Preparation on the Inside of You

Be encouraged. Many faint along the way because they do not encourage themselves. You don't know what is in store, and you don't know what is happening in the Spirit. But I say to you that you went down My path farther than you think, for much of it is preparation on the inside of you that you will not be forced back, nor will you stop, nor will you give up. So be strong and know that you are in better condition than you think.
