When You Practice Returning My Love

I can tell you over and over, over and over, over and over how much I love you, but when you begin to practice returning that love, you will get the power that is in it.

And in returning that love, I mean, your heart in fellowship with Mine.

For He loves such that worship Him in spirit and in truth. For He waited four thousand years, He waited the dispensations out for the first Man to appear who had a nature like His, after Adam, who could give Him the fellowship He wanted—that was Jesus.

To worship Him in spirit and in truth, this is what He loves.
