

## **The Lord's Present-Day Speaking**

**PT110223 – Feb 23, 2011**

### **Your Adventure in Me Has Barely Begun**

I am the Lord thy God. I will restore the joy of your salvation, for your adventure in Me has barely begun.

The ravings of the lunatic enemy, they bear no weight. Hearken unto Me and I will lead you into every victory. Lift up your heads. Don't let them hang down. You are My joy, My crown, My treasure, My pearl. With great price I purchased you, and I will not forsake you now.

Rejoice! And again I say, rejoice! Lift up the feeble hands that hang down. Rejoice, I say.
