Present-Day Speaking

PT130106A – Jan 6, 2013 He Will Guide You Into All Truth

Editor's Note: The following came after a brief explanation about God using exhortation as a means to deliver what is needed or to bring understanding.

In the days of the apostles and the formation of the New Testament, these had the Word of God inside. Paul speaking: “I thank my God I pray”—speak in tongues—“more than you all,” because he had already pegged it as a source, on-purpose source to receive the mysteries of God that were hid in Christ Jesus—the mystery of who Christ is in you, the Hope of glory.

Paul knew he couldn't pray in this language that came down from Heaven and not [be] praying those mysteries out for the purpose of them being answered in a form of understanding the mysteries he was praying out. Remember, their letters explaining these mysteries are now your Scriptures in the New Testament.

They had to walk out here [to teach] armed with what they knew and having been taught by the Holy Spirit through this one major avenue in particular—praying in the Holy Ghost. For Jesus mentioned Him when He said, For He—the Holy Spirit—shall receive of Mine and show it unto you. He will not push drag or pull, but He will guide you into all truth.

PT130106B – Jan 6, 2013 Praying in Tongues: I Said You Would Be Edified

Editor's Note: The following was spoken after an exhortation on praying in tongues.

He gave this to you so that you could open up a communication with Me where I could order what is being prayed and continue to move your life down the path that I have set for it. So think not that you are not accomplishing much when you are praying in My language and doing other things and going about your usual business and time. And any time you can give to Me for the edification, you can rest assured, it wasn't you who said you would be edified. I said that.

PT130106C – Jan 6, 2013 The Time Is Truly Drawing Closer

There is nothing that you have that I have not taken care of that you have to keep, for there are places in Me that you don't know much about yet. And not many people have attained to them, but those who have, they have come to Me and have gotten things that caused the world to stand up and notice and say, “This must be God.”

I have several things scheduled for you, so be strong and know that the time is truly, truly drawing closer and closer that you will get to see the things you have only heard about. So rejoice and be exceedingly glad. Your time is close.

PT130113A - Jan 13, 2013
Worship Me for What I Said About It

For you to take your stand—resist what shouldn't be that is trying to come on you—worship Me for what I said about it instead of lending yourself to it. You, too, will walk out with a great victory.

PT130113B - Jan 13, 2013
A Place of Surrender in Me

Many of you who have a hunger and a thirst, both of these will be satisfied in the days to come through your obedience. For to thirst and to hunger after My moving—this is not a hard thing to attain to, but it is something that the devil has made [to] look impossible because of all the doctrines that have [been] substituted [for] My truths in this area. But be bold, for I am not looking for special, exceptional people. I am just looking for those who love Me and who love people.

Don't be surprised when these signs will follow them that believe—you will lay hands on the sick and they will recover. So be strong, for My will is not to leave you the same week by week in the occupation of your chair. For until a person turns loose [of]—“Oh, it's all about me. It's all about me”—it's hard for them to give themselves to the degree where they become the servant, and not the kind of servant who wants the exaltation. For there's a place of surrender in Me, a place that I can use you in everything that I have and am.

PT130130A - Jan 30, 2013
Building Your Hope in Me

As you enter into this time of building your hope in Me, know one thing: It is not your performance that gives you entrance to the promises you have from Me, for I performed all things so that you are now free, free, free to receive.

Worship is a powerful way to build your hope in Me and to position yourself in the place of your standing in Me where all is done. Do you know that it is My performance that you stand in? Do you know that it is what I have done for you which gives you this place in Me so that all that I have is now yours?

It is not your performance I am judging, for all has been judged in Me. The only matter now is your standing in Me, for My performance accounted for all your failings—My sacrifice paid for these things. Take these words to heart: Your account has been paid in full. Your debt is canceled. Your balance sheet is clear and clean. All that kept you apart from the promises that are in Me has been cleared from your

account and you are now free to receive. As you step into the hope of your standing in Me and the glory that is yours in Me, you will see things far beyond what you have dreamed.

The enemy is screaming and talking to many about what they see. In the midst of the storms is the quiet place where I am speaking, and what I speak is the truth about what you see. You have victory in Me. In My love, I have accomplished for you all things. You are free to freely receive.

Worship is a place of quiet where the troubled soul finds peace. Worship is a way to enter into the shelter of what My Word speaks. In worship there is a quickening of the hope that is alive in Me. In worship there is a sustaining and peace in the midst of storms that buffet and never seem to cease.

Worship is an avenue of great strengthening, and through worship, you see the truth that is in Me and your spirit receives. As you take the hope-building power that is in My Word and worship Me, My Spirit will help your eyes see Me and your life in Me and you will not be the same. You will not be the same, for you are never unchanged when you drink of Me.

PT130130B – Jan 30, 2013
My Victory Is Not Deserved—It Is Received

My victory is not earned. My victory is not deserved—it's received. It's received and paid for by the blood of My Son, so receive. Walk in victory. Walk in victory. Trust in victory. Believe in victory. Look to victory. Look to victory. Look to victory!

Receive it, My children, receive it. Receive it. Hold on to it. It's yours.

PT130130C – Jan 30, 2013
The Battle Has Already Been Won

Don't let your knees get feeble and your legs get weary. Don't let your heart be disheartened or your courage be discouraged. Be strengthened and know: This fight is not yours. Victory has already been given to you. The battle has already been won. Walk—walk with Me and trust Me.

The waves of pressure, of defeat and discouragement that have hit you in wave after wave of discouragement and defeat that are trying to teach you that you are defeated—they are lies. Walk through them. Don't listen to them. Don't receive the emotions of them but walk through them and hold on to what I have already given to you—the victory. The devil and the enemy have already been defeated. Your battle is not with them. Walk towards Me and follow Me.

PT130130D – Jan 30, 2013
My Words Are Truth From Your Father

I am not a man that I can lie. You know, you know the words that I have given to you, the ones that you know are from Me. Filter through the papers of prophecies and words, and you know which ones are in your heart that I have spoken to you. Do you think I can lie? I cannot lie.

So don't believe what's around you and don't believe the lies of the enemy. He's the father of lies. My truth—My Word that I have spoken to you, the personal words that you hold on to, they are truth. They are truth from your Father. Hold on to them. Hold on tightly to them. Because that is where you will be if you follow Me.

Don't slow down. There is no other way—just My way. That's it. So when you feel and are overwhelmed with wonder and defeat or failure or thoughts of failure, just remember what I have spoken to you. Remember those times of intimate words that My heart has spoken to your heart, the prophecies that have been spoken to you in the past that were personal to you. They are not just words on a paper. They are My Word. They are My truth, so you can hold them as truth and believe in them as truth.

PT130130E – Jan 30, 2013
The Time for Rejoicing and Happiness Is Right Now

The time for rejoicing and for smiling and for happiness is not tomorrow—it's right now. This is the time to rejoice. This is the time to be excited and encouraged because My truth is truth today as it will be tomorrow. So don't wait for tomorrow to happen before you get excited and rejoice and trust and are at peace. Be excited and rejoice today because tomorrow will come, but it is already here—it's already done.

My Word is truth.

PT130130F – Jan 30, 2013
Believe in the Miraculous

I long for the time that the world can see My heart and My love for them. I ache for them to see My love. Please continue to follow. Please continue to trust Me.

I long for the moment of My power to flow. I long for that moment. The world will see Me, not just through words but through My power being displayed.

There are many, many mighty signs and wonders coming. I will show you. I will surprise you, for even what you think you know is not close enough to what I know and what I want to do through you and for you.

Believe. Believe in big things. Believe in great things. Believe in the miraculous. That's where I live. That's normal to Me, and it will be normal to you.

PT130210A – Feb 10, 2013
The Kind of Praying That Makes the Difference

You cannot pray My mysteries out without them affecting what is happening on both an international and local level. For the more that you pray, don't you know it is your authority, but it is My mind, and you are releasing Me to move in the kind of praying that makes the difference? The edification is about you—that I can build you up above anything, anything—that you can move when I move and talk when I talk.

In these last days, there will be much confusion here and there, and there will be a people looking for an answer, and you have the answer that they are looking for.

So be strong and continue on the path that you are on, for you are scheduled to see some mighty things that you will be delighted over, says the Lord.

PT130210B – Feb 10, 2013
Stay on Course—Lift Your Hands and Worship Me

There is a time to cry and a time to laugh as many different seasons, but don't step back in your relationship with Me, says the Lord, for the way that you can stay on course in the worst of it [is to] lift your hands and worship Me, because I am your Answer. So be not deceived and stay close to Me no matter what the enemy tries to do, and you'll see, you'll see, not only will you make a recovery, but you will move forward—maybe slowly, some faster and some faster. But you will move forward into a place where you can make a difference.

When I saw that difference, that was not just one person—you are affecting everybody you know.

PT130210C – Feb 10, 2013
Don't Back Up—Keep Coming Forward

For this generation that I am turning loose on the world, things are getting close to His coming. So there will be a generation which will move forward and go out to declare Me and the signs and wonders that you have read so much about in these last days.

So be strong, because you are on the path that brings those things to you. Don't back up. Keep coming forward, knowing that you cannot harbor My prayer in your heart and release it and not be affected yourself when your time comes.

PT130210D – Feb 10, 2013
Ought Against People Affects Answered Prayer

Editor's Note: The following was a reminder of what the Lord has said about unforgiveness hindering answered prayer.

His words: He said, You have no idea the effect of your ought against people has on your answered prayer.

PT130217 – Feb 17, 2013
A War Declared on Darkness

The time is arriving where you will not just look at any situation and hope the best, but the time is coming when you will take that situation on as a personal [situation], and when you take that on personally, you are saying to Me, “No, I know that Jesus bore that, and I am not going to leave it that way.”

