Present-Day Speaking

PT120108 – Jan 8, 2012
By Your Own Words

Editor's Note: The following was during a teaching on faith and confession.

For truly, truly by your own words you have held back My hand.

PT120122 – Jan 22, 2012
Operating With a Boldness and Confidence Inside

I don't move one part forward without moving the other part. When I do move a part forward, that means the other part is within range of being moved forward. But rest assured, you are about to see things that you have not seen before. But, then again, you are going to rest in an anointing and operate in a place that you have not known before—*oh, this one is in picture form*—with a boldness and all confidence inside of who you are and what He has done and what He will do becomes resident in this move.

Because you overcame the fear of approaching somebody out there who is sick, walking along with a limp leg, saying [to him], "Excuse me, sir, but I have been born again and Jesus is my Savior, and He said we can lay hands on the sick and they will recover. I would like to pray for you if you will let me." And you pray for him and then you think about it [as] he runs off with a good leg—how's he going to tell his friends [what happened]?

But I saw you and heard it. That's where you are heading if you want to go.

PT120129A – Jan 29, 2012
Come to Me As Your Father

Come to Me as your Father. Come to Me as your Father and your Lord, for it is I who has set you free. This freedom is already an established fact. Come into agreement with Me and enjoy the freedom and liberty of My truth.

PT120129B – Jan 29, 2012
You Will Know That Provision Has Been Made

Know this: The things that I have said, I have said them because they have been called into being. So hear what I would say, for the Earth, the cultures, the civilizations are going to go through a time and there will be horrible famine and lack here and lack there, but know this: In this place that I am bringing you to [is] where you will know that provision has been made; therefore, you will walk in the revival places where people are making decisions to come to Me by the thousands.

Famine and lack will not bother you because this next realm which [en]compasses more and more of My love never fails nor does it have any fear. So be bold. Hold onto your path even though it seems to get narrower and narrower. Hold on, because great things are ahead of you who stay with Me, says the Lord.

You will be rejoicing over not the lack but the ability to feed people and get them healed.

PT120129C – Jan 29, 2012
You Are Changed, Healed, Supplied, Answered

Editor's Note: The following was spoken near the end of the 10 a.m. service.

In answer to your wondering: When He [the Holy Spirit] came through the crowd, trust me: He heals things. He established things that depression was holding back.

The first thing God gets to do is move in and do what He couldn't because you carried that [depression] around. Trust me when I say, He did a lot of things today. Nobody has been left out.

You say, "Well, I need to get in the [prayer] line. I need to do something." No, at this point, with the teaching of both services, what you need to do is take the Word and worship God, speak it over what you need and thank Him that you serve a God who cannot lie. Therefore, you are changed, healed, supplied, answered.

PT120205A – Feb 5, 2012
The Defeat of Greed

True to much that has been spoken here, He said to add to that: There is much, much that I desire to do, and there is much that I desire to give. For you'll see, when those days of fruitfulness and harvest begin, you will compare the times you went through with what you see, and you will say it was nothing. You will also say, "If I had known that You made available as much as You did, I would have gone on to receive it."

Well, hear what the Spirit would say, for these steps that are being taken into My love will unlock some of these things that your hearts desire to know, and one of them is the defeat of greed.

PT120205B – Feb 5, 2012
There Is Much I Desire to Say

I am saying and teaching these things, for there is much, much that I desire to say, and I never get the opportunity to say them in most order [in the services] of churches. I hardly ever get to speak My mind.

Yes, truths are taught, but I never usually get to speak My mind and My plan amongst you for not only the hour but for what's to come. For it is My desire to be free to manifest what is in My heart and in My mind for you for the very moment that you live in.

PT120205C – Feb 5, 2012
He Wants to Purge Fear

Editor's Note: The following was spoken after an exhortation about God purging things.

He wants to purge fear. He wants to purge fear—I heard it just as clear as you are hearing my voice.

PT120212A – Feb 12, 2012
Don't Be Afraid to Come Into My Presence

I have longed and I have waited for the times that My fellowship would get as rich as it will be when you take the next part of this journey, says the Lord. Oh, you'll be free and you'll see, in the time when most people esteem [it as] trouble, you'll have great peace. So follow after Me and pursue these things I have given to you, such as edification and the revelations of the mysteries and My love—pursue these things. And give yourself over to Me. Don't be afraid to come into My Presence. Be bold. Take your stand. Use My Word and edify yourself. You are not only edifying yourself in the knowledge of My mysteries, but you are also strengthening yourself against the days that come that will accompany revival.

For there will be a period of time when things will be bad and they'll get good, then they will get bad again, then they will get good. There will be a series of time, but you will be operating in the strength of your prayer and the mysteries that you have spoken, and your services with Me and your meetings with Me—you will gather your strength there. And when the world collapses in, you will go higher and harvest greater, and it will collapse in again and you will go higher and harvest greater. So be afraid of nothing and know that you are in a time that has been prepared and made ready since the beginning of the Fall [of Adam].

PT120212B – Feb 12, 2012
You Will Have No Fear and You Will Not Fail

You are lining up to experience what many have lived their whole lifetime [for] and [have] not experienced. But you are in line to see things that few people have seen before, and oh, will you rejoice and be glad. You will lift Me high and worship Me and glorify Me that your eyes got to see such things as you will see.

And know this, that I have established powerfully this path, this door that I have opened to My love. For I am doing this for you also because you will have no fear, nor will you fail. Even when men's hearts are failing them for the things that are coming on the world, you will have no fear and you will not fail.

PT120212C – Feb 12, 2012
I Consider Things in the Highest Priority

Editor's Note: The following was spoken during an invitation to receive the baptism of the Holy Spirit.

These are the things I spoke of, for I consider things in the highest priority, says the Lord, and many things I would have covered, but seldom, *and He does not mean with us—seldom in religion does He get to express His mind.*

PT120212D – Feb 12, 2012
Valleys and Valleys of Answered Prayer in Front of You

For in a time such as this, is there really anything I can't do when I have something to do it with? No. No.

Again I say, No. No, there is nothing too hard for Me. Only believe. All things are possible to you. I can change your situation in a matter of time. There is no problem that is too hard for Me to release what I have in store to do what I have said that I could do about the problem such as you have. For what can be done is what I will do, for there is nothing too hard for Me.

For what calls itself or [is] named "religion" in My Name, they know very little about Me, nor what I can do. They have very little faith, except in the overall picture that by and by they will be with Me. But hear what I have to say to you, that I enjoy the fellowship I have with you on a day-by-day basis and take great delight in fulfilling everything that My Son has provided for you when you believed Me and what I said, says the Lord.

So you don't have to approach Me as though this is a hard thing that you need to convince Me to do. Approach Me steadfast in boldness, knowing what I have done for you, and in doing what I have done for you, it delights Me into performing and doing those things that you are asking Me to do.

So lift yourself up. You don't have to walk in that defeated realm. Lift yourself up and be bold and learn how to practice My Word. Learn how to dismiss pressure and receive peace. Come with Me; you'll see: There are valleys and valleys of answered prayers in front of you.

PT120219A - Feb 19, 2012
I Am Stronger Than All Circumstances

When the devil brings pressure, turmoil, the crying can be in grief, but when I bring My Presence and great joy, there is no limit on what I bring, and your circumstances don't matter.

What I bring is joy, and the kind of tears that are shed in My Presence are tears of healing and recovery and not grief. So be joyful and be strong and know: There is nothing the enemy can do to you in this life that I will not overcome, for I am stronger than all circumstances and I have given you power over all his power.

So rejoice and be exceedingly glad over what I have said about your problem; not what he's trying to do with it, says the Lord.

PT120219B - Feb 19, 2012
Always Know This: I Bring the Answers

The more you get to know Me, the more you will get to know My moves and understand them. For no matter what comes or what you are scared to see on the horizon, always know this: In My Presence, when I come, I bring the answers, for there is nothing too hard for Me. So you be bold and look the enemy in the eye and say, "There is nothing you can do that He has not already done for me, so I am blessed."

For many of you accept defeat and you do so sometimes on the eve of victory. Know that he [the enemy] fights the hardest just before what he is doing is terminated. So be strong and rejoice, and when it gets worse, rejoice harder, for know that I have not changed and My truth is the same.

PT120219C - Feb 19, 2012
Don't Hesitate to Be Bold

I am addressing you, for some of you come with weight. You are carrying something that you don't have to carry, and you carried it into My service, says the Lord. And if you will let Me, I will send it back out. So take heed to what I say and don't hesitate to be bold.

PT120219D - Feb 19, 2012
Take This Time to Surrender Yourself

I will remind you that it is I who set the order of this service, because hearts were crying to Me, and all I need is something to do it with and I received that this morning. Therefore, I am healing you of things that thought they had buried themselves in you and could react anytime that they pleased.

Take this time, take this time—when everything you are doing is not fought—to surrender yourself to Me in prayer and meditation and worship that I might strengthen you against the next attack that the devil is planning [in order] to abort revival.

PT120219E - Feb 19, 2012
My Ultimate Desire

It has been on My heart to say these things, says the Lord, for it is My ultimate desire that you receive the things that I have for you, and I delight in nothing more than to see you receive the things that have been provided for you. So I take advantage of every situation that I can take advantage of, where I get to meet your needs on every level, that you might understand what I have to say in My truth and what I have to say in My truth by the Spirit for now in what you are giving Me to release Me to move for you at this moment.

For this is what meeting together is about. Did I not say not forsaking the assembling of yourselves together? But the Word that was received [in the early Church]

was the Word that was heard, but you are blessed in this generation, for you have My Word with you all the time and can make references to it anytime. But other things still must be done by Me in My Presence [as you assemble together], says the Lord. For all I have ever promised you is yours—your healing, your joy, the peace—everything I provided for you, you can walk in because you have and know My truth. Yet, whenever somebody gives Me something to move with, I will move, whether it's for another person or for you individually believing [for] something from Me.

But rejoice and be exceedingly glad and know that when the price was paid for you, I am always in the truth that it provided on your behalf. So be joyful and thankful, full of thanksgiving and praise, for you are Mine and I am yours, says the Lord.

I Am Here for You

For this I would say to you: What I have for you is hard to understand with your mind, but it is a depth of love, and My earnest desire is to bring you to this and to continue to increase it and increase it on the inside of you. For many things that people are looking for, and end up unsatisfied when it is over, is the love that I have for them.

