

The Lord's Present-Day Speaking

Be a 'Weightlifter' of Truth

For some of you have not received because you have not been able to bring yourself to look past that place—what have you been taught? What is it that you don't know? Is not faith already the substance of the thing you are hoping for and all the evidence you really will ever need of that thing you can't see?

For many of you don't get past emotional issues—this kind of changing and that kind of changing—because you can't see the grace that I have for you, and I gladly died and will trade that [grace] off for your weaknesses. So practice strength, practice strength, not weakness—run towards the problem, not away.

Be strong. Be a “weightlifter” of truth, for you will know the truth and it will set you free.