There is a place in Me that can be attained to where those who were thrown by the wayside by religion and are holding many things—it was not My will for [those things] to hold them and destroy their life, but these will come out of the teaching that will be manifested along with My glory—manifested by My glory with My glory—when the revival is touched and you turn Me loose for the salvation of many thousands and thousands of people. When you look at that, you will say, “That was a war declared on darkness.” But you have given to Me and it is building up and I have what I need. Everything is getting very close—you have given to Me, I have what I need, and I can give back.

It isn't too far away, what you have been waiting for, so rejoice and be exceedingly glad: You will have—you have your revival.

PT130224 – Feb 24, 2013
You Have Authority Here

Editor's Note: The following was spoken before prayer for the salvation of loved ones.

You are sitting in more power than you know and operate in much less than what has been given to you. Why wouldn't I be there to not only guide you into all truth but to supply what I have in leadership and in the supernatural to bring these things to pass? Because I wouldn't that any should perish.

Most have no idea, most have no idea what changes the power that you loose in Heaven [brings] when you hold a name up before Me and declare him saved. You give Me something I need to go after him.

He said to remind you: Why would He say, “Pray the Lord of the Harvest to send forth laborers”? Why? Why does He want you to pray? Why?

Why doesn't He just send them? He is the One who died for them. What have you got to do with it? What makes the difference when you utter it? Because you have authority here.

PT130303A – Mar 3, 2013
As My Love Increases

He emphasized: As My love increases, as My love increases, as My love increases, as I have already said to you: You will begin to see the things that will be uncovered that once were with the revivals that I sent.

He said all He needs is somebody whom He can take to that place, and you will see those things in their fullness again.

PT130303B – Mar 3, 2013
When You Walk According to My Spirit

He said: Didn't I say to you that all things are possible to him who believes? Did I not say these things to you? When you step over onto My side and walk according to My Spirit, you will see.

But this I am pleased in, that one of the major sources to information is the language you speak when you pray in tongues. And when you pray something out, then you receive it and you will see: It will be in your direction, in the power you walk in, and even the teaching and preaching gifts you will possess. You will see, all these things will manifest and you will see mighty things happen before I return.

Praying in Tongues: I Can Give You Rest

Editor's Note: The following preceded an exhortation about the enemy working through feelings and atmospheres.

He said some of you are pulled down with dismay, and even though you teach yourself in confession and rising up, for short periods of time, you will rise up, and then these disappointments come back, and the feeling that is trying to become a foundation in your life will keep reappearing—that you will end up doing nothing because you ended up walking that way.

He wants you to know that praying in tongues has everything to do, in a certain amount of time, with the atmosphere that rests around you that you are yielded to.

But, you, come unto Me, come unto Me, you who are burdened heavily. Come unto Me. You will see: I can give you rest.

PT130303D – Mar 3, 2013
You Are Closer Than You Think to the Outpouring

He said: You are closer than you think to the outpouring. You are closer than you think.

We are all highly developed in thinking ten years [or so and then the outpouring will come]. So for Him to say something like that, you **ARE** closer than you think.

PT130313 – Mar 13, 2013

Take Great Courage

Take great courage in who I am. Take great courage in what I do for you and through you. Take great courage in My love for you, because when the enemy comes in the times that are coming, the natural courage that many men walk in will fail them. The natural strength that has pulled many through many fights will fail them. My strength and My courage will never fail you.

So take great courage in Me every day. Build that courage that I believe in you. Build that in your heart every day, because I will not fail you.

PT130317A – Mar 17, 2013

A Shift Is Beginning to Take Place

I am pleased. I am pleased with the progress that you have been making in My Presence, which is welcome here. For many [things] have come against you. Many you couldn't see, but you could feel the consequences of it. But don't you know that there is a time coming where the change will be noticed by everyone? And I will be involved in that.

So be strong, because a definite, different shift is beginning to take place that you will know as a new place in the Spirit, for it will be for many people. But you will have reason to be excited because it will be an exciting time on this road to our victory, says the Lord.

PT130317B – Mar 17, 2013

Move Forward and You Will Be Ready

Editor's Note: The following was spoken after a time of exhortation on private worship and the Presence of God that is available to us.

Take these things to heart, for times are changing; seasons are changing. Know that many things are going to come—these things are going to come whether many people do what they are supposed to or not. So hear what the Lord would say and move forward and you will be ready. You will be ready.

You will be ready. You will be ready. You will be ready. Keep in mind, Paul could take great pleasure in the Presence of God in worship whether he was sunk out in the ocean, getting a beating, imprisoned in a sewer, or having his feet broken. It must be a powerful key. It switches you over to grace—it activates what He has done about it.

PT130317C – Mar 17, 2013

It Is Your Choice—Choose All That I Have

Did I not give you a language to tell and retell [My mind for you]? Did I not go further [with you], beyond [where you were walking for] those who exercised what I

said in every people who obeyed and followed My direction? Yes, I did.

Why would it be different now? It is your choice. You make the decision. You can see all that I have for a people or you can see a defeat. Choose all that I have, for you are on that road, and defeat won't be here.

For many choose defeat by just choosing the comfortable, convenient things that are ahead, [that] are in front of them, but the trouble with that, most of those [things] did not originate with Me, says the Lord.

So be strong and stay on this path and you will see, and especially in eternities to come, you will be exceedingly glad.

PT130324 – Mar 24, 2013
I Am Going to Whisper Future Things

He is going to start speaking to many of you about your future, for many of you—many have given up hope on their future. I just heard Him say that to my spirit: I am going to whisper future things to them now.

PT130327 – Mar 27, 2013
Choose Me Above All Else

I want you to enter in to all that I have for you. You are the one who needs to make the decision. It is your choice to have as much of Me as you want or to have as little. I force Myself on no one, but I offer Myself to everyone. It is you. It is you who decides.

Come in and be with Me. The intimacy that I told you about, that intimacy is available. Come in and enjoy My Presence. Drink in My Presence and be forever changed. What I want to do through you, I can do through no other but you.

Choose Me. You choose Me above all else and I will not disappoint you.

PT130407A - Apr 7, 2013
Get to Know Your Father-Make No Excuses

We've crossed the line as a church and He will not allow us to go back. The way we operated last year is not good enough for this year. The way you received and I received last year from Him is not acceptable ever again. He is asking you personally to get to know your Father and to make no excuses—that we can make no excuses of why we are not receiving, because everything is in Him already.

You and I can have as much of Him as we want. And what He is after in us is a group of people who walk together, share together, walk through things together, pray for each other, hold each other up, strengthen each other, but we no longer look, [except for] one place, to receive—and that is our Father. He wants us to blaze a trail as children who know their Father so that others will follow and will step right into that same Presence. So we can get out of the way. So man can get out of the way.

I just tell you what I am seeing: It's a revival—thousands and thousands of people coming to experience His Presence without man in the way. And experiencing His Presence is not just an “ooey, gooey” feeling of satisfaction, of safety, of feeling nice. It is power, where they will be healed and the blind eyes will open and the deaf ears will hear and the lame will walk, not with just prayer lines. I'm not saying not with just prayer lines, but just from His Presence.

So receive. Receive from Me. Let Me be your Father. Let Me show you how much I love you. Let Me become Everything to you and never be afraid. Never be afraid of coming boldly into My Presence.

PT130407B – Apr 7, 2013
A Place of Worship, of Fellowship, of Intimacy

Some will resist stepping into this new place I have created for you. Some will hold on to knowledge as their strength. Some will hold on to works as their strength. But, you, I am calling [you] forward into this place—a place of worship, of fellowship, of intimacy.

Make up your mind today to leave all behind and come in to Me. Give Me your will. Give Me your life. Give Me your heart and step across that line and you will find who I really am, for you do not know who I really am yet, but I will show it to you.

Come closer. Come closer.

I am hearing this, and it is like a warning. It's saying that those who are resisting what He is doing, what He wants to do in you, will come out and attack you and try to stop you from crossing that line and try to hold you back with those things of knowledge and self-centeredness and [self-]will. Leave them, He is saying. I need you to cross this line and leave them if they won't come. Leave them. You come closer.

This place He has created for us to go to—there is such a purity in this place that He wants us to go to. It's a place where man's agenda cannot be.

And many of you are ready to go into this place, and some will try, but their agenda will stop them because they don't want to give it up yet. But many of you are ready to come, and I am ready to move you forward because, behind you, many, many—there is a circle that I am seeing. It is a large circle of a place of intimacy, a place of purity, a place of God relating to you, to His children, without men's agenda. And I see that a group is walking into it, and as you walk into this circle, your agenda falls off of you. You walk in, but those who have an agenda, a personal agenda, they can't get into this circle without letting go of the agenda, and it is stopping them.

And so this circle is surrounded by people who appear to know God, but they don't, and they can't get in. Yet the circle is filling and filling and there are many immature Christians who are following this group into this circle who don't know much about God, but they will follow us right into the circle where they will experience a purity of His love without man's agenda in between to hijack it.

And He is speaking to us here today and [to] whoever is part of this message: I am asking you to come closer, to come closer because you are creating a trail for babies to come and skip all those years of religion and just bask and grow, knowing only My love.

This is a separation. This is a separation.

This circle that I see, it is a playground for God's children to enjoy His love, and it is protected. This is a dangerous place for some people. It is also a place of judgment in there, and those are the people who come in or try to come in with agendas. But for those of you who will just run into His Presence, miracles flow easy in this place. This is a place where brokenness is healed.

PT130407C - Apr 7, 2013
He Won't Let You Go

There are some of you who are afraid that you won't make it, and I will tell you what He just spoke to my heart. He just said to me to tell you that He won't let you go. So quit saying that and just know: You might as well give up, because He won't let you go.

PT130421 - Apr 21, 2013
You Do Not Need to Be Afraid

He loves you. YOU—He loves, and if that worry and that pressure try to get on your shoulders, remember: You are not made to worry. You are not strong enough to carry the burden of the worry of your life. But He is.

In the seasons of darkness, when it seems darkness is closing in, I take great pride in watching My children walk with Me and trust Me more than the circumstances around them, because My Word is truth, and My love for you is truth. Do not fear. Follow Me.