For these years that have gone by, I have attempted to reveal these mysteries here and reveal them there, but I am able to take these mysteries now a little bit further than I have been able to take them in most places. But you'll see, because they'll affect everything I have called you to do, accomplish or be.

I am never the one who holds back, nor do I pull up short. I am always the One who is there and ready to give you more and bring you as far into Me as you can find the strength to come. For I am here for you and you will find that out now or you will find that out later or you will find that out when you get home, but one day you will find that out.

PT120226B – Feb 26, 2012
Do Not Stop the Edification Process

This is a day, an hour—this is a good time that you begin to pull yourself aside and make it a point, because the enemy is not taking this lightly, for he has plans. But My plans are greater than his and My power is greater than his and I gave you that power over all the power of the enemy. He will come in many forms, in many forms, and one will be real down and out, hopeless, depressed kinds of feelings that get you where you don't want to do anything. *That's one of his big ones.*

Hear what the Spirit would say: During those times, it is a good thing to continue to pray in My language that I have given to you, for no matter what you feel like, you are not affecting the prayer that I am originating on the inside of you. In fact, I am working you for the day that you will be free and receive what I have for you.

You will find out that no matter how downcast you feel, you are still able to pray in My supernatural language. Even if your mind keeps going back to the worry for uncontrolled times, do not stop the edification process, says the Lord.

PT120226C – Feb 26, 2012
I Am Who I Said That I Am

I am able to weigh each of your hearts and I know exactly where you are walking, and I know you. And when you give Me something to work with, then that frees Me to do what you have asked of Me when I have already provided it for you.

It's not My will that you live in pain nor sick[ness] nor depressed nor discouraged. These things are not My will. They are not a part of My nature.

I placed the gifts of the Spirit within the Body, and I have done that so that they help, also, in healings and miracles and even those who have anointings of peace. So all that I do and all that I did was for you, so think not for one moment in your heart that I will hold anything back from you. I will not.

So know this: Fellowship with Me. Fellowship with Me. I love these things. Fellowship with Me. Talk with Me. Walk with Me. I will leave nothing on you that I can take off. So rejoice and be exceedingly glad, for if it is not at this moment, it could be at the next. And if it is not tomorrow, it could be the day after, but remember, I am who I said that I am.

PT120304A – Mar 4, 2012
I Love to Exhort and Edify

I love to exhort and edify, and when I get to speak My mind for this moment, I love these times, says the Lord. There is so much that I want to say.

He is expressing His joy that so much of the training has been through edification: The Holy Spirit, through the understanding of My Word—which is listed as the mysteries, the mysteries were hidden in Christ but now are being made manifest. For you who are speaking these things, it pleases Me much because I am able to edify the crowd when My mind is being able to be manifested for the moment.

So I am pleased with you who have edified yourself to the place to yield to Me that you might exhort what is in My mind for this hour for this city, says the Lord.

PT120304B – Mar 4, 2012
Satisfaction Will Dwell Deep in Your Soul

Many of you are going to be abundantly happy. Satisfaction will dwell deep in your soul, for as things move forward, know you not that you will move forward with them? And I will use what is working in you to exhort, to instruct and even to develop beachheads where you need to know enough that all that I have and am can be exhorted until they too begin to burn with revival fires.

Many of you will be surprised, very surprised at how much you know that when I am coming on you, and the people in front of you need to know what you know, then some of you will find out at that time how much you know.

PT120304C – Mar 4, 2012
I Can Do These Things

Editor's Note: The following was spoken after an exhortation on God's love and the absence of fear.

You must understand that all things are possible to him that believes and I can do these things. I said, I can do these things, says the Lord. And it delights Me when I am able to take a people beyond what is "most" and into what is "more" and turn you loose on darkness.

PT120304D – Mar 4, 2012
I Can't Fail You

Many of you are looking and you are testing. You are looking, but your hearts say, "I want to move forward," but your enemy says, "I am going to stop you here."

What has the enemy to do with what I have said? For what I have said is all powerful, omnipotent and unchanging. For he who hangs on to what I said and does not abandon it will receive what is in My truth and not walk away thinking I failed him. I can't fail you. I can't. You fail yourself.

Hear what the Spirit would say: Did I not give you a Teacher? And when you didn't know how to pray, did I not create and organize a method, a way that you would not have to stop just because the path stopped, that you could continue on until you understood the mystery of what is stopping [you] and move forward? So, these are exciting times.

Some will run out ahead. Some will say, "Okay, I totally believe it now," and adjust themselves and soon they will be running out ahead. Do I punish you for this?

No, I am not against you. I am for you.

Why would you think you are capable of only so much when I said all things are possible to him that believeth? Why would you think this?

PT120304E – Mar 4, 2012
The Importance of the Indwelling of the Holy Spirit

Editor's Note: The following was spoken before an invitation to receive the baptism of the Holy Spirit.

If you could only understand the importance of the indwelling of the Holy Spirit in all of this I have to offer in My purposes and My plan, that from Day 1 you would immediately receive Him upon receiving Me.

PT120304F – Mar 4, 2012
Learn and You Will Have the Final Say-So

Learn, learn and you will have the final say-so, for you will take it away from the devil. He thinks he has it, but you can make him know he is wrong.

PT120304G – Mar 4, 2012
Be Lifted Up in Your Spirit

Be lifted up. Be lifted up in your spirit. Look to Me. Walk with Me. Talk with Me [as] in the cool of the Garden. I am here for you. I came and I got you, for it is us working together, Me with you and you with Me, that we reap the harvest.

PT120318 – Mar 18, 2012
A Great Revival in All of Brazil

Editor's Note: The following was before prayer for a ministry trip to Brazil.

There is a place, a depth that can be reached in the understanding of spiritual things, that knows when we all become in one accord, then wonderful things happen.

It shall exceed anything or any times that they had in the past, where revival fires burned like they are going to burn, when these groups of preachers begin to understand the power there is in the transition to love. Because when they understand and begin to operate off of the trail of love, step-by-step, day-by-day forward, they will see a great revival in all of Brazil as you are getting ready to see in the parts of the world that you are affecting. So be strong, be strong.

PT120325A – Mar 25, 2012
Learn to Be Happy

Learn to be happy no matter what the circumstances say and what you are doing, and you will see: I will come on the scene and it will not stay the same. So give Me the glory for what should be, not what is.

PT120325B – Mar 25, 2012
Lean Over Into Me

Editor's Note: The following was before prayer for healing.

Lean over into Me. Let Me pick you up into a place of My Presence. You'll see, sometimes you come within range and sometimes I can reach in and close the gap.

Call what I have said "Truth" and say what I said about your problem and you will expedite the things I can do for you, says the Lord.

PT120325C – Mar 25, 2012
Give Me Your Faith

Editor's Note: The following was before prayer for loved ones.

Now is a very, very good time for you to bring to your mind and your heart any person whom you love who does not know Me. And you give Me their names and give Me your faith, for I have the rest of what I need to go after these whom you will name.

PT120325D – Mar 25, 2012
When I Come With My Love

Included in the anointing that is connected with that love which is coming to pass and being given now, the enemy will not be able to hold the captives whom are held with some kind of disease, no, not in My Presence. When I come with My love, you will see, that's on My board [agenda] too. As soon as I can do this, this will take place, and you will walk away [with them free from disease].

PT120325E – Mar 25, 2012
He Is Capable of a Lot More

He said He is capable of doing a lot more than we usually let Him [do], and we're talking about in interventions [in people's lives].

PT120401A – Apr 1, 2012
Only the Holy Spirit Can Be the Teacher

What I have given to you has rarely been received in its fullness by My Body since the early establishment of the Church. For much of darkness at times would drive the light back and then the light would drive it back and battles would be fought, but very seldom did many make it to this place where My hands are totally untied.

So hear what the Spirit would say: That I have looked long; I have established works; I have anointed them and I have attempted to teach them, for only the Holy Spirit can be the Teacher and the Teacher of the understandings of these things. So see to it that you are diligent, for you are on the path, and before this is over, many, many more will make the Holy Spirit their Teacher because of what they will see.

So rejoice and be exceedingly glad. I didn't plan for the Dark Ages. I don't send this [person] into Hell and choose this one. I am no respecter of persons, and anybody who can receive Me can receive Me. I did not cause those times of desolation when My Name was replaced by other names. I didn't cause them; I did not nurture them. But I can say this to you: That you are on My path and you are getting dangerously close to being dangerous and you will see things in your generation that many have not seen.

So be strong and continue in My instruction and you will see, you will see—you will have much to rejoice over in the day of the Lord.

PT120401B – Apr 1, 2012
A Day Is Coming Soon

Editor's Note: The following was before prayer for healing.

Each time I reach out—for it's My desire to gather you into Myself, as a hen would gather her chicks, and take care of you and shelter you. But My great expectations are in what I am able to do now, [that] I do, but a day is coming soon when the things will

manifest themselves here and will change the face of things so drastically that you will see much on that scale take place. So rejoice and be glad for what is.

PT120401C – Apr 1, 2012

This Place of Love

As you hear more about this place of love, of the love I am bringing you [to] because of the capacity that will be uncovered, I will be able to do this. If I could say that as I was excited, I would say there was no small excitement with Me whenever a group of people attained to this walk of the fullness of My love where I could manifest Myself in the midst of need, where I could manifest Myself on behalf of people. So it is no small thing to Me to even have the beginnings of these [things].

PT120401D – Apr 1, 2012

Prepare Your Hearts

Prepare your hearts. Open yourselves up. I will be speaking to you more, for I have many things to say that will be beyond what you know now, because the knowledge of it wasn't present or coming into existence for this place until this time.

So be strong, open yourself up and know that the devil isn't turning his back on this either. *It will mostly be an emotional kind of attack.*

PT120401E – Apr 1, 2012

I Love You and I Want the Best for You

Praying in tongues—it works on all levels—for I work for the good of those who love Me and are called according to My purpose. But I am interested in all statuses of your life and where you are walking and your desires and what's in your heart. I not only work My plan in your life, but I also work those things you love the most that I can give to you in your life.

So be strong and rejoice. Now rejoice in that statement, that it is not just the things of necessity connected with ministry, but I love you and I love your temporal things of happiness that have to do with this lifetime and things in it and family.

