only with the voice of your Shepherd, and Him only will you follow.

PT111004 – Oct 4, 2011
I Am Uprooting Some Long-Standing Things

You say you want to be free—know that mortification by My Spirit is the way into these things, and rest assured and be encouraged—I am in the midst of uprooting things.

Many have tried and many have failed in their attempts to be free. The mortification that comes through fellowship with My Spirit is the necessary thing. Your paths have brought you to this place where I am uprooting some long-standing things.

Know this: This mortification will affect more than one thing, for the roots that are being pulled up are feeding more than one thing. So as you walk into more freedom, you will note that My workmanship has indeed affected more than one thing.

Repeated attempts and repeated failures are seeing their end as I uproot things, and Fathering you is what I am doing in this uprooting. Run forward into Me by My Spirit into this uprooting, for comfort by My Spirit is what I bring and a much deeper strength you will know in Me.

On this path of mortification that fellowship with My Spirit brings, there is great encouragement that I will give you in the midst of what I am doing. And the greater part this uprooting brings is a much deeper understanding and experience of My Fathering, for Fathering you is what I am doing as I uproot things. It is mortification by My Spirit that gives Me a way into your lives to do all of these things.

A life full of My love is a life that is free—a life not fearful or worried but confident and at rest in Me. This pathway into the fullness of love and the freedom it brings is through the fellowship that My Spirit brings, for in this fellowship, He is also mortifying things. As everything about you becomes all about your life in Me, you will know the joys of being absolutely free.

Know with a certainty the joy this gives Me to be able to say these things, for many are at the threshold of much, much more of Me, for I am truly uprooting things.

PT111005A – Oct 5, 2011
The Greatest Witness to the Truth

Know this: That the greatest witness that you have to the truth is that witness that is within you, says the Spirit of Grace. In these days of your life, whether on the path for a good while or beginning now, know that the lamp of the righteous burns brighter and brighter unto a more perfect day.

So the confirming to those of all who have been and those who are now joining through the witness in the secret place, is to you an extension of My hand as your Father, concerning the hunger of your heart. And those who have known are only increasing, and those that have come will find a path. Know this: That I have designed this path for those who are hungry and those who are thirsty—they will be filled, says the Spirit of Grace.

So in those secret corridors of your life and those things behind the scenes where no man has the answer for you, where continued discussions cannot confirm, know this: That in this hour and in these days that I call now, confirming these things to you by quiet witness of the Spirit, trust My witness of the Spirit. Joy in the confirmation of your future. Joy in the confirmation of the salvation of those whom you hold dearest, says the Spirit of Grace.

Enter in with great rejoicing to that which is called revival, but know that the revival that I desire burns first in your homes, in your lives and those closest to you. I have designed this from the beginning and I have a voice now to speak these things among many. So rejoice in these things, says the Spirit of Grace.

PT111005B – Oct 5, 2011
My Word Defines What Is Possible

Are not all things possible to him that believes? So why do you decide what is possible and what is not? My Word defines such things.

Do what I say and you will see—you will free Me to move anyway I can.

PT111005C – Oct 5, 2011
I Cannot Love You More—I Am Love

In your walk, I cannot love you more than I already do, because I am [Love]. And I love to shed that love on you in manifestation, when you can receive it.

There is no greater joy for Me [than] to fellowship with you on the level of My love.

I am Love. I cannot love you anymore, but you can stop and find out how to receive more of the love I have already given you.

PT111005D – Oct 5, 2011
You Do Not Draw on Me in Your Own Strength

Editor's Note: The following was during an exhortation on praying in tongues and private worship and, if necessary, taking a season of private worship to break into it.

For even through this, you will be assisted in coming to the forefront of even the operations of the diversities of tongues. For in this gifting, I use this [diversities of tongues] for all kinds of information, and I use it to inform you and to establish and even bring revelation knowledge forward. There are many diversities to the supernatural language, even the addressing of the heathen in their own language by yourself.