The enemy around you—the enemies [who speak] of defeat have many tricks, but you do not need to be afraid because you are with Me. It brings Me such pleasure that you trust Me enough to follow Me, and what wonderful things we will do together.

PT130424 - Apr 24, 2013
I Have Rivers of Love

He has never-ending love—rivers and rivers and rivers that flow of love, that just never end and never stop. You can't drink too much of it. You can't stop it.

He loves you, and right when you think that you have gone too far or done too much or crossed the line, there are rivers of love. There is redemption for every person who wants it.

For those who think they have messed it up too much or messed up their life too much, He is saying to you: I have rivers of love, and there is enough love not just to heal you but to help restore you. So even as you may have made decisions to walk away, there are decisions to walk back to Me, and you will find rivers of love for you, not just to bring healing but [to bring] restoration to you.

PT130428A – Apr 28, 2013
You Will See Me Move

Sometimes you feel the excitement of something that is about to happen, and you don't always know what it is, but you feel the excitement of it. I would say this to you: This time, it is more than you have seen in the past.

I am not doing a new thing to Me, but some of it will be a new thing to you. You will see Me move in ways that you will say, "This is amazing," much less [not to mention] people who are not used to it. And this will begin a talking in the town.

Be strong. It won't always just be pouring out of pure love—you will be challenged. So be strong and know that many, many, many souls will be saved in the outcome.

PT130428B – Apr 28, 2013
Praying in Tongues—The Word of God in the Hands of the Holy Spirit

I slipped into the Spirit for a minute and I saw a well. This well, would go here and it would be there—dug down—and then it would go [deeper], and it would be dug down somewhere else. When He started explaining it to me a little bit, what it was doing is landing in a religion and then digging down into it. And I am thinking, "Well, this has to do with what You have been trying to teach me here. What is this?"

Whenever they get filled with the Holy Ghost and start praying with tongues, it starts digging out every false doctrine, every false believing, and it will keep digging down until it gets it all out where God can move in the fullness of them, give them everything they have coming, get their relatives [saved]—do all of it. It doesn't matter what religion and what they are believing—this Well can go deep enough to straighten anybody or anything out because it is the Word of God in the hands of the Holy Spirit.

PT130501A – May 1, 2013
No Longer Are We Allowed to Continue Compromising

Editor's Note: The following was spoken after an exhortation about conquering the flesh and purging our lives of strongholds.

The tendency is, you come out of all of that fight for the early days until you finally achieve a modicum of success and you know where your next meal is coming from and people like you and even want you to come preach for them once in awhile, or whatever it is that you do. You know, your business becomes a success, the children are not driving you completely crazy day by day—whatever it is. And then you tend to level off, and by doing that, whatever strongholds are still in the land, when you quit fighting them, God quits fighting them. You decide to take up the sword again—God will take up the sword again. You decide to start praying again—you energize the Holy Ghost and your new nature to purge the flesh.

What He is saying is this: You are not the easy "take-outs"—you have already been through a lot. You have conquered a lot. There are trophies all over your spiritual

house of strongholds that have come down. We could all swap stories, but right at the same time, if you were to walk outside and look to the horizon, trust me, there would be strongholds in the land.

And what He is saying to us: No longer are we allowed now to continue compromising, living with longstanding strongholds. “Appetitos” [made up word for uncontrolled areas of the soul]—he’s going to have to go back to war.

PT130501B – May 1, 2013
Preparation on the Inside of You

Be encouraged. Many faint along the way because they do not encourage themselves. You don’t know what is in store, and you don’t know what is happening in the Spirit. But I say to you that you went down My path farther than you think, for much of it is preparation on the inside of you that you will not be forced back, nor will you stop, nor will you give up. So be strong and know that you are in better condition than you think.

PT130501C – May 1, 2013
What I Have for You—You Will Appreciate

For it is never the greater number that come, but it is a number who listens to Me beyond what the others want to hang on to. But when I pour out everything I am and they begin to see, they will come running and their reward will be great.

But what I have for you, you will appreciate, for you who stayed the same—no matter what has come and what has gone, and you have stayed on My rock, My foundation, and have been strong—you do not know what I have prepared for you.

Oh, you know what He is saying? Do you see any empty chairs? No—somewhere in there, you don’t know how. Well, you don’t know about rewards. You don’t know about the long times when everybody got weary and peeled off on you [quit] and you didn’t. You survived another one [battle] and stayed in there and brought another one [battle] and kept going and going. Do you have any idea the reward for—see, it isn’t the glory kind of reward: Yea, you are out on the front and five people got up that were dead and thousands of people are talking and wanting to worship you and all of that. It’s not that kind. It’s the kind that stayed wired together when everything looked like it was heading for hell, but it could not make you stop. It made it look like you lost everything. Sometimes some loved ones even when it was a full-scale war. Nothing worked; everything vanished—you are left standing on a rock, and you won’t quit. You won’t quit.

PT130512 – May 12, 2013
Do What You Know to Do—This Is That Time

If there was ever a time in history where God was calling a group—I look around the room; I don’t see many mighty, not many noble. I don’t see the governor here; don’t see the mayor. The world would look on this group and think, they wouldn’t

think real highly, even the religious world. But if there was ever a group of people whom God was calling to a time: Bore in, people, with everything that you know, with everything that you have been taught here. If there was ever a time to really bear down: Do what you know to do—this is that time.

Perilous days—the Scripture talks about perilous times. Not for you—right through the midst of it we will walk. We will be a light, and people will come to the light of Christ on the inside of us and the harvest will be great. But I am hearing words like: You won't even have the smell of smoke on you. You won't be touched by it. You will just walk through it.

PT130526A – May 26, 2013
You Can Give Them My Answer

As time goes by, when things shouldn't be happening, things are going to begin to happen, for many of you will begin making fortunes that have been prophesied about in the past. But in a time that seems impossible to the natural man, you will excel. And just because circumstances say that I can't move, I am the Lord your God, and I say, I can. I say, I can. I say, I can amongst a people who are looking for an answer.

So be strong. You have the answer. When the time comes when people are looking for this answer, you can give them My answer, says the Lord.

PT130526B – May 26, 2013
The Shortest Path Out of the Problem

The enemy has seen many people come this way, and he reads the signs from centuries before and knows when the time to step in [is] with all manner of chaos and destruction and to stop you before you take those next steps in. For he knows there is a time coming soon when people will really be looking for answers, and you will be here to give them to these people with My power, My answered prayer and My miracles.

You will see great things happen, and you, as an individual, will give Me thanks because you will never [have] dreamed that you could be used the way I am going to use you in this season of revival. So you should rejoice and be exceedingly glad for what you can't see and that you are going to see.

So stand up strong. Lift your hands in the middle of adversity and worship Me, and you are taking the shortest path out of that problem, says the Lord.

PT130526C – May 26, 2013
I Am Truth—It Is Impossible for Me to Lie

He said, Not only am I Truth, I am Love. And I am Truth in that it is impossible, it is impossible—He said in the first person: For Me, it is impossible for Me to lie.

He can't. He can't. He can't lie. He can't. That's why He gave us the most powerful and valuable thing that He has to use—His Word. He can't lie.

PT130526D – May 26, 2013
Know That Something Is Coming

As it was in those early days, so shall it be again, for many, many who were anointed by Me spread through the cities preaching, teaching, and healing all who were sick. For when these things awaken—rise again—you will see that people who are being born again and brought to Me under those circumstances will pick up and run with it.

For if you are born again in other kinds of circumstances, you will tend to be educated by the doctrine that is at hand. But know this: All I have is yours from the beginning, for in those times when they were born again into revival, they would add themselves to the revival and continue it in My Name.

So know that something is coming and you are going to see things you have not seen before. You will be grateful and you will worship Me, says the Lord, that you were born in this generation.

PT130602A – Jun 2, 2013
I Called You for Every Moment of Your Life

In your walk with Me, I don't call you to seasons. For you who obey Me, I called for you every moment of your life. For who is it who directs your path? Who is it who leads you? For in these last days, you will enter into a place of such authority, you who endure—such authority—your eyes will behold many, many outstanding miracles and events that you will have to say that “We are having a visitation from the Lord God Almighty.”

PT130602B – Jun 2, 2013
Things of the Spirit Are Understood With the Heart

It is My pleasure when I find those whom I can anoint beyond what is being walked in, in places where My Name is named. But hear what I would say. Hear what I would say. Hear what I would say: As the understanding of faith takes your heart and builds itself, you will see and you will say to yourself, “How come I couldn't do this six months ago? How come I can do this now?”

For things of the Spirit are not generally understood with the head but with the heart, and I have found enough to move a major direction towards the heart in this place. So hang on for change. It is at the door.

PT130602C – Jun 2, 2013

For Anyone Who Stays in My Presence for Lengths of Time

The road the enemy finds most interesting into you is to stop you from doing the things daily that free Me to move in My plan for you, day after day. For anyone who stays in My Presence for lengths of time and abides in Me, you are freeing Me to get closer to the fullness of your call and your heart and do things that I cannot do on a normal basis. For to walk in more of what I have for you doesn't necessarily depend on your title—it is where you want to walk and what you want to receive that I have for you.

Did I not say to all that these signs would follow them that believe? Who? Not to name just certain persons—them that believe.

PT130602D – Jun 2, 2013

False Signs and Wonders Will Be a Mainstay in the Last Days

Remember the last revival of sensationalism, when the devil came in and did certain things to cause the people to listen to what they [the speakers] had to say—there will be more moves like that, but don't be deceived. Stay strong. False signs and wonders will be a mainstay in the last days.

For by the Church, for by the Church who has not moved forward in the things of the Spirit, the move that I am going to loose here will be judged by many of them. So remember these words. Some things are getting very close. You will be blessed.

PT130623A – Jun 23, 2013

I Do Not Discredit You Because of Your Struggles

Editor's Note: The following was spoken after an exhortation on a surrendered life and allowing God to equip you for His plans and purposes.

