You Are Not Damaged Too Much

I am well able to repair the damage of your mistakes. If you just trust Me and walk with Me, I will walk you out of every mistake you made and turn those things to glorious testimonies.

You have not gone too far. You are not damaged too much. Take My hand and walk with Me and you will see, you will see you are not alone. You will see you have never been alone, and you, too, will be amazed because others will be [amazed at] how I can fix damage and turn it to something glorious.