You think I will not do those things that make you happy and [make you] love Me more? I am your Father, says the Lord. So don't limit yourself to your own evaluation of, "Oh, that's God. That's holy. I can pray for that." I love you, and I want the best for you. So when you pray in My Spirit and My plan and within My will, you'd be surprised how many good things I have for you that many of you are not receiving because you are thinking, "Oh, what right would I have to be there?"

PT120415A – Apr 15, 2012
I Put the Enemy Under Your Feet

People develop ideas, especially through generations and centuries, that things evolved to be done one way and evolved to be done another. What I have for you is life. What I have for you is everything that was put under your feet at the resurrection when Jesus became the Firstborn of many brethren.

I put the enemy under your feet and I gave you all authority and nothing shall be impossible to you, for when your eyes get to see down My road, then faith is not a problem. Because I have a commission—this great commission is to go into all the world, and in these days, with the aid of media, there is a place in the Spirit that I have prepared for all of this. And for you who are willing, I will bring you there and you will see, you will see that My power, My testimony and everything I am can be made available to the world to those who will listen.

So be strong and have great courage, for you are coming into a great time for the Kingdom of God.

PT120415B – Apr 15, 2012
This Is the Kind of Revival You Will See

Many believed through the signs and wonders that were wrought in the days that I sent the apostles out. Why would you think things would be different now for those who can rise to the occasion and operate in the fullness of My Spirit? For signs and wonders weren't meant to be locked up behind four walls. Signs and wonders were meant to bring back [the truth of God's Kingdom] and put on public display [who I am] that they may see and know that I live.

This is the kind of revival you will see in the last day, and My plan, which is being prayed out by you in the Spirit, is exactly for these kinds of things to happen. For you'll see, part of Tulsa's revival is, "I heard about another miracle over here."

Yeah, well, I heard about one over there.

Yeah, this happened downtown and about six hundred cars saw it.

Anyway, He told me just to blurt that part out. That wasn't a word-for-word thing.

For the devil has built a case up against Me. This case he has built up has to do with seeing, hearing and feeling, for the generation gives itself over to this in the wrong way. *But because we have to see, hear or feel, it is hard for us to move forward.* But I would say this to you: The signs and wonders that I will wrought [bring], the mind will say, "This is impossible." What do you think will cause the salvations of the sinners to arise to all-time highs? It will be because of the things they cannot understand [that happen] to people they know. For those who could never walk and those who were born blind and for those who had diseases that caused them not to even be aware—oh, I desire these things. You see, you can do all that you can do in your advertising campaigns, and I can come on the scene and a whole town will show up within three or four days.

So be strong and continue in the right direction. Did I not say these signs will follow them that believe? They will lay hands on the sick and the sick will recover, [they will] speak with new tongues and cast devils out.

PT120415C – Apr 15, 2012
A Strong Manifestation of His Love

This did the apostles understand as they walked in the first fruits and walked in the messages that I gave them, and then the time of recording the letters they wrote and these messages, and then the correction letters to the churches and things—rest assured, they did bring His love along with them. And it was a strong manifestation of His love in those days.

PT120415D – Apr 15, 2012
Laying Hands on the Sick

Do you know what He just said? It addressed laying hands on the sick and they shall recover, but the reason for [much] of the hand-upon-hand contact was that the people He was mainly talking about weren't long lines of people, six and seven thousand people long. It was when they went places, house to house and door [to door] witnessing and running into the sick, and they would lay hands on them and pray. It wasn't meaning big, long prayer lines.

PT120422 – Apr 22, 2012
He Takes Pleasure in Your Prosperity

There is nothing that He has withheld from you. There is no blessing—there is no promise, there is no joy, no victory—there is not one thing that He has withheld from you. He takes pleasure in your prosperity.

When you receive His blessings, that is how He is blessed. When you receive victory, that is how He takes pleasure. There is not one thing that He will withhold from you. He is waiting for us to receive all the wonderful things that He has already paid for.

Do not be afraid. Do not walk in fear that you are left behind. Do not be afraid that you are second best, not good enough—those are emotions of the flesh. They are not real—they are not from you. They are not from Him. They are lying emotions of your flesh. You are not second or third or fourth—you are not in line waiting for your turn. You are first. You are His. You are His child, and He takes pleasure in your prosperity.

PT120423 – Apr 23, 2012
Faithfully Pursue Me in the Midst of Changes

I am about to move in a big way with many ramifications. Trust Me when I say it will in no way be small in any of its dimensions. My perfect will is about to begin, in initial stages, to manifest in and around those who have faithfully pursued Me in fellowship and obedience. The instructions given will primarily be concerned with what to do in preparation for the manifestations which are soon going to take place.

With joyful expectation, look forward with hope for what I have promised. As it unfolds, so will your individual level of understanding about what is taking place—almost hand in hand. This will require your ear to be attuned to the voice of My Spirit at

all times. Be listening for Me to speak at all times.

Your stance at all times should be one of joyful expectancy in order to not be caught off guard. Watch and wait for Me to move at all times, day and night. Have the mindset of a trained soldier waiting for the command to act. At that point, instructions will be given individually, according to the call, purpose, destiny and office, along with the level of understanding of each individual. They [the instructions] will precisely fit the person who receives them in conjunction with the circumstances and types of manifestations taking place in their lives.

In the meantime, faithfully pursue Me in all the ways you have done previously. Your instructions will not change in that regard. We will continue to fellowship together as we always have in the midst of all the changes taking place in and around you.

Rejoice in the Lord always, and again I say, rejoice! I am the faithful God who delights to bestow My blessings on My faithful ones, knowing more and more people will be exposed to My love as a result of our faithfulness to each other!

PT120429 – Apr 29, 2012
Obedient Beyond Understanding

Get ready, many of you, because God is getting ready to push you out of the nest a little bit. You have come to the place, many of you, you have come to the place that He is asking more of you. And you may think you are not prepared, maybe because of your past, of your upbringing, or the way you view yourself. You don't trust that—you trust Him, because He knows you better than you know yourself.

So get ready to be obedient beyond understanding. Prepare yourself to be obedient beyond your readiness. Prepare yourself, because many of you He is going to ask you to step forward in ways that may make you nervous. It's not your job to question or ask or even negotiate. It's your job to obey, and you will find that when you step—when you step, as you step—you will find who you really are.

PT120513A – May 13, 2012
Many Things Promised Are Very Close

Editor's Note: The following was spoken after an exhortation on moving into the tangible operation of the love of God that destroys all fear and never fails.

When you go from glory to glory, one place won't be the same as the other. You see, I do all that I can, every moment I can, but know this: When the conditions have been met and steps are made forward in the Spirit, there is nowhere that I cannot operate like that where My authority goes. So be strong: Many things you have been promised are very close.

PT120513B – May 13, 2012
The Path to Everything I Am and Have Provided

A thing that will be surprising to some of you is that the signs and wonders will become so pronounced that people who are seeing them will be struck with wonder and think, “Oh, this is real. This has to be God.” But you must understand they will see these things with such clarity and with such strength that many of them will make decisions—they will make decisions to get on the path, and every time, the path leads to everything that I am and have provided for them.

He is saying the old [familiar] thing. He is saying the path to the Cross and everything that it has provided is as final and sovereign as the Cross itself. If you get on it, you can go from where you are, what you are, and what you have to everything He said you are and what is yours and what you can have. It is a direct path walked on—on purpose.

PT120516 – May 16, 2012
He Needs Children Who Are Mature

I hope you can see that Jesus came to bring you to the Father. Jesus came and paid the price and made a way for His Father to become your Father and all that [which] has [been included in it]—inheritance, the power, the fruit, the provision, the healing, the peace—has only been made available through Jesus. But once you have come into relationship with the Father, through Jesus the Son, there is no more need for earning—only receiving. And there is nothing on the banquet table of Heaven that is not freely yours. There is not one thing on that table that is out of your reach. You are His children. Freely receive from Him.

And now I hear Him asking, asking us for maturity so He can do His will on this earth. He needs children who are mature.

He is saying: I don’t like watching you go through a war when the enemy spots you growing and he comes to resist you, but I have asked you to go through that because I need you to go through that. What the enemy is protecting is a place of maturity that you will walk in, and it is that place of maturity that allows Me to do My will through you to touch this world. I cannot touch the world without you, and I cannot touch the world the way I like without your maturity.

And though I take no pleasure in watching you go through the war and the battles that come with your flesh and with the enemy’s resistance, I take such pleasure in seeing you become who I have called you to be.

PT120520 – May 20, 2012
Turn to Me and Worship Me

If you will just learn how to lift up your voice to Me—if you will learn, in the midst of the struggle, how to turn to Me and to worship Me, to set your attention upon Me, to tune out the things that would distract you, to focus on Me, to worship Me, I will be exalted in everything that the enemy would try to use against you, [and it] would seem as nothing in your eyes because you would see Me for who I am.

PT120527A – May 27, 2012
I Am Truth and I Am Love

Don't be surprised with the things that you are going to begin to see in a not too far [away] future, for many things you have been waiting for are about to arrive at the door. So be strong and know that you have stood with some of the best, because Satan, he held not back in some areas of test. So rejoice and be glad that you won in an area that will begin to come forward, for you will see what it will result in as this year goes by.

For some who thought they would never be caught off guard will be caught off guard. And some who have heard and left because of [long] time spans, unbelief, and the many, many things the devil uses to destroy the Word [in their lives], many of these will be surprised. But I will be able to move in their midst also and confirm [the Word] and make [them] glad.

For the major thing that you will find coming forward is two things that I am: I am Truth—I am Truth and I am Love, and these two things you will see come forward very, very powerfully, says the Lord.

PT120527B – May 27, 2012
Keeping Yourself in the Love of God

To explain the interpretation: See, you can't continue to pray in tongues steadily that you will not provoke an attack against you, for the worst thing he [the devil] fears is your understanding of the Word of God, and he fears as much of that—the love that would bring this forward. This is why God would say things like in [the Book of] Jude: “Now earnestly contend for the faith that was once delivered to the saints.” There is no use saying that if you are not going to tell them how to contend, which is in the nineteenth verse that [says] you don't have to be as those who separate themselves: sensual, devilish, having not the Spirit, but you, beloved, building yourself up on your most holy faith—above that mess—keeping yourself in the love of God.

Sure, give me a lifetime to find out that I was praying myself into a position for revival but [also] to understand a sustaining revival. The love certainly had to be mixed in there to understand a revival that you are not destroyed in.