I choose you for a different reason than man chooses you. So quit discrediting yourself when the very thing that I need, you already have. The thing that is most important for promotion in My Kingdom, you have. So do not discredit yourself because of your struggles. Men may discredit you because of your struggles, but I do not discredit you because of your struggles.

God's Pleasure—Tongues and Interpretation in a Service

He expressed His pleasure in being able to interact—because of the supernatural languages—with the Body that's being taught and employing His thoughts and His sayings, that He loves this, because to Him, it's an active teaching and it is a pleasure to Him.

PT130623C – Jun 23, 2013
Gospel Entrepreneurs Who Will Be Free

When I was over there, the prophecy came that in these last times, there is going to be the kind of entrepreneur that would really, I mean, just like revivals and hospitals being emptied and things like that, this was such a powerful anointing that the money wouldn't make—it wouldn't make these entrepreneurs. It wouldn't make slaves out of them. They would make it [their servant]. In other words, the millions and billions and billions they will dump in as this thing burns wild like a forest fire—and money will not destroy them. They will destroy the devil's work with it.

These guys are going to be free—**FREE!** And if we think that is an easy task, think again. Money can give you power to be just about anything that you want. You can even buy countries with it, just about. But to have a person have all of that at his disposal and be free from it to put it in the Gospel is what's going to happen [all] around before He comes back. And I saw this beginning to come forward and I got so happy, and He was talking about that just then in the tongues that some people are thinking, "Well, why don't we have revival now?"

I'll tell you what, I thought we should have had it the first week we announced we were believing for it. And you can't say that we prayed less than any other church or anything—the people being trained prayed less or anything— but I do know this, as time goes on, those entrepreneurs: Unmeasurable amounts of money—mammon—unmeasurable amounts will come on the scene because, suddenly, the revival fires will spread like a forest fire and go from one place to the other. And the harvest will be much, much shorter than what you would have thought a revival would take to go around the world, because everything was in place, this burned crazy, wild like forest fires and caught a flame, and the whole world was affected by what God was doing, which He was able to turn that all loose in preparation for His return which isn't too far from now.

So these guys [Gospel Entrepreneurs] are going to precede that when all of a sudden it breaks out. When money is worth something, then they are going to get to run ahead with the billions and billions, and finances will be no problem. And those entrepreneurs, they are going to stand there and get the reward [along] with the "mouth" they financed.

The Devil Does Not Govern Your Walk

Editor's Note: The following was before a ministry prayer line for those in a battle in their emotions.

The devil—he will tempt, and in the temptation, he will attempt to trade off some of the freedom that you have by My grace for some [of his] bondage, but you don't have to listen to him. He does not have authority over you. Neither does he govern your walk.

When you feel that come aboard in your emotions, then stop and address it as a spirit. Tell it to get out. He can't stay.

PT130630B – Jun 30, 2013
Lean on Me—I Am Here for You

Editor's Note: The following was before prayer for healing.

Rest in Me. Lean on Me. You will see—I am here for you, and I delight in the fellowship one on one, Me and you. This kind of fellowship is not hard for Me. Just lift your face and call on Me. I will be there. I will be there.

I desire your fellowship even more than you desire Mine. This is why you are of Me in the beginning.

PT130707 – Jul 7, 2013
My Fellowship With You in Truth Is a Great Delight

My fellowship with you is a great delight when you come to Me walking in My truth and I fellowship with you around that truth, for I am able to do many things that I desire to do, and you will receive many things you desire to receive.

When I fellowship with you and it fills you with joy, I rejoice with you, says the Lord.

PT130710A – Jul 10, 2013
Learn How to Press Through Those Feelings

My children, if you will learn—if you will learn how to press through those feelings, past that flesh, if you will learn how to raise up your hands and worship Me when all hell is lined up against you—when you will learn to do that, you can walk in everything, everything that I have already accomplished for you. But it takes you deciding. You have to decide. You have to choose Me. You have to raise up your hands. You have to speak out the words of worship, because in that, in that you will see the manifestation of exactly what you are believing Me for.

PT130710B – Jul 10, 2013
I Will Pour Out on You

Editor's Note: The following was after an invitation to receive healing from pain.

You are seeing things, but there are yet things to be seen. And you who stayed with Me and have walked this out in the Spirit with Me, you will see when a certain time comes how I will pour out. I will pour out on you.

When a person breathes in deeply that sigh of relief of a job well done, you will see: You take part in this plan that I have for this place that, when it is all over, you will be so satisfied, so full. You will feel such a peace and a strength that you will be glad that you found a way to follow the instructions of the Holy Spirit to everything He has given you to do.

PT130710C – Jul 10, 2013
Be Strong: Many Things Are Going to Come

For I have not taught you all these years—edified, build you up—to have you sitting and doing the same thing to the day you die. I have prepared you for a place that you would be edified in Me and could do the things I called you to do no matter what they were, where they were and what they are doing.

So be strong, because many, many things are going to come, and all of it is not good, but you have known of this time. A great visitation will accompany anything the devil thinks he can do to reverse it—you will see what I can do. But be strong and move forward in Me now, for I can, through the power of the Holy Spirit, testify [of] Myself when I can find a people who will offer their whole life up. And I can work—it is hard for Me to describe [to you] the wonders that I can do when somebody is fully turned over to Me, for you will know that these could not happen to a city lest I was involved in it. And I will be, says the Lord.

PT130710D – Jul 10, 2013
An Era When My Mysteries Will Be Understood

When one prophesies, the Church is edified, the town it is in. [When one] prays in tongues, he edifies himself, and the reason is, he begins to understand the mysteries that God has and pertaining to him and his call.

For there is much the Church does not understand—and I am talking about the Church of obedience that will follow Me—that is the fullness of the mysteries that I have yet to reveal. For you have heard all your lives, for generations, “The works I do, you will do also, and even greater than these, for I go to the Father. These signs shall follow them that believe.” You have heard these sayings, but know this: There will be an era, an era that My mysteries will be understood. And My power will be so powerful, you will see entire cities bowing their knees to what I have said and what I have done. So rejoice to see this time, for you are within range of it.

If You Believed I Healed You, Then Say So

For you who did not receive your healing—you who did not at this point: Do you believe? Do you believe that I healed you? If you believe I healed you without being able to feel it then say so.

Say so, for you are not changing My mind. I have already healed you. What you are doing is changing yourself from someone who can't receive it to someone who can.

Evidently, you can't keep saying it without ending up believing it.

PT130710F – Jul 10, 2013
People Will Be Collecting Their Sick and Bringing Them

You will remember this night when people will be collecting their sick and bringing them for what I did to the ones that were brought before that and before that and before that. You will look back and remember this night, for this night is when I was able to take a little step forward into that by the power of the Holy Spirit.

So when you see something that is unusual, and maybe even something you don't quite understand, look up and rejoice, and know that there are many, many things I have longed to give those who seek Me and have not been able to through many of the generations. So be strong. Be strong.

PT130714 – Jul 14, 2013
By His Blood, Your Past Is Cleansed

Take your past as of five minutes ago and bundle it up and let it go. It doesn't matter if you think you may fail again. That is not the point. The point is: By His blood, your past is cleansed. Don't hold onto it anymore. Let go of it and thank Him. Thank Him for how much He loves you—how much Jesus has provided for you from the Cross.

PT130717A – Jul 17, 2013
Allow Me to Be Your Victory

Take strength from Me—I am your Strength. Take courage from Me—I am your Courage, your Hope, your Healer, your Rewarder. That is Me.

The enemy will concoct devious plans against you to assault you, to batter you from all different sides and for many different, devious reasons. You—you are not strength, but I am, so do not fear the attack of the enemy. It is not your fight to win. He has already been defeated. You are free today to receive all the strength, all the courage, all the hope, all that you need from Me. Allow Me to be your Victory also.

You are not alone in this. Allow Me to be your Victory.

PT130717B – Jul 17, 2013
I Am With You

When the sun sets, I am still here. I am always here. When the sun comes up, I have always been here. So in those times when you have felt alone, those times you felt abandoned—the overwhelming emotions—I am there. I am here. I am with you. I never left. We can walk through this.

We can walk through this, you and I, and when you are asleep, I will be there.

PT130717C – Jul 17, 2013
Thank You for Not Taking Your Own Path

Thank you. Thank you for putting your life into My hands. Thank you for trusting Me. When everything spoke to you and said, “This can’t be God,” you didn’t run. You stayed with Me.

Oh, I have wonderful things for us to do. Thank you for trusting Me with your life, with your steps. What I can do when I have a partner who will allow Me to guide their steps—so many lives will be changed and touched. Thank you for trusting Me. Thank you for walking with Me. Thank you for not taking your own path.

PT130717D – Jul 17, 2013
When You Feel Like It Is Over—It Is Not

When you feel like it’s over, just remember that it is not. Look back and look at all the many, many, many, many times, all the victories—look at all the many, many times that I stood there with you. So why would I not be here tomorrow? It is not over. It is not over.

PT130731A – Jul 31, 2013
Stand Fast and Continue in Fellowship With Me

The anointing that destroys the yoke is on the inside of you and as you fellowship with Me, I release that anointing and I destroy the yokes that have held you back. And there is more and more being destroyed all the time, and more and more of My life coming forward and replacing what was [a yoke] to now [with] what is [your freedom]—Me and only Me. For I am the King of Glory and I will not allow any man to receive the glory that belongs to Me, so I am bringing you into a place where you will begin to see more and more, more and more of who I am. I am your Father. Yes. I am your King. Yes, but I am the One who created you. I am the God of all creation. There is nothing that I won't do.

So stand fast in the things that I have been teaching you. Hold fast to what I have called you. You are My sons and daughters. You are My children. You are My inheritors, says the Lord, for I have called you to be those who would inherit and bring forth My Kingdom with great power and great light. And the results will astound those who would scoff and who are in darkness even this day, for they have decided to turn their head and go another way.

