### **My Spirit Takes of Mine and Gives It Unto You**

What men have for Me is their love, their worship, their service. What I have for men is all that I am, all that I do, all of My love. There is nothing that I hold back from you, and this week there will be truths spoken from the utterance of My Spirit, both in teaching and in prophecy and exhortation, that will propel you forward into a new place in Me—into a new strength, into a new ability.

This week I have waited for—I have brought together a people whose hearts have been prepared, whose understanding has been enlightened, and now I can bring more preparation, more enlightenment, more revelation of My purpose and My plans and the place that you hold in Me.

Nothing is impossible for those who believe, and I am raising up a generation who believes that all that I say is truth; a generation who understands that it is not by might, it is not by power, but it is by My Spirit that all things are done. This is the generation who is understanding the fellowship of My Spirit, which I established when I founded My Church, and have been in the process of reestablishing as the true foundation of My Church. It is not by might, it is not by power, it is by My Spirit that all things are done.

I am the Head of the Church. Man's place was never to run the Church without Me. Man's place was to walk in fellowship with My Spirit, through whom I do all things. My Spirit takes of Mine and gives it unto you. He shows all that I am and all that has been given to you in the Father through My life in you.

This is the generation who will walk as men have not walked for a long, long time. This is the generation who will show to the powers of darkness the wisdom that is in Me. I am the God of impossibilities. I am Love. I am Truth, and the only way is found in Me, and the works that I do through this generation will truly reveal these things.

Look up and see the power of My love that changes all things. Run forth into who you are in Me. The way is narrow, but the gate is opened wide into these things, and you are being ushered into a new hour of knowing who you are in Me, and in greater degrees you will walk in these things of not by might, not by power, but by My Spirit you do all things. I am so pleased.
