I Bore Your Sicknesses and Carried Your Pains

Editor's Note: The following was during a time of prayer for healing from the flu virus.

Sometimes things that are simple, you tend to excuse, or for things that will wear themselves down and go, you tend to excuse. But know you not that what I did for one thing, I did for all things? I provided this for you, and it is My blessing to you, for I bore your sicknesses and carried your pains; therefore, you **ARE** healed.
