Exhortation on Private Worship

Somebody said, “Now what was it? What was it that would increase that love that you have, that ability to love and have it come into operation in your life?”

The key again to that is the praying in tongues that you have been doing, and start throwing an hour or so of private worship in there where you surround your spirit and sustain yourself in comments of, “Father, I love You and glorify and magnify You. I exalt You and lift You up. I praise You and love You and thank You so much for saving me. How can I tell You how much I love You?”

See? You know how much fellowship He gets out of that? You will feel an anointing, and a Presence starts coming in and I will tell you, you can't bathe yourself in that without it bringing a change.