So rejoice and know that the closer that you draw to Me and My love the more I am able to trust you and turn you loose with different things, says the Lord.

For you said, "I have made my mind up so many times to discipline myself and each time I failed, but this time I am thinking I have to get beyond this. I have to not fail this time. I have to stay in until I reach my course."

Do you think for a moment that I don't hear the request of a heart like this? Rejoice, for I have grace that is sufficient for these things, for you will not draw on Me in your own strength, you will draw on Me in the strength of the grace that I give you in the standing of My Son.

Do you think I am preparing you for nothing? I am preparing you for these last days, and to obey Me now is to take a step forward so you will be on time in your timing, if you discipline now. Receive My grace and move forward.

Don't you know that the more that you mature in worship, the more fear you will defeat? Be a champion and come forward without fear.

And don't you know, in the sufficiency of My grace, you will not fail? Strengthen yourself. Strengthen yourself in Me and say, "I have Your grace. Therefore, I am strong."

PT111005E – Oct 5, 2011
A Benefit of Those Who Edify Themselves

Editor's Note: The following is in reference to following the leadership of the Holy Spirit.

He said you don't understand the time that I put in to learn to begin to move and operate this way back and forth by hearing Him, making each move according to what He is saying.

But it is a benefit of those who edify themselves through this simple gifting. That when you move forward with this key that casts out fear, you will see, you will be able to tell because your confidence will be boosted higher because you lost your fear of failure.

He said He waited long enough for me to understand this that I might teach it to you so you will not fall over it.

PT111005F – Oct 5, 2011
He Loves You Beyond What You Understand

He does want you to understand this: That right now, He loves you beyond what you are able to understand.

PT111006 – Oct 6, 2011
He Is Searching You

Editor's Note: The following was before prayer for the prayer requests in the Prayer Box and concerning prayer cloths.

He loves when you do things that cause Him to be able to find something He needs to do something with.

These [prayer cloths] are not coaxing Him, [as in,] “Let’s see, can we get God to move? Let’s figure it out. Maybe if we just do it a certain way, He will move.”

No. He is actually searching you, trying to prompt you to give Him something that He can move with and do what He has already done.

PT111007A – Oct 7, 2011
There Is No Disease Beyond My Love

Is there anything too hard for Me? No.

Is there anything too hard for Me? No, there is nothing too hard for Me, *He says*. And there is no disease beyond what My love can appropriate and answer for.

PT111007B – Oct 7, 2011
It Is His Great Pleasure When He Does Things for You

He is expressing His pleasure. It is stronger than that—it is His great, great pleasure when He does things for you, when He is able to do things.

The second part was an instantaneous description of religious gatherings where He is totally programmed out—that nothing brings Him more joy than to be able to perform the things that were provided.

PT111009 – Oct 9, 2011
When All That I Am Is Released

For the present, in so many places it is hard for Me to move because all of them [I want to move through] are set in a certain place, and they are neither moving backward nor are they moving forward. But in the places where I can find the freedom to move, many have excelled and have come to places they never operated in before so that they know how to move forward in a standard and do things that will produce results.

But I have desired a move of My Spirit, an unlimited powerful move of My Spirit where I am free to manifest Myself in who I am. And you will see—you will see, for many think it is impossible to see what you have been seeing, but it is not. When all that I am is released, no hospital, no devil or institution of insanity can escape who I am, says the Lord.

PT111023A – Oct 23, 2011
I Will Be Opening More Things

I will be opening more things—things that couldn't be understood but will be and, now [will] come to light. For these things were buried in a certain level of My love, but many of you will understand them as you move forward into things that few people have moved forward in. *So rejoice and be exceedingly glad and worship and glorify Him, because He waits for this.*

PT111023B – Oct 23, 2011
That Place Where I Have Set Everyone Free

If you only knew the love that I have for you, you would also know, as hard as you are reaching for Me, I am on My way, coming to you.