But this I say: Stand firm in this truth that I have led you into that all things are possible and there is a gift inside of you. That gift will unwrap and that gift will come forth. It will shine light and darkness will flee. And many will come running into Me, for they will see the life like never before, and the truth shall set men free.

So stand fast and allow yourself to continue in that fellowship with Me, for My heart longs for you—to hear your voice, to hear you call My Name. I love you and I love to hear you worship Me. I love to hear you take My Word and speak it back to Me.

I love to hear you stand strong and tall without shame, for you are My ambassadors. You are My sons, My daughters, but you are also My warriors, says the Lord.

And, for some, the war has been greater than it had been before. It seems stronger, yet you seem to know you have victory—a strange sense on the inside—so you continue to stand firm. And in this, I am well pleased, says the Lord.

PT130731B – July 31, 2013
There Will Be Great Joy

Doors of utterance will open for many in this place. You will go forth to spread My truth and My Gospel—the fullness of My Gospel. When men see that demonstration, great joy there will be. Even as I said, and you read [in the Book of Acts], when Philip went down and preached Jesus unto them, they saw the great signs and wonders. There was great joy in that city.

There will be great joy in the places that I send you unto and great rejoicing. And you will come back bringing in the sheaves, for the lost shall come forth and many will say in that day, “How good it is to serve the Lord to be His sold-out one!” And some will ask, “Well, how did that happen to you? How did you become like you are?” And you will simply say, “I lost my life in Him and I found it again, and you can have this too.”

There will be great joy, so stand fast and know that I am with you, says the Lord.

PT130731C – Jul 31, 2013
The Glory of the Lord Will Soon Be Here

Stop fretting. He said, Stop fretting. There is nothing to fear. The glory of the Lord will soon be here in manifested Presence, and you will see it and you will say, “It's like Heaven on earth. I am so glad I stayed and continued to pray—so glad I didn't quit when it felt like I couldn't do anymore.”

PT130807A - Aug 7, 2013
Just Yield and Give In

Editor's Note: The following was spoken during instructions on receiving the baptism in the Holy Spirit.

If you just yield and give in, He will fill you afresh and anew from within, and you will sense a change from this night forth, because I am the Father who loves you. And I released My Presence on the inside of you as you fellowshiped with Me, even this night. So know that I am with you and I have come to help you.

PT130807B - Aug 7, 2013
I Am Not Holding Anything Back From You

The Holy Spirit is moving. He is working in people's hearts right now. Just by sitting here and listening tonight, it is an act of obedience to Him.

There are some things that are changing in people's hearts, even right now—your attitudes, your mindset.

He said, I am not holding back. I am not holding back. I am not holding anything back from you.

PT130807C - Aug 7, 2013
The Place of My Manifested Fullness—The Fullness of My Love

I have called each one to enter into that place of fellowship and that place of honor. It is a place that I have called men in, for I have said, If you will seek first the Kingdom of Heaven, there will be nothing that I won't do for you and for those around you. For the place that I am drawing you into is called a place of My manifested fullness, the fullness of My love. In the fullness of My love, I manifest all that I am.

So press, says the Lord, press.

PT130807D - Aug 7, 2013
Yield and Let the Intercession Flow

It is an intercession that will be coming upon many people. That drawing, that intercession—desiring more is coming upon many for what is in store. The glory and the power and the lives that I will change—it will be massive, more than you can number.

So don't think it strange as this intercession may come upon you here and there for days, sometimes weeks, says the Lord. Yield and let the intercession flow. It will cause change. It will cause change.

PT130807E - Aug 7, 2013
I Am Going to Teach You Things About Intercession

Set the captives free. Set the captives free. Continue to pray. Continue to be available for intercession with Me. For I will take you to the places that you have not gone before, and you will see people come knocking at your door, and you will say, "Oh, come on in and be set free." For your life will be a demonstration of Me.

So don't deny the fact that I desire intercession also, because there are some who are coming with problems and situations that seem so big. But the prayer will already be done. The intercession will already have come. And it will be easy and I will set them free. I will bring them into a place in Me, a place of fellowship and a place of grace. And they will take a seat and they will take their place.

So don't draw back but enter in. Continue to pray. Continue to intercede.

Continue to see with My heart and allow Me to do the work through you in advance before you see the end results of some of those whom you have been already praying for and believing for.

I am also going to teach you things about intercession as you enter in, things that you knew and things that you will learn and a greater understanding and a greater knowing, because I desire men to know how to stand in the gap and to destroy strongholds of the enemy that have held sinners back that have blanketed areas. And you will go in and destroy those things because you will see in the realm of the Spirit like never before, because the truth is, I am with you in this war, and we will win. But you have to yield to enter in and let the Holy Spirit flow in ways that I desire that some of you have not done before. Some have, but there is more.

So I am going to keep teaching you and drawing you nearer to Me so that My grace will flow. And there will be a greater freedom for many to know and understand how to pray and stand in a place called Done to set men free where the battle has been won—a more fuller understanding of that, says the Lord.

PT130818 – Aug 18, 2013

Get Ready—I Need You to Trust Me and to Obey Me

I feel today there is a commission, an assignment that God has for us. I could prophesy it—to get ready. He is not speaking to the Church. He is speaking to you: Get ready.

Get ready, for I am preparing to move you forward. I am preparing to call you to take a step. And no matter the fear that rises in you, don't pay attention to it. Put your trust that you can hear Me and put your trust that I know you, and obey.

I am preparing to ask you to walk with Me further than you have ever been, and it may seem, the challenge may seem greater than you can handle. But it is not. The challenge may seem like it is not for you. But it is.

Do you trust Me? I need you to trust Me and to obey Me. Don't live your life for yourself. Live it for Me, and we will change the world.

PT130820 – Aug 20, 2013

Walk in the Triumph

Practice the victory. It is yours. Walk in the triumph. It is yours. All things have been given to you.

The enemy comes with circumstances and with thoughts and pressures about the circumstances, but I have come with My victory and with My truth. Mountains may rise before you and obstacles may stand in your way, but look at who I have made you and walk in what I say.

Climb those mountains rejoicing. Sing of the triumph as you face things each day, for all I have said is "Victory!" And all I have done is yours today.

Don't wait for tomorrow for rejoicing. Jump in the midst of it today. Today, for your dreams aren't forsaken, and the enemy does not have the last say. It is done. It is

done. It is done. All things I accomplished—they are done.

Battles don't last forever, though sometimes it can seem that way. Stay on the side of rejoicing and let who you are in Me have the last say. It is done. It is done. It is done. Your life in Me is not a performance. It is a standing in Me where all is done.

Take the joy of rejoicing as your weapon and walk in My triumph each day. The battles don't last forever, and My Word is the victory for the day.

Great peace have those who put their confidence in Me, for My words are truth, and I have done all things for you. Triumph is yours each day.

Face each mountain rejoicing and don't be moved, for obstacles cannot stay. Yours is a triumph, a total rejoicing each day. Great are the things I have accomplished, and great is your victory each day. So you can climb those mountains rejoicing, for triumph is yours each day.

PT130901A – Sep 1, 2013
Stay in the Spirit—Something Is Getting Closer

These places you are moving into, I have prepared. I have prepared them by the power of My Spirit, and to say that long waits were on purpose—long waits is because it was necessary. But I have My way, says the Lord, that you will move into a place that has been guaranteed. You will see all that I told you. You will see. Just stay in, stay in the Spirit—pray in the Holy Spirit and worship Me. Something is getting closer. I did not give you that word “Endurance” for nothing. So be strong. You will see much in these last days, says the Lord.

PT130901B – Sep 1, 2013
My Doctrine Has Living Signs and Wonders in It

Say not in your heart, “We don't know how to enter into revival.” For I would say to you: The teaching, the revelation knowledge is being received that you will be able to put those things [said in your heart] aside and take those steps into Me which are necessary. For I am causing this in a city that is known for religion, so be strong, because there are many doctrines here, but the one I will bring you forward in is My doctrine, says the Lord, and it has living signs and wonders in it.

PT130901C – Sep 1, 2013
I Give You My Word: I Cannot Lie

All the things I brought you forward in—My faith, My Word, My nature—I cannot lie. And I give you My Word: I cannot lie. And I give you My Word: I CANNOT lie.

And I have given you My Word and you will see: Follow it very, very closely, for this place is known for its religion, for its schools and the doctrines that have come out of that. Let Me cause a revival to come out of this place of signs and wonders.

PT130901D – Sep 1, 2013
What I Have for You Is Revival

Many of you have envisioned and you have seen yourself doing things by the Spirit; things like workings of miracles, gifts of healings. You see yourself in that position, but don't know how, for there are things you will understand then that you are not understanding now. But keep this in your heart, that when you allow Me to pray for you, you pull yourself closer and closer to what I have for you. And what I have for you is revival.

For I nourish you this way and I give you My Word that is born of My Spirit and understood by My Spirit. And I give this to you, for you will need all that you know and all the strength that you have in the Spirit to walk these last days out in the revivals that I will cause in the midst of it.

PT130915A – Sep 15, 2013
In My Joy and in My Presence, Everything Will Be Increasing

Don't be alarmed but rather rejoice when change seems to be coming, because this change that is coming is good. For you will see that not only will much good come out of it, but there will be things that have not been understood before [that] will be understood.

So rejoice and know that in My joy and in My Presence, everything will be increasing.

PT130915B – Sep 15, 2013
Healing Belongs to You

Editor's Note: The following was spoken during a time of prayer for healing.

Be bold. Be strong. These things belong to you. They are your rights, not the devil's. Take them back. They belong to you, says the Lord.

That's your health.

PT130918A – Sep 18, 2013
Believe on the Value I Place on You

If you only knew, if you only knew, if you only knew how much I believe in you, fear would never be part of your life. Fear of rejection, fear of failure, fear of loneliness—they wouldn't be there if you only knew how much I believed in you.