PT120527C – May 27, 2012
Stand Fast

For these many interesting things that we said that you will begin to see: Stand fast and hold on because they are within reach.

PT120527D – May 27, 2012
He Uses Hunger

Editor's Note: The following was spoken during a prayer line when a person was expressing their hunger for God.

He uses hunger like that to loose giftings and He uses the giftings then to minister to people.

PT120603A – Jun 3, 2012
Know That I Am Truth

I can pick you up higher and higher into places you have not seen yet. And that is what is about to happen when we take another step forward and more of who and what I am is released on this city.

So be lifted up and know this: I am who I said that I am, and I do what I said I could do. Whenever I receive what I need, then I always move. And some of you don't know it, but you are getting very close to something that will cause you to celebrate.

So be strong and know that I am Truth, says the Lord.

PT120603B – Jun 3, 2012
I Am the Same

He said, I am the same where I am. I am the same where you are, only where I am is ordered by Me, and when I am where you are, that can be ordered by Me if you will turn Me loose, says the Lord.

For I have waited for this time—you might say, “a long time” for these times. But I have waited to see what I will see, and I will rejoice with you because the enemy will not be successful in turning you back if you continue to obey Me. And you will see the revival that has been talked about so many years.

PT120603C – Jun 3, 2012
You Will See Great Amounts

I saw a George Washington dollar. The dollar was bent over [in half] and I waited for Him to clarify, and He did and said: What you are used to seeing in little amounts, it will not be long when you will see the same thing in great amounts.

And, as you know, it will be part of His plan and part of revival and part of everything that He is going to do. There will be a bunch of you out there and you will just thank God every day that you had no quitting sense. There will be people coming back when they hear what's going on.

PT120603D – Jun 3, 2012
I Can Bring Tears of Joy

I can turn those tears—the ones that are not of joy, those that escape you in times of distress, anxiety, failure. I can bring tears of joy in fellowship with you and great joy, for faith says that the circumstances are not what is dictating what I have for you.

Line yourself up and learn how to worship Me and take exceeding joy in My Presence and in My Word, for what you have is what I said you have. And you can pull

yourself out of where you are at and come on a walk, a path with Me that will be glorious. And know this: We are getting close. This is yours. But you will see this in abundance, so you might as well start rejoicing now.

PT120603E – Jun 3, 2012
Things Are Happening

Yes, the enemy, on his side, will try to make a show and raise him[self] up and try to walk step-by-step and blow-for-blow. He will attempt this and he will discourage some, like he always has in the past, but he has not faced in this generation what I am about to do—he hasn't faced this in some time.

So rejoice and be exceedingly glad, for he will know what will happen after he sees what is beginning to happen not far from now. He will put up his fight, but he knows he will be defeated because nothing will stop what I am about to do once it takes hold and anchors itself and people are changed—they are changed.

And I will take advantage of media in a way that I have not been seen in some time. My revivals will be in your front room. People will run out and get their neighbors and bring them in, just to see these things happen. So be glad and hear, for the world will rejoice. The world will rejoice, and the enemy will fight hard just before My return, but you have time to have a great part in this. So be glad and rejoice—things are happening.

I Can Heal Anything

Editor's Note: The following was spoken during a prayer line concerning depression and negative thoughts.

I'm bigger than this and stronger. My joy—My Presence is greater than emotion. I can heal anything that can be healed, says the Lord.

PT120603G – Jun 3, 2012
Dedicate Your Child to Me

Editor's Note: The following was spoken during a time of baby dedication.

Hear—listen, for when you dedicate your child to Me, you place that child in the place of authority that I will see to the rest of his life. So when you do so, be exceedingly glad and know that I will move forward in the degree that I was loosed to move forward and prevent many things that the devil always schedules for children who are growing up, that he may entangle them with the world. So be exceedingly glad and rejoice and dedicate your child to Me.

PT120603H – Jun 3, 2012
He Loves to Manifest His Mind

Editor's Note: The following was spoken during a time of baby dedication.

Many times, when I have the order of all things, I will step in and My mind will be made manifest along the way, and something that needs to be known [will be made known].

What He was saying is a baby dedication, a miracle service, healing, a salvation—He likes to be able to manifest His mind. He loves it.

PT120603I – Jun 3, 2012
He Gets Them Ready Early

Editor's Note: The following was spoken during a time of baby dedication.

Like all of them being commended [dedicated], He gets to come to them very early and orchestrate things and begin to shape them and get them ready early in their life for everything He separated them to. And that is what I just saw.

PT120603J – Jun 3, 2012
Mysteries Will Be Explored

Mysteries will be explored, for the Holy Spirit is being loosed to bring forth mysteries and understandings of who I am. And many things will be put into place that were not understood before, because once again, these mysteries are made accessible by those who took the time to spend time with Me in the power of the Holy Spirit and to bring this to pass. But you will begin to understand things that you have not understood before, for you will see, the time is getting closer when you will see how I am able to perform these things and have the revival that you are believing for.

PT120603K – Jun 3, 2012
He Creates That Language in Your Spirit

It is impossible to pray in the Spirit anytime without Him going out ahead of you and working God's plan or purpose. That's the primary reason He leaves you out of it. The only thing He borrows from you is the authority that you have in your spirit, when He creates that language in your spirit and you say it. It's pretty hard to fail when God is the One who is selecting the prayer for you according to His will and [according to] your call and purpose on this planet.

PT120613 – Jun 13, 2012
You Allowed My Desires to Become Your Desires

Some of My children are struggling desperately because they believe their deliverance is based on their actions, when actually, their deliverance from their present circumstances is available to them anytime they want it. All they need to do is just “give up.” Give up trying to fix it. Give up trying to solve it. Give up and give it to Me—all of it—without reservations, every single detail of their life.

But you say, “What if I don’t like the solution?” That is your whole problem. You really don’t know what you truly want. You know what you think you want. But who actually knows the end from the beginning? Who set the stars in their orbit and who loves you despite all of your own efforts to solve your problems?

I love you beyond words. I love you, and My plan for you is what will bring you the greatest fulfillment you could ever know on this earth. Trust Me, please. In the end, we both will be overjoyed because you went against your own wants and desires and you allowed My desires to become your desires.

PT120617A – Jun 17, 2012
The Revival That Is Coming

The revival that is coming is for My children walking with Christ in them supreme over all that is not of Me.

PT120617B – Jun 17, 2012
My Truth Is the Final Say-So in Anything

Hear these things and make your stand, for there is more available to you than you know. Have I not spoken truth to you? Did I not give you the most powerful thing I have to use, which is My Word? And what is it that you can’t change that needs to be changed when My Word is employed?

Stand fast and lift Me up and lift My Word up and you will see—you can walk out of a whole lot more of those things that you think have you bound. You can do a whole lot more than you are already doing. Just give yourself over to Me and know that My truth—My truth—is the final say-so in anything that can happen or anything that you are believing for.

PT120617C – Jun 17, 2012
Love the Path to My Sayings

I don’t like that kind of life that you are speaking of, where “This whole thing is just religion and religion and nothing on the outside, nothing to balance me with.” I don’t like the idea of that—“You know it has its place in my life, and so, you know, just give me so much, and I will include that, and I will. . .”—*and then suddenly He said, As you make this journey, you will see what I have for you in this place where I am not limited in how*

I move for My people and for those who are sold out to Me. You will see, the peace and the standing and the fellowship you have with Me in that place on a day-by-day basis is greater than any persecution that can come on this planet or anything that can happen on the negative [side], or anything that can happen to destroy what you are doing.

Do you understand that it is greater? For you love My sayings—”And nothing shall be impossible to you,” and “All things are possible to him that believeth.” You love My sayings—”You could say to the mountain, doubt not in your heart, be removed and cast into the sea and it should obey you.” You love My sayings. Well, love the path to My sayings and you will see what I can do, says the Lord.

PT120617D – Jun 17, 2012
Because This Road Has Been Chosen

He said, He that has an ear to hear, then He said, He that has an ear to hear. And then He said, He that has an ear to hear. Then He loosed me on the rest of it: He said, Hear, because you are going to hear more and more of these things, but what you will be delighted in will be when you see My power begin to show up because of these and because this route and road has been chosen. So be strong—be strong.

PT120617E – Jun 17, 2012
Your Life Different for an Eternity

As long as the truth was lost to religion, and [true] religion [went] into dark ages, and then [another] emergence [of truth] and then dark ages, and [another] emergence and religion again, and truth again, not many have known the breakthrough to the absolution of outpourings of My grace and absolute power. These things have not been seen as frequently as should be, but know this, that after I get on a path with a group of people who make it so far, they usually finish because they know and learn how to trust Me in areas they have not walked in before. So be strong. Be strong as you approach this because it is of an assuredty that these things are going to take place.

And the last part: How are you going to know, hardly, when you are operating in something you haven't seen before but know that the Word is describing it when it comes to pass. So be strong. Be strong and you will see things before this is over that will make your life different for an entire eternity.

PT120624A – Jun 24, 2012
The Love of God Is Taking Its Root

Why wouldn't great joy be present and accompany My love—why wouldn't it? So ready yourself for the future for the things that will be said that I will say. And they can be said because of the love of God that is taking its root here, for many things can't be understood without this. So be strong, and at the same time, know that you have what you need to be strong with.

PT120624B – Jun 24, 2012
Something Is Coming That Is Really Good

Editor's Note: The following was spoken during a time of prayer over prayer cloths.

There are going to be results and testimonies, in fact, if you are not used to change, especially [change] that is good—brace yourself. Something is coming that is really good.

PT120701A – Jul 1, 2012
It Is Not Impossible

He said, Do you know why the devil tries to convince you something is impossible?
I said, “No. Why?”
And He said, Because it is not [impossible].

PT120701B – Jul 1, 2012
Walking With Your Soul Under Subjection

Editor's Note: The following was spoken after an exhortation on walking with joy and peace dominating [the thoughts and emotions].

This is a part of His joy—to see you not only healed in body, but part of His joy is to also see you, if you want to call it that, healed in soul or walking with your soul under subjection to the new nature and the peace that He has delivered to us.

PT120701C – Jul 1, 2012
Maintain the Grace

Editor's Note: The following was spoken before a prayer line for those who had been in a battle in their thoughts and emotions.

