What Is Built by Faith Will Last Forever

Do not compare yourself with other groups and say, “We don’t have what they have. We should have more to be successful.” Do not compare yourself, because it is not the same. For many have succeeded using the worldly system—natural means—and call it success, but I call it failure, because what I want for you is pure and unmanageable, untouchable by the devil. Whatever has been built by your own ability, the devil can come and take it. But whatever is built by faith in Me, the devil cannot touch it. It will last forever.
