I Expect Much: Establish Yourself in Truth

I expect much, says the Lord, for whenever I have truth [for you], it is My desire that this truth be taught and that this truth be acted upon and that this truth spread to as many lives as can possibly be spread to by the present tense of what I am working in.

For many of you are sitting on calls that in your thinking, it is beyond anything that you would dream of. For it is [up to] you to establish yourself in truth, and there are many here, more than you imagine, [who] will establish My truth with the signs and wonders to follow. In fact, you will say before this is over, “I am full. I am full. I fulfilled everything that You had me to do.”

So be strong and know, when you are changing a path that was riddled with religion to [a path full of] the Teacher—the Holy Spirit who is Truth—then you are going to be fought. But stay steadfast—keep your feet on the rock, for there are many signs and wonders going around you now that were prophesied about in times past. So know your time is near. Be strong.