Do not believe in the value that you place on yourself. Do not believe in the value that those around you place on you. Do not believe in the value that your past places on you. Put your heart with Mine and believe on the value that I place on you—My child. That value is who you are.

PT130918B – Sep 18, 2013
Run Into My Presence

Why walk, why shuffle your feet when you come into My Presence? Run. Run to Me. Run. Run to Me.

Run, I said. Run into My Presence. You RUN into My Presence and find beauty and love and rest.

PT130918C – Sep 18, 2013
The Enemy's Tactics of Thoughts—Stand Up and Get Above Them

Isn't it the enemy's tactic to come at you with wave after wave of thoughts of failure, of thoughts of depression—wave after wave.

Stand up. Surf on those waves. Don't swim in those waves. Get above them. He will come, but you don't have to sit under it.

PT130922 – Sep 22, 2013
Revival: Why Not You?

I hear Him saying, Why not you? Why does revival have to start with someone else? Why does revival have to start in some other country or some other city? Why not you?

How about revival starts with you? Who says it has to be someone else—someone else's testimony? Why not you?

PT130929A – Sep 29, 2013
Know That Love Never Fails

As this love continues to increase, you will understand things that you have not been able to understand in the past. You will know why this could have happened and this could have happened, and that, because of the love of God, that was attained to by these different seasons [of prayer]. So be strong and hold Me up [hold up God's Word above the circumstances] and know that love never fails—never fails.

PT130929B – Sep 29, 2013
I Am Waiting With All I Have Promised

Editor's Note: The following was spoken after an exhortation on attaining to the depths of God's love and the confidence that comes from that.

The reason it is so hard to bring you to this place is so few have been there to paint any kind of picture that you can see [in your understanding]; therefore, trust Me when I say that contained beyond anything you have believed yet, I am waiting for you with all that I have promised.

PT130929C – Sep 29, 2013
The True Love of God—That the World May Know

I see a maturity coming—things He is able to say to us because of all of the foundation over the years. I think we are going to have some “blubbry messes” [lots of tears in prayer] as we ourselves are brought more into the love of God.

We are going to thank God for every hour of prayer, every day of fasting, every revelation we ever received because there are dangers on this path. When you start really tasting of the love of God, it is easier to understand how people can get off into false doctrine like “There just can’t be a hell” or things [like that]. No, we are not going to leave what the Bible says; we are going to walk into—the world is about to see what Jesus said in John 17—the true love of God: “That the world may know,” not just the Church. It would be good if the Church knew it, but “That the world may know that You have sent Me.”

PT131006A – Oct 6, 2013
The Time of Preparation Is Coming to an End

There is a time coming soon, for this Body, that I will have you step forward into your places of calling, because the time of preparation is coming to an end, and the time of sending forth and pushing back darkness is coming soon to your place.

You are not alone where you live. You are not your own body. You are not responsible to birth everything from where you are. Many of the things have already been birthed and are given to you because you are part of this Body. And you will find when the time comes and I release you into the place that I have set for you, that things you don't think you have, you will have. Things you don't think you are prepared for, you are prepared for. Gifts, anointing, finances will all be there because you are part of a Body.

PT131006B – Oct 6, 2013
You Will Understand What Worship Does to Your Soul

For in the days to come, many of you will understand what your worship does to your soul.

When I know that you are coming before Me to draw closer to Me, it pleases Me, says the Lord, for I seek such to worship Me.

As you begin to flow in all that I have—My Spirit, even wisdom—you will notice that it is a closer point between the natural and the spiritual that most walk in. For in My fullness, you can bring My power over to that side and bring that side into My power.

PT131006C – Oct 6, 2013
Greater Is He That Is in You

Editor's Note: The following was spoken after a short exhortation on battles that have been won.

For I gladly remind you: Greater is He that is in you than he that is in the world.

PT131007A – Oct 7, 2013
I Expect You to Put My Shoes On

Many times, it was My desire to teach you—My anointing will come on those who are able to receive it and begin to teach the things that I have and will flow in and out of prophecy with things that are from My mind to you.

I brought the diversities of tongues as an edification gift. For you that hunger, there is no place you have to stop in building yourself up in edification and the faith that I made available for you. I have made everything within your reach, for those who truly want to give their lives to Me and bring many, many people home with you.

No matter what call you are walking in, I have given you a language to pray these things out, to walk out, that you may walk in My power and face down any disease. I said these signs would follow them that believe. I specified no one, except identifying them in ministry, but where there is sickness and the lost, I expect you to put My shoes on and walk into the middle of that, says the Lord.

PT131007B – Oct 7, 2013
Go to School—Pray, Get Yourself Ready

What I have said in the past, I will say to you again: You don't have to bear that pain. You don't have to put up with it. At times, the devil will work on your believing process to neutralize you in a place to where, when it gets a little bit better, you stop. You need to see this thing through, for I have good news for you: I have already healed you. All I need you to do is stand up to him and [with] what I gave you, and you will see that you are free, but not only now, in the future. Because, do you think the future is going to be easier than now? Go to school. Pray. Get yourself ready, says the Lord.

For many of you, it will be the greatest times of harvest, and still, some will have a tendency to go down in weakness. Don't you be any of them, for I give you the keys. You need to teach them the keys. If they don't want to listen, teach them anyway. Many times, they are listening in private, but they have their pride.

So go on avenues—preach it; teach it everywhere that you can, because once they get the leadership of the Spirit in them, I will guide them. I will cause them, through the manifestations of My power, to walk out of everything that isn't into everything that is.

PT131008 – Oct 8, 2013
Allow Me to Father You

I have not called you to try and solve your own problems yourself. Let Me, allow Me the opportunity to be God in your life. Allow Me to Father you. Allow Me to hold you close, to wrap My arms around you, to love on you.

I can bring, in a moment, peace that can last a lifetime, if you will only allow Me. If you will only give Me that opportunity to be in your life your Father—allow Me.

PT131009A – Oct 9, 2013
Step Forward Into the Impossible

He told me that we think too small. Don't think so small, He says. What was impossible yesterday is not impossible today.

He is inviting you to step forward into the impossible. The shackles that seemed impossible that are around you, around your family, around your calling, around your physical body, around your finances, those shackles around your emotions that seem to be impossible to break—you've chipped and pulled and yanked and tried every key, and nothing seems to break them. The Lord is telling us today, He is speaking to you today: Come, step forward into the impossible and those shackles will be smashed and broken off of you.

He is not pulling us forward. He is inviting us forward. There is a faith here that says: “Quit looking at you, yourself. Look at who He made you.” You won't think so small then. You won't believe so small. You won't walk so small. You won't pray so small.

Who you are is who He made you, not who your family made you, not who your past made you—who He made you.

PT131009B – Oct 9, 2013
I Know You Can Do More—I Know You Can

He is not content with what was great yesterday. What was great last year is not great for Him today. It is old news.

He is “resisting” what we are giving Him today. It is not enough. He believes in you. You don't have to believe in yourself. You just have to believe that He believes in you. Where He is taking us in our callings as a Body cannot be done in your own strength anyway. It cannot be done in your own holiness, in your own ability. It must be done by who you are in the spirit, and who you are in the spirit is who He made you. It is not made by hands. It is not made by men. It is made by Him.

You know this, so now walk in it. You know this, so now walk in it. You know this, so now worship in it. You know this, now minister in this.

You are Mine. I made you. Your past didn't make you. Your mistakes didn't make you. Your good works didn't make you. I made you.

Never be intimidated. Never be afraid. Where we are going, the enemy will try

to intimidate you and make you feel unworthy of where you are. Stop it, right now.

Who would say that My child is unworthy, that My work is undone, imperfect? Who would say that? Not Me, says the Lord, not Me. I would never say that of you. Not in a billion years would I say that of you.

Take hold of who I made you. Take hold of My love for you, My courage for you. There is bravery in you that comes from Me. There is strength in you that comes from Me. There is joy in you that comes from Me. Grab it! Live in it! Walk in it! Worship in it! Minister in it! And you will see great things that you have never thought were possible. It doesn't come from the air. It doesn't come from the anointing. These things are in you. They are who you are.

Be careful. What was glorious yesterday and last year is not acceptable for Me this year. I know you can do more. I know you can.

What is impossible in you today? What is it? Is it your body? Don't accept it anymore. Is it your finances? Don't accept it anymore.

PT131009C – Oct 9, 2013
Stop Thinking Small

Stop thinking small. When you look at your flesh, you think small. When you look at the past history of your prayer requests and your believing, you are going to think small—"I've been believing for this; I've been trying for this." We are stepping into the impossible. He is asking us to step forward into the possible.

PT131009D – Oct 9, 2013
Trust Him to Walk Into This New Place

Can I tell you what I am really feeling? Too many people are waiting for the wrong move of God instead of trusting Him and walking into the move that He wants, because the walk with Him—He is putting responsibility on us that we can't go back, and He is asking you right now: Please, step with Me out of the small and into the impossible.

Sometimes it can seem very unspiritual, but it is not. The things of God are not mystical. Sometimes people want you to give them what they want and sometimes people want God to give them what they think they want, but sometimes God doesn't want to give you what you think you want. And I am feeling that God is asking us to go beyond what we know and to trust Him to walk into this new place where every day you wake up in authority, every day you wake up in power.

PT131009E – Oct 9, 2013
You Are the Authority

You and I are fighting a wave of religion that is trying to overtake this country, and with it comes thoughts and attacks of the enemy to try to belittle you in what you

have.

Do you ever get around somebody who comes to you and says something to you and you walk away and you feel less spiritual than they do? That's the devil.

Did you ever have that happen to you? Did you ever go in a service and watch things happen all around you and you are wondering, "Is something wrong with me because I am not feeling it?"

There is no one on this earth more spiritual than you. You are His child. You can't get more spiritual than that.

There is a wave of attack the enemy has poured out on us to make you feel not spiritual enough, and it is trying to drive you—us—to pursue something, an old way, to pursue an old move of God. And God is wanting us to not go that direction but to step another direction.

