I Love to Exhort and Edify

I love to exhort and edify, and when I get to speak My mind for this moment, I love these times, says the Lord. There is so much that I want to say.

He is expressing His joy that so much of the training has been through edification: The Holy Spirit, through the understanding of My Word—which is listed as the mysteries, the mysteries were hidden in Christ but now are being made manifest. For you who are speaking these things, it pleases Me much because I am able to edify the crowd when My mind is being able to be manifested for the moment.

So I am pleased with you who have edified yourself to the place to yield to Me that you might exhort what is in My mind for this hour for this city, says the Lord.