There is no good thing I withhold from you. Come where I am and you will see: There is that place where I have set everyone free.

PT111026 – Oct 26, 2011
Hurt, Betrayal and Offense Are Resolved in Me

There are factions, and there are wounds and hurts and offenses which have not been given to Me—man is looking to man to rectify these things when their eyes should only be looking to Me. The enemy has come and is putting pressure on these things and more factions is what he brings. His intent is to bring the kind of pressure so that those who are wounded, hurt and offended won't continue into Me but will be driven out by these things.

Wounds and hurts and offenses are only to be rectified in Me. The arm of the flesh wants man to rectify these things, but these things are only to be rectified in Me. I am the Healer. I am the Restorer. I am the One who paid the price for all of these things. If men continue to look to men, they won't find their way into the deeper places in Me. The only way into the deeper places in Me is to bring all things and lay them at My feet.

Surrender is the only way into the deeper places in Me—willingness and humility to let Me be the One who brings healing and restoration and a resolve to these things. True resolve is only found in Me. A heart that looks to Me is a heart that will look to My way to resolve these things.

I have paid the price for all things. Hurt, betrayal, offense—all of these are resolved in Me. I have healing for these things. I have the kind of restoration that man can never bring. My healing and My restoration are complete.

For those involved in factions and divisions—your hurts, your wounds, the offense—the answer for these things is in Me. Man cannot give you what I bring. I bring healing and total restoration for these things. You will have to choose to bring these things to Me and to cast the care of them at My feet and to choose to come to Me for healing and restoration and the resolve of things.

My resolve is to heal you and restore you and bring My mind into these things. My resolve is to help you see like I see as you receive the love that is found in Me. For

healing of wounds and hurts and offense, you must come to Me. I am the only One who can bring the resolve that you need. I am the only One who can move you past these things.

I invite you to come. There is grace for these things, and in this grace, factions, division and offense will cease. Come, I have restoration. I have the way to resolve these things—it is found in your fellowship with Me.

Forgiveness and Faith

Editor's Note: The following was after a time of exhortation on forgiveness and not holding ought against anyone.

He said He had me—which I was obeying Him—to alert you to these things, because in the future, these principles will play a stronger, stronger place than probably few times in history [have].

You will be hearing more about it because it is the honing of the walk when people cry out, “Well, the faith message doesn’t work!” It is the honing by the rock that gets rid of everything that held anything back, and those are the major things.

Love Never Fails and Has No Fear

He is going to get to add more to the foundation because of the recent, more thorough understandings of His love—we know it never fails, never fails, and it has no fear. If I am not going to fail, what am I afraid of?

Endurance Holds a Strong Place

Editor's Note: The following was spoken after an exhortation on the love of God and revival.

As time goes by, you will be able to understand more and more, says the Lord. And as I am able, I will reveal things to you pertaining to these things, because not only is your revival at hand, but did I not tell you from the beginning that the word “endurance” would hold a strong place?

Obey—By This You Will See Much Fruit

My Church is at a crossroads and there is a danger at this crossroads where many are standing. The danger is that of not choosing to move forward in Me through inactivity—not doing that which is known to do to move forward in Me. Many are at a

juncture and there is grace to move forward into a place in Me that I have longed for My Church to occupy.

This is a time of a forward move into a place in My love and My truth which the Church has not occupied for a long, long time, and the only way into this place is to follow My Spirit in that which He instructs you to do. The instructions you have been given are the steps given by My Spirit into the next place in Me. It is all about Me and you—more of Me in you and a greater depth of My love in you and to you, as well as finding a greater depth of love for Me. It is a great time to be in Me, but it is a time of decision.

The decision is, will you do all I have called you to do and obey My instructions to you? If you say you have not heard My instructions to you, simply look to My Word. Build yourselves up, My beloved; pray in the Spirit; be kept in My love. Sing to yourselves in psalms and hymns and spiritual songs and worship Me in spirit and in truth. Take My Word and speak it, being filled with the truth of who you are in Me.

