

The Lord's Present-Day Speaking

PT110310 – Mar 10, 2011
The Revival of Your Own Heart

Enter into My river of love through worship and you will see your own revival, and your part of My larger revival.

Do not discount the revival of your own heart in this coming revival. It is vital and stands side by side with the larger, wider work. It is My will that all enter into revival intimately—with Me.
