**Love Is Perfect and Casts Out Fear**

About His Presence, He says He has more to teach us, and these are some areas we are looking for because we are looking for results we have not seen before. But wait until you understand what some things have to do with your faith.

One basis for My peace is for you to truly believe in your heart that whatever happens, I am still able to move. And the love that I can teach you to walk in is perfect, and it casts out fear, for without fear, why wouldn't you have peace? For you have peace because you know that I am able to do whatever I said that I could do.