I wait for a people to come forward in Me and see like I see and move forward in greater power and wisdom, bringing the Kingdom into manifestation. I wait for the maturing of truth—the truth that brings you forward into who you are in Me. The fast shall surely surge forward by My truth and what they do with My truth. It is an hour of decision and a forward surge in Me.

Take note: The surge forward may not be apparent to you at times, but know this: As you obey, My Spirit will perform My work in you. You are My handiwork, and My work you will see is the result of obedience to My truth. My Word is truth and My instructions are true. What I say to do—do, and great will be My work in you. For My life in you comes forward not by any might or power on your part but by My Spirit working in you. Allow My work in you by My Spirit, doing what you know to do, and obey My instructions to you. By this you will see much fruit.

My life in you is true, and it is time for My life to become much more apparent in each of you. Take My words to you and partake of them and obey all I say to you. Take the journey into more of Me, more of My life, more of My truth in you. There are great things on the path ahead of you.

Massive Moves and Understandings of the Holy Spirit

Because of the abuse and misuse of the giftings of the Spirit the enemy has been able to talk many, many moves back to a stagnant state, but there is much, much that I desire to say. There is much I desire to teach. There is much revelation of present time that I yearn to reveal, but most of the time, I am cut off from speaking, for the enemy will take a routine from one step to the next to the next until My mind is programmed out of it and I hardly ever get to speak to the gathering of the people in My Name.

You keep going in the direction that you are going and giving to Me what I need to do what I am going to do—you will see, the outpouring that is coming in these last days will include massive moves of My power and understandings of the Holy Spirit.

Keeping the Order the Holy Spirit Sets

Editor's Note: The following was spoken after some testimonies were shared.

First of all, know: This doesn't happen all the time, but there are times when He does come very powerfully, and He wants us to know His mind for The Prayer Center and for the city.

For those thoughts that were going array [about the testimonies]—we keep order, in fact, the order that we keep is the order that the Holy Spirit sets. For after all, it is us meeting with Him; it is not us meeting and programming Him out.

What a Delight to Fellowship With You

What a delight. What a delight to commune and fellowship with you on a level of understanding, says the Lord.

Huge Doses of My Love Are Coming Your Way

As the future unfolds, you will understand and you will see and you will also know why the love of God plays such a major role in what will unfold in these last days. So open your hearts and open your minds, because huge doses of My love are going to be coming your way and will cause unusual happenings and things to take place, but it will be Me. You will know, because it will be grounded and rooted in My love.

He said: The way you will be able to tell the difference in this kind of love—Mine, the love I give unto you—[is] that it is resident in your newborn spirit. And when it is increasing, you will know so because you will begin to love the people you didn't love.

PT111204E – Dec 04, 2011
The Power and Availability of the Love of God

I am under obligation to tell you—the tongue—it was expressing the power and the availability of the love of God. Usually, it is not fully recognized in this generation. But I don't think we are going to let it escape this one [this generation].

PT111207A – Dec 07, 2011
Comprehend the Inheritance

The word I hear is “comprehend,” to comprehend the inheritance. There is no avenue to do it apart from His love. It can't intellectually happen. It comes by His love becoming one with you, or it doesn't come. You just never know about it.

It doesn't mean that you're not going to Heaven; it doesn't mean He doesn't love you and is helping you and is blessing you. You are the apple of His eye—you are.

Receiving From the Depths of Love

Oh, the love, the love, the love, the love! When My people see My love through the brightness of the light that is beginning to shine within them, they will also be receiving from the depths of this love in this place of revelation they are walking into. And as they drink of My love in this place, the change they experience will be dramatic, and My power that will accompany the change will be **GREAT**.

Your Eyes Will See What Your Heart Knows

You can rest assured that when He is freed to move by the true compassion, [it] comes from the work of the Spirit—the love of God: Your eyes will see what your heart knows that I can do, says the Lord.

