Dedicate Your Child to Me**

Editor's Note: The following was spoken during a time of baby dedication.

Hear—listen, for when you dedicate your child to Me, you place that child in the place of authority that I will see to the rest of his life. So when you do so, be exceedingly glad and know that I will move forward in the degree that I was loosed to move forward and prevent many things that the devil always schedules for children who are growing up, that he may entangle them with the world. So be exceedingly glad and rejoice and dedicate your child to Me.