In the tongue, that interpretation is: If you have had too many of those kinds of experiences or something, or maybe it has affected you a little bit to where it has pulled you down some—for you, He is ready to take His grace and trade a little of your weakness off for His standing, which can't be earned, and you can just maintain it.

PT120701D – Jul 1, 2012
Absolute Faith Is Not Out of Your Reach

For the enemy, using deception in religion, has taken away the confidence that was once in the Church in the early days and then at different times following. But many times attained to was the kind of absolution [absoluteness] in faith that those who carried it knew and believed that what I said I would do is what I would do. And that's not out of your reach, for you have access to the truth and you speak of revival. What do

you believe revival is made out of? Revival is made out of the restraint taken off of Me, says the Lord.

PT120708– Jul 8, 2012
The New Nature Is a Sure Guide

That new nature that you have in you, it is a sure guide—listen to your conscience on the inside. It will take you from one place to another, you see. It will cause you to overcome every time. It will cause you to overcome every time. It won't fail you because it has been changed and it has been made new. Your conscience is then a sure guide when you are born again because you have been freed from every sin.

You have been made right with the Father above, and He desires to lead you in His love. And His love reaches out to those who are in need, so if you will listen, He will guide you, and men around you [will] begin to be free indeed.

PT120715 – July 15, 2012
Understanding Regarding My Love

My children continue to lack understanding regarding My love. They identify with it as an emotion, and consequently, they mistakenly think that My love functions the same as their fleeting emotional love. It does not, and until they take the time to truly know My love, walk in My love and grow in My love, they will continue to be defeated in those areas where My full-grown, mature love would put them over.

For example, consider the benefit of walking free from fear and how that would impact so many other areas of life. Now, of those who dream about walking free from fear, how many even know what to do to bring about that change?

There is a growing and maturing process that will bring about a maturing of this love in you. Once this process produces necessary changes in you, your love will cause fear to leave and peace will fill your heart. This change does not just happen but, rather, is the result of your time spent with Me in worship. Your love for Me will blossom and grow, and your proof of the change will be the absence of fear.

PT120725A – Jul 25, 2012
I Am Longing for My Children to Finish Their Course

I hear Him saying I am longing for My children to finish their course so I can show the world what I gave them. I am longing for you to continue so I can show you what I have for you.

PT120725B – Jul 25, 2012
When I Am All That You Have

When you feel like you have nothing left and I am all that you have, when you feel like you have nothing to offer but your breath, when you have exhausted all of your

ability and you still don't have victory and I am all that you have, that is when you are the strongest.

You do not need to prove to Me that you are My child. You do not need to prove to Me that you are strong in faith. I know who you are and I believe in you. Walk, run, and finish with Me.

PT120729A – Jul 29, 2012
Stay Strong and Continue to Believe

You'll see, and as I have said many times, says the Lord, that in these last days, the greater things will be done because of My love. You will see—you will see the power spring up in places you never thought it would exist, and it will be for this reason.

So stay strong and continue to believe. To the world, things are getting worse, but for you, if you can believe, you are coming into a harvest.

PT120729B – Jul 29, 2012
The Moment You Quit Worrying

The moment you quit worrying about a job is when you will get one. For when your heart says yes to Me, it is not just “Yes”—when you say yes to Me, it is [yes to] all the things concerning My Word, My ministries and My call.

When I say, “Yes, obey Me,” then follow after what I have said in My Word, and you will see, I will honor everything I have promised you.

Meeting your needs is one of the easiest things in the world. The only time you make it difficult is when you doubt what I have done.

This was not said in the tense [the tone] of [being] condemning, but in a tense [a tone] of teaching you how to pull yourself out of the [emotional] downfall, pick yourself back up and get on the path. Don't stay down.

PT120812A – Aug 12, 2012
He Is Longing for Relationship With You

He is longing for relationship with you, between you and Him—a relationship of trust, a relationship of safety that is secure because of who you are and who He is.

How many times when we struggle in an area are we embarrassed or ashamed to talk to God? But that is when He wants to talk to you.

Do you understand? He wants to be with you and talk to you and be there for you and be your Encourager.

PT120812B – Aug 12, 2012
I Want to Remove Rejection From My Children

I want to remove rejection from My children. My desire is to remove rejection in the language of My children so that all of My children will know they have a Father who cares [for] and loves them.

You are free to enjoy your Father the moment you become His child. You are free to experience His love, His joy about you, His excitement about you every moment of every day. When you think He is offended, you will find that He is proud.

PT120812C – Aug 12, 2012
Hold Your Ground

Don't get weak in your stand that you have made for Me. When you see things get bad, rejoice louder, because when the enemy is trying to stop you where he has to become circumstantial [in his attack], that means he is beginning to lose. But you make yourself stronger and hold your ground. Hold your ground. You will see—you will see that you are the one who will always end up with the victory.

PT120812D – Aug 12, 2012
Be Strong for Your Direction

When you edify yourself from praying in the Holy Spirit, don't you know that there are those times when I am preparing you for something that I will have you do? And without knowing it, you will build yourself up in revelation and edification in what it would take to handle that. So know this: When you are praying in tongues, you are working My plan in your life. So be strong and let Me and My mind come in and order your edification prayers, because—you will see—if you won't stop, then the truth will keep getting stronger and stronger until your path becomes very clear to you. So be strong—be strong for your direction.

PT120812E – Aug 12, 2012
Be Glad in Your Patience

I gave you the word “endurance,” and then from time to time, I would announce that the time was getting closer and closer to the outpouring that you have heard Me speak of many times through interpretation [of tongues]. But rejoice, be exceedingly glad in your patience, for you will see much, you will see much, for much of this will be in your time. So be strong and rejoice now for the harvest, because it is being worked now.

PT120812F – Aug 12, 2012
Exhortation on Private Worship

Somebody said, “Now what was it? What was it that would increase that love that you have, that ability to love and have it come into operation in your life?”

The key again to that is the praying in tongues that you have been doing, and start throwing an hour or so of private worship in there where you surround your spirit and sustain yourself in comments of, “Father, I love You and glorify and magnify You. I

exalt You and lift You up. I praise You and love You and thank You so much for saving me. How can I tell You how much I love You?”

See? You know how much fellowship He gets out of that? You will feel an anointing, and a Presence starts coming in and I will tell you, you can't bathe yourself in that without it bringing a change.

PT120812G – Aug 12, 2012
They Are Going to Be Healed

Most definitely, this love, this kind [of love] will have much to do with the revival we will see. Oh, a “last day” kind of revival. I don't know how much or what, but obviously it will be resident then, and because it has no fear and it never fails—and if it is His love that is operating, guess what? They are going to be healed.

PT120812H – Aug 12, 2012
There Is Coming the Time

Rejoice and be glad, for I am lifting something up and you will be part of it. So rejoice and be glad, for it is coming time—the time that you are going to get to see the things that you have heard about and the things that have been promised. There is coming the time.

There were some things being moved here and moved there, and you probably wouldn't understand it anyway, but these things had to be, had to be changed before He could move like He is going to move. So whatever it was, it is in transition now.

A little clearer—there are a couple of major things that had to happen, had to happen, and then for some reason, then He could do the outpouring we are looking for. And I think that these major things are not just to do with us, but outside of us. So we sure are getting close.

PT120826A – Aug 26, 2012
You Really Are Able

Most of this generation has not experienced a real flow of My Spirit, the kind that grounds you very, very solid in Me and you can see things clearly. You can see things clearly, you can see things clearly because when the flesh is put into its place of mortification, you will see that you really are able to walk above that in your faith and in what I have called you to do.

PT120826B – Aug 26, 2012
The Measure of Faith to Fulfill Your Calling

Who was it but Me who gave each of you the measure of faith that you operated in to fulfill your calling and your place in My Body? And not all have the same calling, but all who receive the measure I give them and minister in it to their fullness will have the

same reward as the next person who seemed to be in the “highlight,” getting all the glory for it.

Well it isn't the glory he is receiving—it is the glory that I gave you and your obedience to what I had you do, says the Lord.

PT120826C – Aug 26, 2012
Reach Further—I Am There

I said these things to you today, for I wanted you to reach further down on the inside. You will see—I am there. Any difficulties that you face, I am only too pleased and willing—very [pleased and willing to help].

For those deeper things that you are believing for and standing in [faith for], I am more than willing to fellowship with you on those things, for generally they have to do with a lifetime call.

Boy, if I had been fighting prayer, if I was you, I would quit fighting and do it.

PT120826D – Aug 26, 2012
Healing—It Is His Pleasure

Editor's Note: The following was spoken during prayer for those needing healing.

You see, it is more than healing—it pleases Him. It's His pleasure. See, He died under the penalty of any disease Satan had in that day or could have ever created. He died under the penalty of it—died of it in my place, and because I already died of that disease, once, when I died with Him, how can it kill me again? It can't, can it? You got it—It can't.

So are you going to take your healing or what? It [the disease] can't kill you. It can't even really torture you again because He was tortured and [He] was in your place.

PT120826E – Aug 26, 2012
Power Over All the Power of the Enemy

[Not] for a moment, don't think that you will attract attention with My power and not attract the evil one also. But that's okay, because I gave you power over all the power of the enemy and he has no means by which he can hurt you.

PT120829 – Aug 29, 2012
When You Walk As My Child

When My children walk like My children, the world will never be the same. When you walk as My child, your world will never be the same. I am not talking about earning—I am not talking about earning that position. You already have that position.

PT120902A – Sep 2, 2012
Prophets of Old Have Seen This Time

Prophets of old have seen this time, for the time is drawing near. You will see nation against nation. Many things you have been taught will come to pass right before you, and you will have no doubt that these are things that were spoken of by Me in times past. But be strong, be strong. There are many who have given themselves to Me.

In the mandate He gave us of revival, miracles and media, Jesus said the end will come after this is published—the Gospel—in every nation.

At the end of that tongue [He said] if we succeed here, we are going to have a big part, not only in the revival of media, but also when it [the Gospel] is published in every nation—and it will be the truth. So the truth is going to manifest results and will spread immediately and give Him a big harvest in the last days, and we are called to be part of that.

PT120902B – Sep 2, 2012
I Can Guide You Down the Narrow Path

Editor's Note: The following was spoken before prayer for a ministry team going overseas.

Come out of religion. You don't have to walk under tradition. Come out of religion and hear what I would have to say, for have I not come to be your Teacher? Am I not a sign to receive and to give you all that I hear?

