

## **The Lord's Present-Day Speaking**

**PT110303A – Mar 3, 2011**

### **Keep Walking—You Will Overtake Your Dreams**

*He is saying*, Don't be concerned. The dreams that you have, they are in front of you. They are on the road that you are walking on, and if you keep walking, you will overtake those dreams and they will come to pass.

It is not your place to make those dreams come to pass, but if you keep walking [on the path], you will overtake them.
