

The Lord's Present-Day Speaking

PT120624A – Jun 24, 2012
The Love of God Is Taking Its Root

Why wouldn't great joy be present and accompany My love—why wouldn't it? So ready yourself for the future for the things that will be said that I will say. And they can be said because of the love of God that is taking its root here, for many things can't be understood without this. So be strong, and at the same time, know that you have what you need to be strong with.
