

The Lord's Present-Day Speaking

He Takes Pleasure in Your Prosperity

There is nothing that He has withheld from you. There is no blessing—there is no promise, there is no joy, no victory—there is not one thing that He has withheld from you. He takes pleasure in your prosperity.

When you receive His blessings, that is how He is blessed. When you receive victory, that is how He takes pleasure. There is not one thing that He will withhold from you. He is waiting for us to receive all the wonderful things that He has already paid for.

Do not be afraid. Do not walk in fear that you are left behind. Do not be afraid that you are second best, not good enough—those are emotions of the flesh. They are not real—they are not from you. They are not from Him. They are lying emotions of your flesh. You are not second or third or fourth—you are not in line waiting for your turn. You are first. You are His. You are His child, and He takes pleasure in your prosperity.
