### **I Have Rivers of Love**

He has never-ending love—rivers and rivers and rivers that flow of love, that just never end and never stop. You can't drink too much of it. You can't stop it.

He loves you, and right when you think that you have gone too far or done too much or crossed the line, there are rivers of love. There is redemption for every person who wants it.

For those who think they have messed it up too much or messed up their life too much, He is saying to you: I have rivers of love, and there is enough love not just to heal you but to help restore you. So even as you may have made decisions to walk away, there are decisions to walk back to Me, and you will find rivers of love for you, not just to bring healing but [to bring] restoration to you.
