

## **The Lord's Present-Day Speaking**

**PT130303A – Mar 3, 2013**

**As My Love Increases**

He emphasized: As My love increases, as My love increases, as My love increases, as I have already said to you: You will begin to see the things that will be uncovered that once were with the revivals that I sent.

He said all He needs is somebody whom He can take to that place, and you will see those things in their fullness again.
