Magnify My Word in My Presence

Editor's Note: The following was before a ministry line for those who were facing resistance entering into business.

Hear these instructions: When you magnify My Word in My Presence—for I am not a man that I can lie—you are magnifying what I said, and what I said I would do, that will I do. But for you who enter into worship and begin to worship Me and fellowship and glorify and praise and hold Me up, don't you know that you are releasing Me to hold you up? When you worship Me around a verse, hour after hour, what you are doing is amplifying [the Word] by resting in the spirit over My promise.

You might as well know, in this area, there is a shortage. There is a shortage of those who can survive the power that is in money. For that power that is in money is offering them to be anything anywhere that they want to be. So many don't survive. But I will say this to you: In these last days, there will be those who will enter into the mortification process, and oh, they will come forward; they will come forward. You will see. And you are saying to yourself, "How can this be?" This can be because My foundation has been built on and compounded on through the centuries in [the] past. And now that travel and knowledge have increased—it's on every hand—things are coming into place for a worldwide revival manifested.

You think I cannot go in where My Word is going in? I can go in where My Word is going in. And any outpost that receives everything I am through teachings that have been brought in through the areas of communication, I will still come and honor My Word because truth is truth, and you will see: There will be revivals of this sort breaking out in the homes of many, many nations. So be strong and know that I am moving.