Be strong. Be strong, says the Lord, for through the Holy Spirit, I can guide you down the narrow path. Be strong.

PT120916A – Sep 16, 2012
The Most Heavenly Times of Your Existence

For the part you see when your spirit, [your] nature, has taken on love and taken on [more] love, not only do you see the same miracles you used to see in other places, here and there, but you will begin to understand them and even more than that. And those are the times when I can come with what I have and use what you have, which is what I have, to increase what you have. And the most powerful of these is My love, for it casts out the fear and it never, never fails to do what it is activated to do.

So rejoice and know this: What I give to one, I will give to another, and there will be rejoicing and shouting on the day of reward. You let Me finish here all that I have planned for this place and you will see: Those will be the most heavenly times of your existence. When you understand the fullness of what happened, you will rejoice. You will rejoice.

PT120916B – Sep 16, 2012
This Is the Next Step

Editor's Note: The following was during an invitation to receive the baptism of the Holy Spirit.

The same hunger you have was in so many individuals who did not know that this is the next step that followed the re-creation of the spirit on the day of Pentecost. Immediately, the first thing that happened was followed up by the baptism [of the Holy Spirit], then out they go—we are saved because of them [the disciples] that day.

PT120916C – Sep 16, 2012
Ask Me

Editor's Note: The following was spoken at the end of the service.

Am I not present with you now? What is it you would like to have? Lift your hands and ask Me, for did I not say all things are possible to him that believeth? The closer you walk with Me, you will see, the more My manifestations will be around you and through you because of your relationship with Me, and not you and somebody else.

PT120919A – Sep 19, 2012
You Are Not Damaged Too Much

I am well able to repair the damage of your mistakes. If you just trust Me and walk with Me, I will walk you out of every mistake you made and turn those things to glorious testimonies.

You have not gone too far. You are not damaged too much. Take My hand and walk with Me and you will see, you will see you are not alone. You will see you have never been alone, and you, too, will be amazed because others will be [amazed at] how I can fix damage and turn it to something glorious.

PT120919B – Sep 19, 2012
Your Ability to Hold Wealth Is Because You Trust Me

Your worth is not because of what you do. Your worth, your ability to hold wealth is because you trust Me, and you trust Me for what I did in you and who I made you. So quit looking over the horizon and start expecting.

Start expecting to “trip” over prosperity, “stumble” over wealth, because you will see soon, many of you will stumble and trip, that when you look and see what tripped you up, you will see blessings—like a little puppy dog, when you walk in the house, [it] gets under your feet and you trip and stumble and can't get away from it. So, too, will be the prosperity that I have for My children.

PT120923A – Sep 23, 2012
I Have My Gladiators

It wasn't exactly “hope” He said, but it was that He lives in anticipation of the time when He will get to pour Himself out in all that He is. For I seek these times of

salvations and signs and wonders, and desire them even more than you. For why did I do the things I did through the generations and the centuries and the millenniums if all of this wasn't available that I am offering you now?

Did I die that people would not be saved? No, I died for not only you to be equipped, for not only you to receive the Holy Spirit; I died that I could have Myself a people who would believe in Me and would help Me harvest the rest [of the people], for there are "mansions" waiting for you that you have not thought of what they really are. But you will see when this is over, for many will say with no regret, but [some] with regret, "I wish I would have known then."

It is not being held back from you. I hold no good thing back in its timing, for these things I desire. And some of you are getting close, for you who really belong to Me—every part of you. All of you who love Me, I will see you there. I love you, but I do have My gladiators, and they will face the devil down and you will see great, great incomings of the peoples. So rejoice and be glad. These things will happen partly in your days.

PT120923B – Sep 23, 2012
Take Everything in With Great Hope

I delight in these times when My mind is spoken to you, not only by revelation, not only by teaching, but by mysteries, by interpretation, [and by] any way that I get to communicate with you on a close level where My mind is active at that time, for there are things that I desire and things I desire to address.

I want you to be encouraged and take everything in with great hope, for [in] your walking with Me, your hope will be put to substance and you will get to see some of these glorious things as we draw closer and closer to the times that are coming.

PT120923C – Sep 23, 2012
Another Round of Love Is Positioning Itself

Do you not get all the Word that you need in this place? Is not the teaching that goes on feeding you? Well, I desire to move on all fronts. I like you to hear My mind for that moment. I like you to know what I am thinking and how I am moving and [My] directions. Because of these things, all My ministries who speak My word in teaching in its season, and those who interpret, and prophesy, these things will become more common as soon as they become more true. For I say that to say this: I say true. I say true. I say true, for so many have been led down the false trail of error through those claiming to have giftings they did not have.

I said all that to say this. Another round of love is positioning itself, and in this round, you will see a fullness that people dream about seeing. So stay steady, stay faithful, and know that when I "up this ante," the devil ups his, but you know he comes—persecution and affliction and the cares of this life and the deceit of riches and the lust for other things. And those lusts for other things, [this] is the exaltations and fame, glory. But you will see, My love becomes tangible, so tangible that you will begin to feel the differences in your heart. Change will take place that will be glorious, for this is a time

that you have been waiting for. This is a time that a portion of your edification has prayed out and [is] bringing in to existence, says the Lord.

PT120923D – Sep 23, 2012
Be a ‘Weightlifter’ of Truth

For some of you have not received because you have not been able to bring yourself to look past that place—what have you been taught? What is it that you don’t know? Is not faith already the substance of the thing you are hoping for and all the evidence you really will ever need of that thing you can’t see?

For many of you don’t get past emotional issues—this kind of changing and that kind of changing—because you can’t see the grace that I have for you, and I gladly died and will trade that [grace] off for your weaknesses. So practice strength, practice strength, not weakness—run towards the problem, not away.

Be strong. Be a “weightlifter” of truth, for you will know the truth and it will set you free.

PT120923E – Sep 23, 2012
Crucify Your Worry and Fear

Crucify your worry. Crucify your fear. Stay on that path of love. Why don’t you go on a journey with Me. You will get free and powerful.

You know the worst thing you could do to somebody to defeat them [in the battle against you]—no matter how hard they tried, [how hard] they come over to your area [against you] is love them with His love.

PT120926 – Sep 26, 2012
Open Your Hearts Wide to Receive

My love is coming, and I am going to reach into places of unbelief that have been surrendered to Me but are not yet seeing like I see. My love brings peace, healing and much more strength in Me and will greatly increase your confidence in Me and who you are in Me.

I am the One who loves you and My love is abounding. There are places in Me that are being reached for, and this is enabling Me to come with much love, much peace and much healing, and the result will be a new walk of strength in Me. You will see things like I see, and your walk will be different indeed.

In this next wave of My love, there will be much restoration and healing, for this is central to what you are entering into in Me. You will taste and see that I am good, and the result will be a greater understanding of My love and the life you have in Me. Not only will these things be understood to a greater degree, but your daily walk will reflect these things.

Position yourselves for more of Me. Position yourselves for more love, for I bring these things freely to all who will receive. Great change is what I bring for those who will

receive. Stay strong on the path of fellowship with Me and the truth this brings and open your hearts wide to receive.

Great will be the change My love brings. Open your hearts wide to receive. As you draw near to Me, I will be there waiting joyfully, expectantly—treasuring every moment you give Me, for I see what you do not yet see and I see what you are entering into in Me. Great will be the change I bring for the hearts who are reaching for more of Me.

I will be removing things I have been uprooting, and great will be the restoration and peace I bring. The love you find in Me will far outweigh anything the enemy brings to resist these things, and your standing in Me and your joy in Me will carry you past your enemy. You are established in Me and I am your Victory in all things. Get ready to receive what I bring.

Let your hearts be expectant and strong in your fellowship with Me, and together, we will see great things. Great will be the increase of joy and strength in this next place in Me. Open your hearts wide to receive much from Me.

Receive, receive, receive, for great will be the change in this next place in Me. It will not be without resistance from the enemy, but I have already made the way for your victory. I have already made the way for you to be able to receive. So prepare your hearts and receive, receive, receive.

PT120930 – Sep 30, 2012
I Will Be There With What You Need

When things get bad or worse, because of the times, [it] does not mean that your ministry of salvation has come to an end. For if you stand up to it and love Me and love those who need to be saved, I will be there with what you need; you will see.

So there is no reason to have any fear—this is why perfect love can cast it out, and this is why you don't need to fail from failure under any circumstances.

PT121007A – Oct 7, 2012
Compassion Moved Me to Do the Things I Did

Testings and trials have proved themselves that they don't test or strengthen you enough on your recoveries to go on and move into Me where the substance of these things exists, but I will say this to you, that you get on this trail [for] the substance that you are looking for, even the very substance that I was moved by, which is the compassion that moved Me to do the things that I did, says the Lord.

PT121007B – Oct 7, 2012
Love Cannot Be Earned

Editor's Note: The following was spoken during an exhortation on God's love.

This attribute [of love], it cannot be earned. This attribute is built up in you as you obey Me in fellowship and believe what I have and what I have done for you.

PT121007C – Oct 7, 2012
Finish Entering Into What Can Be

Editor's Note: The following was spoken during an exhortation on God's love and miracles.

In history, which many of you look to, these things have not been too frequent. But why would it be that you wouldn't make it one of those times that it was?

These times were not frequent because the enemy was always able to come in and abort this kind of walk using religion, testings and trials, and persecutions and afflictions—the usual things—until you were too occupied, just [doing enough] to survive rather than to finish entering into what is and what can be.

PT121007D – Oct 7, 2012
Overcome the Fears

Editor's Note: The following was spoken during an exhortation on God's love having no fear.

The reason I said no fear because of [love] never failing: You will have to overcome and pass the fears that have stopped all others.

PT121007E – Oct 7, 2012
When the Capacity to Hold My Love Becomes Stronger

Editor's Note: The following was spoken during an exhortation on God's love.

Many of these things that are being said, [it] is for you, for many of you come looking for more than you have ever had before. But I am here, and I have the answers to those things, so think it not strange when these things are spoken of and approached in different manners. For when the capacity to hold My love within the love that you were born with when you were born again, as that becomes a reality and stronger and stronger in you, you will begin to see people and things [differently].

