

The Lord's Present-Day Speaking

PT121010C – Oct 10, 2012
You Will Hear What He Has for You

He says: Don't concern yourself. Many of you come, wondering about your call a little bit, and [have] been asking God some questions and things. More than you think is going to be answered about those things.

So tune in, keep your ears open, and wait on Him. There has already been a lot of direction handed out here and there by the power of the Holy Spirit, so you hang on, hang on. You will hear this round what He has for you.