PT111218B – Dec 18, 2011
There Is No Limit to What I Can Do

How far can He go, really? There is an abiding Presence in Him that there is no limit. You have the truth. You have My Word. There is no limit to what I can do.

Many Will Learn Who Their Teacher Is

Editor's Note: The following was spoken during a prayer line.

This is the kind of edification that He is praying. In other words, I am interpreting what He is saying as I am praying along here, because it is for prophecy, but it is still in a form of a prayer. For these days, you will rejoice greatly, for history repeated itself several times, because those who won would teach those to win whom the devil would come in [against] again and again and use the tools of his darkness. But I say to you: In these last days, because of media and the capacity and the volume of truth that can be passed out to the entire world at one time, this is a day that truth will be so readily available that many will learn who their Teacher is, and they will begin to walk as the Holy Spirit guides them. And you will see some very powerful last days, says the Lord.

God’s Love Has Already Met Your Needs—Abundantly

He brought me back to tongues a minute ago—this one has to do with resources. How would I use the word, that dirty, old word—money? When He taught on unrighteous mammon, He listed it—you cannot serve God and mammon. So He listed it as a worthy foe that probably defeats more people than almost anything.

But in that prophecy, or part of that interpretation that He had me wait on there, He said to tell you that this is why a great, great, incalculable abundance will be poured out to meet whatever is needed. And for your knowledge, that also includes those whom you are believing for in the realm of healings. Because all of it is tied to the increase of the operation, freedom, and compassion that is a result of you actually receiving and operating in more of the tangible Presence of the love that I have for you that has already met every one of your needs—abundantly.

What would easy times or hard times have to do with it? I mean as far as God is concerned, what would easy times have to do with anything? What would hard times have to do with anything?

So in those things, do—do what causes you to continue to increase in the walk of My Spirit, the walk of power, and the fellowship that you have with Me in worship. Do—do these things that I might pick you up and abundantly bestow those things that are the benefits of My love, says the Lord.

This Is Why You Can Finish the Course

For truly, for truly, greater is He that is in you than he that is in this world. This is why you can finish the course I have set you on with victory.

You’ll see, you will be pleased that you stayed with Me and worked My mysteries and walked in the understanding of My wisdom in these days to come. You will rejoice.

So be strong and rejoice every inch of the way, and know that no matter how hard the enemy hits, I have already won for you, says the Lord.

He Hates Your Pain and Sufferings

Editor’s Note: The following was spoken during a prayer line.

Of course He hates your pain and sufferings. That is why He went through it Himself—for you, for you.

He said He loved you; there was no other way. There was no other way to get you back—know that. Get it into your faith.

PT111228C - Dec 28, 2011
He Is Pleased With the Progress of Things

He said He was quite pleased—not just tonight. He was quite pleased with the progress of things and quite pleased. He said He is pleased that joy—I mean the real thing: taking pleasure in Him, in His Presence, in His grace, when everything in the natural tells you it has won.

Oh no, you haven't. No, and it's not even a "Not yet, you haven't." It's not even any of that.

So that basically was in that interpretation edification. It was [that] He is very pleased to be able to minister and to say some of these things that He is saying now. He is very pleased that you are far enough [along] to hear it.

PT111228D - Dec 28, 2011
Keep On—Stay With Him

Keep on. Rejoice in your victories, seen or unseen, and edify yourself and meditate on My Word, and you will see, no matter what you are called in—what side of ministry or not ministry—you'll see: You do those things, and whatever you do, you are going to come out and come out better. Even if it is persecution, all kinds of things trying to happen to you—get framed for something you didn't do and all of that—stay with Him, stay with Him. He has the answers.

PT111228E - Dec 28, 2011
He Doesn't Delight in Your Suffering

He delights in lifting you up and in your fellowship. He doesn't delight in your suffering.