PT121008 – Oct 8, 2012
My Love Is Yours

One of the main things on My agenda this week is to solidify in you how much I treasure you as My child. Every moment you seek My Presence, My heart bursts with absolute joy and delight. Truly, truly do I delight in you. My love is yours. Everything I do to and for you is intended to bring you further into Me to the place where you are able to receive all that I have done for you. Never, ever will you have to earn My love. It is yours—My love is yours.

Do you know that every time I look at you, My heart swells with the great love I have for you? I desire once and for all that you know that you know you will never, ever

have to do anything to make Me happy enough with you to have Me fulfill your needs. It is My great pleasure for you to come and ask Me for things, for then I can come up with ways to bring your desires to pass, and there will be no doubt in you that it was from Me.

When you make mistakes, let Me walk you out of them. Let Me be your Father. I don't want you to allow shame to drive you to fix them on your own before you restore fellowship with Me. I desire to eradicate all traces of shame that you allow your soul to hear and receive from the enemy.

It is absolutely vital for you to renew your mind to who you are in Me. Allow Me to help you make this a priority. I am so excited knowing where I get to take you in Me this coming year. You are My delight and treasure.

As you continue to grow and establish yourself in Me, you will allow Me to bring you to the place where I can launch you like a missile into areas where I have longed to explode all of who I am over them, and the goodness of all that I am cannot any longer be quenched by the enemy. For you to submit and allow yourself to be brought to this place brings Me great, great joy.

PT121009A – Oct 9, 2012

I Am Always Looking for Something That Releases Me

Editor's Note: The following was spoken during a time for prayer for loved ones.

Hear what I have to say, for I am always looking for something that somebody will give Me that releases Me to go after these. Why do you think that I would say the harvest is truly plenteous, but the laborers are few, therefore, pray to send forth laborers into the harvest?

He's the One that died for them. Why doesn't He just send them? Why do you pray for Him to send forth laborers? What does He want from you?

What makes you think that He can't get something from you that will release Him to go after somebody you love who is not saved yet? Every time you see them get in a mess, just smile, because you know that He is there.

PT121009B – Oct 9, 2012

The World's System Will No Longer Work in My Family

Don't worship Him as a servant. Don't serve Him as a slave. Walk with Him as His son and His daughter. Walk around this earth as lights in darkness. The time is coming that His children will need to walk in His power.

It will no longer work in the times ahead—the world's system will no longer work in My family in the times ahead. My children will need to walk in My authority and in My prosperity and in My blessings and in My power to see what I want done accomplished.

PT121009C – Oct 9, 2012

What Is Built by Faith Will Last Forever

Do not compare yourself with other groups and say, "We don't have what they

have. We should have more to be successful.” Do not compare yourself, because it is not the same. For many have succeeded using the worldly system—natural means—and call it success, but I call it failure, because what I want for you is pure and unmanageable, untouchable by the devil. Whatever has been built by your own ability, the devil can come and take it. But whatever is built by faith in Me, the devil cannot touch it. It will last forever.

PT121010A – Oct 10, 2012
You Will See the Things You Have Desired

It is My desire to do much more than even you desire. Many times I’ll teach, and I’ll teach, and I’ll teach, and still, the light has not made it to the proportions that I have planned for you, which you will see in the future. You will see the things you have desired to see, and you will see the things that no sinner can look at and say that I do not exist.

PT121010B – Oct 10, 2012
I Desire to Do So Many Things for You

Editor’s Note: The following was spoken before prayer for healing.

In the manifestation of My love, I desire to do so many things for you—these being some of many [things].

PT121010C – Oct 10, 2012
You Will Hear What He Has for You

He says: Don’t concern yourself. Many of you come, wondering about your call a little bit, and [have] been asking God some questions and things. More than you think is going to be answered about those things.

So tune in, keep your ears open, and wait on Him. There has already been a lot of direction handed out here and there by the power of the Holy Spirit, so you hang on, hang on. You will hear this round what He has for you.

PT121011A – Oct 11, 2012
The Qualifying Factors Are Coming Together Now

In this generation, there will be those who will rise up and they will understand the relationship between My wisdom, My love and provision. They will find out things that loose different things, such as, when you lose all your greed to love, you also loose the supply that I have for you.

You will see as time goes by, for this revival that is to come will be known for the supernatural manifestations and the miracles and the kinds of miracles that are about to take place—maimed, lame, blind—but there will also be much, much talk about the love of God that seems to have come into the camp and made the impossible possible, when before, it seemed absolutely impossible. So be strong and know, the qualifying factors are coming together now and you will soon see what you are believing for.

PT121011B – Oct 11, 2012
I Could Heal All or One at a Time

A day is coming when media will be of such that what I do in one place, I will do in all the places that I am touching. Is this too hard for Me? This is not too hard for Me—I could heal all or one at a time. I could use media in the front rooms of every person in the world to do My mighty works.

Breaking that down, He said, why would He say pray the Lord of the harvest to send forth laborers, for the harvest is truly plenteous, but the laborers are few? But why would He say to pray for Him to send them when He is the One that died for them?

Why doesn't He just send them? What does He want from you? What you are giving Him now. What you are giving Him now. See, if we were in media right now, and we prayed this prayer here, He would use that to go into the front rooms of everybody that needed some kind of miracle.

PT121012A – Oct 12, 2012
Edification Always Lays My Plan Out Ahead of You

Most of you are going to walk away and you will find after six months of experience that one of the most important things you have learned was the edification that always lays My plan out ahead of you, always equipping you for this plan. So hear what I have to say now: You need not lose any ground, for you will see how I will use you, and you will delight when you leave the house and the people in it have no more pain. You will be delighted.

So be strong, be strong and of good courage, for the most important thing will be how you will carry this out, not even what you are doing at this moment. How will you carry this out? You will finish realizing everything that I have for you, says the Lord.

PT121012B – Oct 12, 2012
Follow Edification Into the Love of God

Editor's Note: The following was spoken after an exhortation on the love of God and the use of finances and on cancelling people's debt and getting them saved.

It is not unusual, not unusual to be surprised, for even though people know this, they don't know this. Yet, you follow edification [into the love of God], and think you not that I do not release My wisdom in those areas as much as I do in any other?

So be strong, cancel many debts, and [those who were saved,] they will be waiting for you when you come home.

PT121014A – Oct 14, 2012
When I Speak of Intercession

When I speak of intercession, I speak of Me being able to use you and place you between somebody who doesn't have [fellowship with Me] and Me, and when you make

intercession, then [through prayer,] you remove the things between them and Me that keeps them from having fellowship with Me. Did you know that when you make this kind of intercession that mountains are moved and people you never dreamed would be saved begin to be saved?

PT121014B – Oct 14, 2012
Places of Your Heart Where Changes Are Made

A relationship with Me is not putting in a couple of hours that week to meet with Me and to sing, but your walk with Me is Me occupying your life and you occupying Mine and you knowing that I have a call for you and something to accomplish. For there isn't a person here that I have not called to accomplish something in the purpose of My plan.

So when you do and don't know why—sometimes we think we just love Him and we will start crying, and we do [love Him], and we will just start weeping and not know why. Well, sometimes a person will do that when he is sad or extra happy, but why would you be doing that while you were worshiping God—get sad or extra happy? Is not faith the substance of the thing you are hoping for and all the evidence you need of the thing you can't see? When you allow Me to enter in to those places of your heart where changes are made and faith is produced, mountains are moved and strongholds come down and strength comes up.

PT121014C – Oct 14, 2012
This Is Not Religion—This Is Life and Family

Some of you look and you think, “Hmm? What kind of order is this [in] the service?” Well, I would say this to you that when exhortation begins to take place, when I begin to exhort, why would I exhort over something that you may never use? And when I exhort, why wouldn't I exhort concerning the problems that most of the people have who are present? Do I not know your mind? Do I not know where you are walking?

At these times, when I exhort—exhort can be a relative of prophecy and prophecy, a relative of tongues—but when I exhort, I will take things about you, and I will direct the prayer and the counsel and the direction for you to receive an answer.

Saying things that are irrelevant to your lives and probably never will be relevant, what purpose would that serve? Am I not in your midst to fellowship with you? This is not religion—this is life and family.

PT121014D – Oct 14, 2012
When You Worship Me

When you worship Me and pray in the Holy Spirit, understand this, that your worship will take an order—it will take itself into order—as when you are praying in tongues, you are not choosing what is to be said.

For some will say, “I think I will pray about it in tongues.” You are not choosing even the subject—I know what is causing the problem. And when you pray in tongues, you are edifying yourself and building yourself up. But when you worship Me, when you worship Me, you cause that part of you in the spirit to rise up that I said not to doubt in, and your hallelujahs will become victories, glorified victories.

PT121014E – Oct 14, 2012
Remember: I Remain the Same

Editor's Note: The following was spoken after an exhortation concerning the importance of endurance and revival and the love of God.

He said that to say this, that not only will the love of God spread powerfully and many, many people will be saved and many, many healed, in fact, it's almost unimaginable. Because I get a "flash vision" again of the people in the fields and stuff, because something has happened and they have come. They have come because of the news and stuff that had been spreading.

There are attacks coming from the enemy that weren't necessary before now but are necessary now. For the enemy has studied us through the dispensations and the centuries past for the destruction of us. And there are things he has not brought against you yet that you have yet to experience, but remember: I remain the same, so you are the one who is free.

Already, the enemy, for this century, has started a great move back towards the justification of sin that I am not justifying. But, yet again, darkness always starts with a shadow until the darkest of night takes over again, and then it starts over again.

But know this: My revival of love is going to be turned loose and you will see when the time comes that these things—for the enemy—won't be possible because of the depth of your understanding of My love and the freedom that you walk in.

PT121104 - Nov 4, 2012
Time Taken to Build the Right Foundations

Be encouraged and be strong. There will be a day that you will rejoice and be glad and you will understand and rejoice for the time that it took to build the right foundations.

Hear this: The foundation that is forming because of media is not only going to be strong here, for not only will you be used here, but you will be used in other places.

I just saw that vision from fifteen years ago or twenty: I saw a veil around the earth. There was a bright area and then a veil and then a real bright area, and people were fighting their way up and they got into that veil. And I said, "That's the principalities and power of the air, isn't it?" And He said, "No." He answered that right away. He said, "That's the flesh."

And then I noticed somebody would get their hand up and it would glow like the atmosphere that was beyond [the veil], and they would come back and they would lay a hand on people and they would get healed. And some of them, [their] minds would go through, and oh, they could teach [well]. And some of them would get both hands or their brain through, and also all the helps and governmental, organizational—some of them starting, breaking all the way through, and when they did, they shot like a spark into a dark region and then kindled a raging fire.