It doesn't seem spiritual. It doesn't seem as magical or as powerful, but it is, because the power of God and the authority of God is now. The authority of God is not coming from the atmosphere or from Heaven or open heavens. It is coming from you! You are the authority!

It is no longer the services or the buildings that He is after. He is after His children walking around, stomping around, walking in authority whether they feel worthy or not, whether they feel like they are deserving or not. They will walk in it because they walk by faith and not by sight. And this is you!

This is you—that you go to bed at night a child of God, you wake up in the morning a child of God, and whether you feel anointed or feel blessed or not, it doesn't matter because you are. It is in you. You walk—it oozes out of you.

When He says, "Worship Me," don't wait for Him to lift you. Don't wait for your flesh to say, "Okay, I will let you worship now." Just do it.

When He says, "You are healed"—walk in it. The impossible—that is who you are. You are born in the family of the impossible.

PT131009F – Oct 9, 2013

You Have All the Authority of the Impossible in You

He is not allowing us in this conference to accept last year as being great. You are His child. You have all the authority of the impossible in you already.

PT131009G – Oct 9, 2013

Set a New Example of Revival—Being a Child of God

He is asking us to break through a cloud of religion that has swallowed up our churches around the world and has sat there for many, many years and has become, "If we get to this, we have achieved where we are supposed to be." And God is asking us to break through that to show that is not Him. It may be good, but it is not perfect.

If you are feeling resistance in your life, it is because He is asking you as a family, as a Body, to set a new example of what revival is, a new example of what being a child of God is.

PT131010A – Oct 10, 2013
Adding Strength to Your Foundation

I am very well pleased. He said it again: I am very well pleased with the directions this has taken, for what it will result in is adding strength to your foundation. And you will find out that in places where you couldn't succeed before, you will begin to succeed now, because I will teach you how to work the answers out ahead of you before you get there, says the Lord.

PT131010B – Oct 10, 2013
I Can Close the Gap Between the Lost and Being Saved

It delights Me beyond anything that you can understand when you turn Me loose in your life in such a way that you will let Me begin to direct it supernaturally. Because you will see, as much as I love the lost, when you do this, you make it so that I can close the gap between the lost and being saved, because you are praying in a language I have given you. And I can say these things and also prepare you for them.

PT131010C – Oct 10, 2013
Your Decision—How Much You Want to Serve Me

For there are many of you who believe that you have a calling with Me, and some of you are not sure. But I can say this to you: You cannot settle yourself into praying in the language that I have given to you and remain in the same place and not find out what I have for you.

If you will take the time with Me, I will take the time with you. You will see, you can walk into everything I have for you and out of everything I freed you from.

And you know what is so good about this? It can be your choice and your decision how much you want to serve Me, how much you want to walk after the Spirit and be led and conquer those things I set you up against.

PT131010D – Oct 10, 2013
My Love and the Fullness of It

Every time My Church, during their dispensation, would get serious on Me and serious about prayer and fasting, the love, My love and that walk in it, would spring up time after time, because this is who and what I am, says the Lord.

They will not travel down the path I have laid for them supernaturally without running into My love and Me wanting to bring them forward into the fullness of it. For in that, there is no fear, and in that, you will never fail.

PT131010E – Oct 10, 2013
Go After the Love of God With Tenacity

He said, Covet earnestly the best gifts, yet I will show unto you a more excellent way. Though I speak with tongues of men and angels and have not love—what He was saying: The more excellent way—if you go after the love of God with the same tenacity that you would have gone after the workings of miracles that would have exalted you in the Body of Christ, you know, “Yeah, come out!” If you go after the love of God with the same tenacity that we would go after that kind of power—that is the more excellent way.

When you go after the love of God with the tenacity not to back down, then everything you need to minister to and to help, eventually, you will be equipped with.

PT131010F – Oct 10, 2013
Work My Plan Purposefully

Editor's Note: The following is referring to the teachings and ministry during the Prayer and Power Conference.

Take these things home with you that you have learned, these things you have heard, and exercise them. You will find that they will work the change in your life that some of you have been looking for. And you know there is more for you, but you don't know how to get there. But I would say to you: When you work My plan purposefully, My plan will unfold for you purposefully. For there is not one in here whom I have not given My plan to, and not only My plan, but the way that you have a choice to pray that plan out. It's all yours if you want it. It is your choice whether you can go into the living and active and powerful things I have for you or sit on the sideline.

“But I'm not called.”

You don't have to be called. These signs follow them that believe.

PT131011A – Oct 11, 2013
Wolves—We No Longer Allow Them

The Lord keeps reminding me of this: Up till now, up till now, up till now, we've allowed wolves to roam around the sheep. We've allowed people to come who have their own agenda. We've allowed people to come who have said, “You need to get out from underneath The Prayer Center. You pray too much. You don't do anything.” We've allowed those wolves to be among you. From this day forward, we no longer allow them. From this day forward, we will expose them. And from this day forward, we will chase them out of the pasture.

There is only one message that comes from The Prayer Center, and that message is laying a foundation in each one of you for revival.

PT131011B – Oct 11, 2013
Take the Land With Aggressive, Offensive Warfare

This is what I heard and I think many of you will be able to attest to the same: There is a time, and it is now, that you and the rest of My warriors will take the land with aggressive, offensive warfare.

It is a time of doing and expansion. A time of doing—it's a time of doing and expansion in My Kingdom.

PT131020A – Oct 20, 2013
Entering Into My Rest Will Strengthen You

I have much to teach you—the ways of entering into My rest. You will be amazed at how it will strengthen you, strengthen you, strengthen you, for this rest is based on My fellowship with you and the Word of God alive in you.

PT131020B – Oct 20, 2013
Miracles Will Be Second Nature to You

Editor's Note: The following was spoken before prayer for those who were experiencing pain.

You are on a path that you will see some days that these kinds of miracles will be second nature to you, that you know if they are sick, you will know what I have for them.

So be glad and rejoice, for you are going to a place—because you are walking in the Spirit—that I am holding for you [so] that you will see great signs and wonders. And there will be days that those whom you love will come to Me, says the Lord.

PT131020C – Oct 20, 2013
You Have Been Foretold: Take All You Can and Get Ready

As the times increase and get worse and worse and worse, many will turn to Me with strong faith and ask for help. And I will come and help them. But I would like you to know, you don't have to be under those circumstances to fellowship with Me and ask Me for things. For I will go with you to the ends of the world if you give Me souls. You fill your part that I have called you to be in the Body of Christ and I will go the whole duration with you.

Take advantage of what you have because some times in the future, you will be exceedingly glad that you learned what you learned when your faith increased, for there will be things that you will see that will be the beginning of others. So be strong. Take advantage of this. For you have been foretold that while it is all available to you, take all that you can and get ready, says the Lord.

PT131020D – Oct 20, 2013
Anointing to Change Things From the Root and Heal

Let Me say this to you: You will be seeing more of these kinds of healing because, in most places, I have nothing to work with. But you will see more and more of these where that anointing will go onto the inside and powerfully, powerfully begin to change things from the root and heal. The things that are the resting bed for depressions, failures, “I’m not going to make it” cast-down spirit, did you know that many of those are caused from a past that you were really hurt in and the emotions of that continued and warred against your born-again spirit to get around it [through the emotions] to cause you to continue to suffer? When I said gifts of healings, I say to you that not only can I do the mighty miracles, but I can heal that kind of sickness.

PT131020E – Oct 20, 2013
I Can Give You a Job That You Love

Not only can I give you a job, I can see to it that you receive one that you love, not just for the money. And you are wondering how would I do that?

If it took Me a season, I can do it, because I can change this and this and head it into your direction. The thing is, do you spend time with Me? What do you want?

All things are possible to him that believes.

PT131020F – Oct 20, 2013
Praying in Tongues—The Way I Made It

What you are looking for, you will find in the things that have been laid out and preached. Not only in the working of My plan in your life through the praying in tongues and edification—don’t you know the giftings you are called to are also steered in your direction? Your calling and what you are and what He wants for you and where, you are working all these things and you can do so while you are doing something else. That is the way I made it.

PT131103A – Nov 3, 2013
The One Ingredient That Is the Power Gift

I am what I said that [I am], and you are what I said you are.

In fellowship with Me, you will find out—it will grow richer and richer as you approach Me walking in My love and manifestations because this is what I am. And when you see the revivals, when you see the revivals come into manifestation in these last days, you will understand why they were not accessed before, and that the one ingredient that is the power gift, more than anybody knows, is the manifestation of My love when it is flowing in its fullness, says the Lord.

PT131103B – Nov 3, 2013
When You Practice Returning My Love

I can tell you over and over, over and over, over and over how much I love you, but when you begin to practice returning that love, you will get the power that is in it.

And in returning that love, I mean, your heart in fellowship with Mine.

For He loves such that worship Him in spirit and in truth. For He waited four thousand years, He waited the dispensations out for the first Man to appear who had a nature like His, after Adam, who could give Him the fellowship He wanted—that was Jesus.

To worship Him in spirit and in truth, this is what He loves.

PT131103C—Nov 3, 2013
It Is Not My Will for You to Have Pain

Editor's Note: The following was before prayer for those experiencing pain.

It is not My will, not even for one moment, for you to have this pain. My will is for you to be free in fellowship with Me. If you will let Me, I will lift you up in that place.

PT131103D—Nov 3, 2013
You Can Pray My Will in Your Life

Many are looking for change. You will see change. You will see it in yourself, you will see it around you, and you will think that I have changed—to see some of the things that will be coming to pass. But I am the same yesterday, today and forever, says the Lord.

As My Spirit is working—this has worked this way and this has worked this way and this [has worked] this way—I can work things ahead of time that when they meet, then My will and My power is manifested. So know this: The things I do and the things I do for you, when I give you a language that you can pray My will in your life without even knowing what you are saying, it is a sure, sure way, yes, it is a sure, sure way to walk to and into all that I have for you, says the Lord.

