The Moment You Quit Worrying

The moment you quit worrying about a job is when you will get one. For when your heart says yes to Me, it is not just “Yes”—when you say yes to Me, it is [yes to] all the things concerning My Word, My ministries and My call.

When I say, “Yes, obey Me,” then follow after what I have said in My Word and you will see, I will honor everything I have promised you.

Meeting your needs is one of the easiest things in the world. The only time you make it difficult is when you doubt what I have done.

This was not said in the tense [the tone] of [being] condemning, but in a tense [a tone] of teaching you how to pull yourself out of the [emotional] downfall, pick yourself back up and get on the path. Don't stay down.