Have we seen that yet? No. Is it still ahead of us? Yes. But the paths are getting wide—media. Narrow is the path that leads to [life]. Wide is the path that leads to destruction. Many go thereon.

PT121118A - Nov 18, 2012
Where Extended Miracles Live

He truly has been able to bring the love of God forward, for it is in His plan. He said that He is visiting me with this because it is one of the keys that must be put on and a door must be opened for an outpouring that we are looking for, which is just not going to stop.

For where extended miracles live is where the people don't use them for their exaltations and to make their wealth.

He is also looking forward to the day that He can turn loose—absolutely loose—and a great harvest that will come through His love. And the devil will not have as easy a time as he thought he could have to pull it down with seduction and deception.

So these years that you have been enduring, look around. This is why there are not many powerful moves of My Spirit, because they were unable to endure and to attain to that place in Me where the things that they see will be because of My love and My glory—not their greatness. For when you begin to see others through the love that I have given you and the genuine flow of this, you will not become something that you shouldn't be.

PT121118B - Nov 18, 2012
Faith Where All Things Are Possible

Editor's Note: The following was spoken at the end of the service.

For you who stayed, these things that I exhorted through the main service were things that would lift you up and put you more in tune with Me so that I might be able to do more for you. For when you see Me through My love and I see you through My love, you will see—you will see—I can lift you up where there is a faith where all things are possible to him that believeth.

PT121125 - Nov 25, 2012
Stay on Board; Increase What You Are Doing

Editor's Note: The following was spoken after an exhortation on holding fast to what we have been promised.

Stay on board. Increase what you are doing. The days are coming to an end and [as] each day does, you come closer to your goal. So stand fast and know: These teachings that have been brought [forth], they are not just happening. *But His hand is unfolding.*

Did I not say to you “endurance”? Be strong. You will see what I will do in the future, says the Lord.

PT121202A - Dec 2, 2012
When You Worship Me in the Most Severe Times

Don't you know that when you worship Me in the most severe times that you are celebrating My truth, not your destruction, but My truth? And you who celebrate My

truth, know that I am Truth and I am Love. And when you “park” [stay] on My truth and celebrate Me for it, then it will change what needs to be changed, says the Lord.

PT121202B - Dec 2, 2012
I Have Always Been There With the Provision

For many of you, part of your reward will be [to be] able to see what your eyes will see in the future, and as you walk into this place and you look at Me, you will say, “It’s even more than I had thought it would be.” Yes, and I have made these things available from the time the first person looked up at Me and said, “I need what You have.” I have always been there with the provision.

There will be a chain of events that will cause many of you to decide to anchor your feet solidly on the ground, and you will rejoice, because the things that you will see come to pass in the future, you will glory over, for many of you shall see My revival.

PT121202C - Dec 2, 2012
I Am Truth and Love and I Never Fail

I have so many things to say to you, but some of you are not able to bear it yet. But there is a time coming soon that you will, for these things will pick you up and the realm that they will deposit you in, you might as well know, the enemy has a strategy for [each and] every exaltation that you receive from on high. So be strong and know that I am here, and I am Truth and Love and I never fail.

PT121202D - Dec 2, 2012
If You Will Hear the Truths That Will Be Taught

It has been in people’s minds for generations how things should be, how religion should be, and how revival should be, but hear what I have to say: I will pick you up into a place that is in Me if you will let Me, and this place has as much to do with love as it does My power. And it is not the kind of move that is caused to be dispersed, but if you will hear the truths that will be taught, you will be on such a foundation, you will be immovable and you will get to see with your eyes what I have been talking about for these last decades, says the Lord.

PT121209A – Dec 9, 2012
He Delights When Things Come to Pass

He delights in edifying you, encouraging you, and He delights when something that He has encouraged you in and given to you—that you begin to lift it up and walk in it—that it comes to pass. These things delight Him. These things delight Him.

This is why He enjoys the times you spend in worship and the times you spend praying in your prayer language.

PT121209B – Dec 9, 2012
It Is My Delight to Administer My Presence

Editor's Note: The following was before prayer for the salvation of loved ones.

This is the way I get what I need to move very powerfully, says the Lord. For it is My delight, My delight to administer My Presence and receive what I need to track these people down.

PT121209C – Dec 9, 2012
Don't Let Fear Stop You From Moving Forward

Editor's Note: The following was spoken to those who hear and know it is for them.

He told me to tell you that the only thing that is holding you back is your fear. So take your first steps and come in; I will meet you there. When you step in to Me and [in] opposition to that fear, don't you know that I will come and strengthen you in that area? So, obey. I have called you. I have called you, so don't let fear stop you from moving forward.

PT121216A – Dec 16, 2012
A Way to Attain 'All Things Are Possible'

All things are truly possible to him that believes, yet, why would I say these things to you—that all things are possible? Why would I say that if there wasn't a way for you to attain to them?

PT121216B – Dec 16, 2012
All the Things That I Did, I Can Do Again

Why wouldn't more be known? Why wouldn't more be understood? All the things that I did, that I promised, I can do again, says the Lord. So brace yourself and be strong. What do you think a revival is made out of? What do you think causes a city to hang on the edge of excitement?

Come with Me and you will find out. But be brave and be strong, for it will not be without persecution.

PT121216C – Dec 16, 2012
Continue on Your Path

Many, many wonderful things will be seen, for caps [limits] have been put on some of the greatest miracles and moving that are in My desire to give. But you continue on your path, for did I not say that He would guide you into all truth? Therefore, stand fast and know that truly the works that I do, you shall do also, and even that greater work [so] that you go on to get many, many, many born again.

But when I am free to move the way I moved in those times, then it will cause quite a stir in not only your city, but [also] in the cities surrounding. So be of good cheer.

PT121216D – Dec 16, 2012
These Miracles I Have Provided Because I Love You

Editor's Note: The following was before prayer for those needing healing.

These things I did for you, I did for Myself because I didn't want to lose you. So these miracles I have provided through bearing your sicknesses and your diseases, I did for you because I love you.

In times past, many times I said, "If you only knew the love that I have for this, you'd turn it loose." But you will know, but you will know because there is coming a time here, for My love will be known as it has not been known in many places.

PT121216E – Dec 16, 2012
I Am Looking

Editor's Note: The following was before prayer for seasonal viruses or other health needs.

The devil has worked millennia and centuries to see in it that he would harden your hearts against what really give[s] Me what I need to move in the absolution of the supernatural realms, and using religion, he programmed most of that away. But I will tell you that I am looking for a place—I am looking—that will come to the fullness of My love, and I will get to restore all of who I am [in manifestation]. And you will see things in these last days that will spell [a] mighty harvest. So be strong.

PT121223A – Dec 23, 2012
Worship Like It Is Already Done

Peace resounded through my spirit for a minute. I don't think I've ever quite had a resounding like that of how it is, can be, and should be.

When times get worse and your faith is tried, remember this, that My peace, My power and My standing that I have given you is enough. But you will see, you will see the things that I can do and you will see the things the devil will try to stop. But you have already won. So rejoice and such and be exceedingly glad and worship like you are rejoicing—something that needs to be done like it has already been done.

PT121223B – Dec 23, 2012
Can You Do What I Said?

Editor's Note: The following was before a ministry line for those who were facing resistance entering into business.

You think that I cannot come into partnership with you and finish putting that business together that you are trying to get started? What you are saying [is it] will be completely involved with the Kingdom of God.

I can do that. I can put that together. Can you do what I said?

PT121223C – Dec 23, 2012
Magnify My Word in My Presence

Editor's Note: The following was before a ministry line for those who were facing resistance entering into business.

Hear these instructions: When you magnify My Word in My Presence—for I am not a man that I can lie—you are magnifying what I said, and what I said I would do, that will I do. But for you who enter into worship and begin to worship Me and fellowship and glorify and praise and hold Me up, don't you know that you are releasing Me to hold you up? When you worship Me around a verse, hour after hour, what you are doing is amplifying [the Word] by resting in the spirit over My promise.

You might as well know, in this area, there is a shortage. There is a shortage of those who can survive the power that is in money. For that power that is in money is offering them to be anything anywhere that they want to be. So many don't survive. But I will say this to you: In these last days, there will be those who will enter into the mortification process, and oh, they will come forward; they will come forward. You will see. And you are saying to yourself, "How can this be?" This can be because My foundation has been built on and compounded on through the centuries in [the] past. And now that travel and knowledge have increased—it's on every hand—things are coming into place for a worldwide revival manifested.

You think I cannot go in where My Word is going in? I can go in where My Word is going in. And any outpost that receives everything I am through teachings that have been brought in through the areas of communication, I will still come and honor My Word because truth is truth, and you will see: There will be revivals of this sort breaking out in the homes of many, many nations. So be strong and know that I am moving.

PT121223D – Dec 23, 2012
The Door Is Open to Receive Revelation Knowledge

In the futures to come, you will continue to be equipped beyond what you are now. You will be equipped as My Spirit is poured out, for I will teach you along the way what it is in you—My Presence; how you come before Me in the time you spend [in My Presence]; how these things will change your foundation and cause you to grow from those roots most never reap from. But I have plans—plans for you—for the door is open. For the necessary things have been administered to receive revelation knowledge from Myself.

Do you think I will hold back, says the Lord? For receiving on this level of My Spirit—Tulsa is in revival; Jesus is Lord in Tulsa—there are things that need to be learned and need to be walked in. For throughout history, these places have been attained, then taken back away. And the place the devil trembled most over was the place where My love was able to live for a period of time and amplify, then he would have to track down the remnants of them and destroy them one by one. But that won't be so with this revival. You will see different things that will begin to happen, for the media has changed. Knowledge has increased with travel—take advantage of it, for you can

spread enough truth [just] as the devil can spread disaster. So be strong and move forward. You are in a place to win.

Proceed Forward in Me and Say What I Say

Editor's Note: The following was spoken after prayer for those in need of physical healing.

For you who will listen, I love to continue what I am doing in your body, and when you fellowship with Me, you go from where you are to where I am. And where I am, it is done. In that day, it will be done, so do not accept it the way it is now, but proceed forward in Me and say what I say and you will see—this is for each and every one of you to be healed.