PT131103E—Nov 3, 2013
You Have to Seek Me—I Have a “Go Ye” to You

Editor's Note: The following was after an exhortation on spending time with God, seeking first the Kingdom of God and His righteousness.

You have to seek Me to find what “Go ye” is to you. I have a “Go ye” to you. I have a “Go ye” to you. You have to find it from Me, and no one else has it for you.

PT131106A – Nov 6, 2013
Fear No Evil—I Am With You

Fear not, little flock. It is your Father's good pleasure to give you the Kingdom. I have given you the Comforter, and even this night, His grip upon your hand shall become even stronger than before. And you will feel Him leading you even out of very dark places, for I am Light, and I will bring you to the Light.

As the psalmist said, "Fear no evil. I am with you," says the Lord.

PT131106B – Nov 6, 2013
Hear Me, Not the Voice of Your Enemy

Who is this defeated one that rails as a champion against your ears? Who is this one that has already been mocked in the spirit, who would stand up as champion against My chosen and My elect?

Hear Me, says the Lord. Hear Me, not the voice of your enemy. I will lead you. I will guide you. I will provide everything you need, and you **WILL** accomplish My purpose says the Lord.

PT131106C – Nov 6, 2013
Trust Me That I Am Strong

Often I say, Be strong. Often I say, Be strong, because you are stronger than you know. But tonight I say, Trust Me. Trust that I am strong and I have you in My grip and I will not let you go.

PT131120 – Nov 20, 2013
I Know Exactly Where I Am Taking You

I have heard your prayers—prayers uttered in semi-darkness: "Lord, I am trying to follow, but, Lord, the way seems dimly lit. I am reaching for You, Lord. I am reaching for You. I am having trouble seeing."

The Lord says unto you this night: I see you, and I know exactly where you are, and I know exactly where I am taking you. And even this night, grasp My hand more firmly than ever before. Take hold of Me by My Spirit and step by step by step, I am leading you into higher realms—more fully lit—where even your understanding blossoms to flow more easily with My will, says the Lord.

Know this day, I have heard you and I am answering that prayer. Come. Come and follow Me. Follow Me by My Spirit, says the Lord of Hosts.

PT131201 – Dec 1, 2013
The Choices of Yielding Your Will to Him

I want to tell you of the incredible, wonderful things that your future can hold that He has planned for you. And it is never a waste of time. It is never a failure or lack of success—when you look at your life and you say, “I’m just standing here,” the question is: Did He put you there? If He put you there, then you are not failing.

“Well, look at that farmer over there. He’s producing, He’s planting, He’s reaping, and I’m just standing here—nothing. My call hasn’t come to pass. I haven’t seen anything. My finances aren’t flourishing. I’m just standing here. And look over there at that guy—he’s walking in his calling. Look at him—he’s happy.”

See, these are the choices of yielding your will to Him. Because you look at a good fruit tree—you may be standing there, and you can look over at the farmer. He’s busy working, producing, and you think you are not producing. But a fruit tree takes years to grow—sometimes more than a few years. And what’s the first thing that happens when you start producing fruit? God comes and prunes you.

“What? I’m ready!”

No—fruit is too small. I want more fruit.

You may think you are not growing, but you are. The question isn’t what you are doing. The question for you is: Did He tell you to do what you are doing?

You can try to extort God and say, “I’m not going to do anything in my flesh. I’m not going to do anything. You are going to have to give it all to me.” But you can be in denial like a little eighteen-year-old boy saying, “I’m not going to be responsible for life. You are going to have to give it to me.” And He says, No, you are going to climb that. I will help you climb that and face that. I will help you. I will make sure you don’t hurt yourself.

“No, that’s just the flesh. I’m not going to do the work of the flesh. I’m just going to do the work of the spirit.”

You are trying to force God to pick you up, but the problem is, He will never pick you up. He will wait for you to yield your will to Him.

The question for you today and for me: Has God put you where you are at, and are you doing what He told you to do? If the answer is yes, then you should be excited about what He has for you in the future.

PT131208 – Dec 8, 2013
Never Be Satisfied With Second Best

If you only realized how valuable—special, important—that He sees you, then you would never be satisfied with second best.

PT131215A – Dec 15, 2013
When You Worship and Pray in the Spirit

When you worship and pray in the Spirit, you are setting yourself a direction, for you cannot worship and pray in the Spirit without setting yourself a direction. For

when you do these things, you welcome Me to come and to come in My strength and set your direction.

For when you worship Me, says the Lord, as My sons and My daughters, you put yourself in a place with Me to where you recognize Me as your Father, and I recognize you as My sons and My daughters. Think you not that I take great pleasure in answering your prayers and giving you the things that I have to give you? For it is the enemy that is accusing you. I have always been here, and I have always enjoyed giving you the things that you love in the relationship and fellowship that I have with you. You are My sons and daughters—I do not hold back from you, nor do I turn My back on any needs that you have.

I am here, so don't be programmed by the enemy. Be programmed by Me and My Word and what I have promised you.

PT131215B – Dec 15, 2013
There Is an Order That I Bring

For you who are wondering, and especially for you who are asking yourself about My order: The prophets spoke, they spoke in order—[two or] three taking their turn. In the movements of the Holy Spirit, there is order.

There is order—it is because He brings it. But there is an order that you follow. There is the order that He brings: Which always, always flows by My Spirit and what I am doing. So hear what the Spirit would say: Because there [was] confusion on both sides, where I did not get to move because they stuck to such an agenda or where the movement was so free that much false movement was introduced, because no one was there to judge it.

But hear what I have to say: There is a place where I will operate. It is a place that exalts and lifts you up in the spirit, not in the flesh, and supplies your needs. There is a movement of My Holy Spirit that has been offered to the Church if they are willing to receive it and let Me move. Yet there is an order that I bring, and you stay to the order until I intervene over special things that have been prayed and movements of the Spirit and miracles. But in all of this, you will find order, because My hand is in it.

The order you stick to when I don't move much, and the order you stick to when it is genuinely Me moving, says the Lord—those who are responsible for My moving, those who are called, they [are] supposed to know the difference. Not to shut Me off where I can't move or turning it into wild chaos where nobody gets anything [out] of it. But there is a place—there is a place where the needs are met, where I get to speak the genuine Word, and you will leave edified and satisfied in Me, says the Lord.

PT131215C – Dec 15, 2013
Much Is Coming and Going to Begin to Come to Pass

You do not have to have fear. You do not have to be afraid. My peace is a dominant move of the Spirit and every time will deliver you when there is the

possibility of being delivered. But, at times, I have used people in their testimony to minister to those who hated them, and sometimes there was cost to that. But many, many were saved as the result of those who were not afraid to go into places that nobody [else] would go. And when I can move, I will move to the nth degree in every situation that I will send you to.

I am saying these things, for I have wanted to say them now for a short time, that much is coming and is going to begin to come to pass that you have been believing for many years. And most of the time, when I say it is coming soon, you look at that as days or a week where I look at it in months and years of time of preparation and getting ready. But you can rest assured, the way I used to talk to you, when you begin to pray, I am going to start talking to you again like that. Because something genuine is heading our way: And you need to hang on, because it will be a great time of the moving of the Spirit.

PT131215D – Dec 15, 2013
The Devil Will Fight You From Praying in Tongues

There are those of you who know that My hand is on you, but you need to know this also, that I am not training you just to face regular religion and minimum edification. I am training you and raising you up that you will go on to the stronger, more powerful signs and wonders, for there are many places that I desire to send [you], but there are few that can be sent.

And know this: The devil will fight you overtime, especially in this season, from praying in tongues. Because he cannot afford to let you work God's plan in your life until it begins to come to pass.

Think: What kind of Father do we have that when we don't know how to pray, He says, "Excuse Me, but I will do it for you"? Not only will He do it for you, but He will pray out what it is you really need and then answer it. That's why the devil fights praying in tongues so much. But if the origin of it is really God, [which it is,] no wonder you are edified.

"Well, it is to be interpreted."

No. When you are praying in it [tongues for personal edification], you are speaking mysteries. That is, you are causing the mysteries of the Gospel, which is who Christ is in you, the Hope of glory—you are praying that whole realization until it comes alive in you. That is called building yourselves up on your most holy faith, praying in the Holy Ghost. And it does another thing too—it keeps you in the love of God. [Jude 20,21]

PT131215E – Dec 15, 2013
As You Increase in Hearing My Voice

Editor's Note: The following was for an individual or individuals who have been questioning their call.

I can tell you the answer to what you have been wondering, and about the time that you are convinced that you are [called], then the enemy comes along and convinces you that you are not.

So I can tell you that you are, and as you increase in hearing My voice, then you will be able to walk down a more narrow path. But, yes, in answer to your question: My hand is upon you. You do have a call.

PT131229A - Dec 29, 2013
My Love Is the Ultimate Reason That I Move

Editor's Note: The following was before prayer for those experiencing pain.

Some people treat Me like this is a chore. If only you knew how much I delight when I am able to take the pain out that is hurting you and heal you. This is not a task for Me. This is a delight.

I did not say that He will receive of Mine and show it unto you to have nothing to go with that statement, for He receives of Mine and shows it unto you that everything I have for you and have promised in the way of healing, direction and ministry can be found and prayed out in the mysteries of He who receives it from Me and shows it unto you, says the Lord.

For we will get rid of more and more things that resist when you understand Me and [understand] more and more the way that I move. For it is My love that is the ultimate reason that I move, and you know that I love you. If you know that, I say unto you: Receive the miracle that I have for you.

PT131229B - Dec 29, 2013
The Year Where We Sell Out to Him

What I heard this afternoon in prayer: This year coming up is the year where we sell out to Him.

There is going to be great division in the church, and I am talking about The Prayer Center. With good intentions, but great warfare, some will stay; some will go. And I am telling you, that's okay.

It's the year of selling out to Him. Whatever His will is, I don't live unto myself anymore.
