I Am Always Looking for Something That Releases Me

Editor's Note: The following was spoken during a time for prayer for loved ones.

Hear what I have to say, for I am always looking for something that somebody will give Me that releases Me to go after these. Why do you think that I would say the harvest is truly plenteous, but the laborers are few, therefore, pray to send forth laborers into the harvest?

He's the One that died for them. Why doesn't He just send them? Why do you pray for Him to send forth laborers? What does He want from you? What makes you think that He can't get something from you that will release Him to go after somebody you love who is not saved yet? Every time you see them get in a mess, just smile, because you know that He is there.
