

The Lord's Present-Day Speaking

**PT110511A – May 11, 2011
In Between Two Places**

He said we were between two places. We are leaving the one and going to another. So don't be dismayed. Don't look at anything negatively.

Trust me when I say this is as supernatural as if people were trying to get off the freeway to get here. This is just as supernatural in the fight he [the devil] is putting up as the revival will be and is.

So we are in between.
