

The Lord's Present-Day Speaking

PT121125 - Nov 25, 2012

Stay on Board; Increase What You Are Doing

Editor's Note: The following was spoken after an exhortation on holding fast to what we have been promised.

Stay on board. Increase what you are doing. The days are coming to an end and [as] each day does, you come closer to your goal. So stand fast and know: These teachings that have been brought [forth], they are not just happening. *But His hand is unfolding.*

Did I not say to you “endurance”? Be strong. You will see what I will do in the future, says the Lord.
