Present-Day Speaking

PT131229B - Dec 29, 2013 The Year Where We Sell Out to Him

Editor's Note: The following came during the last service of 2013.

What I heard this afternoon in prayer: This year coming up is the year where we sell out to Him.

There is going to be great division in the church, and I am talking about The Prayer Center. With good intentions, but great warfare, some will stay; some will go. And I am telling you, that's okay.

It's the year of selling out to Him. Whatever His will is, I don't live unto myself anymore.

PT140105A – Jan 5, 2014 My Plans Have Not Changed

My plans have not and will not change regarding the mission of The Family Prayer Center—no matter who stays or goes. No matter what you think is right or wrong here, it does not change My plan for you or the body of The Family Prayer Center.

Obedience is all I need. We will have our revival. Every day we are closer than before.

PT140105B – Jan 5, 2014 The Assignment God Gave Is Going to Be Completed

The purpose will come to pass for what The Prayer Center has been directed to do.

There has been an assignment given to not this group, but the assignment that has been given to The Prayer Center family. It is the ones around anywhere who have attached [themselves] to the standards of prayer and fasting, but not just the standards of prayer of fasting but of not pursuing your own ministry, your own dreams, [but also standards] of laying your life down, of not building something of men, that type of thing.

If you have been attached to us either by your heart or by God's will—attached to this assignment—it is moving forward. It has made leaps and bounds over the last few years—unseen leaps and bounds the last few years.

I need to say that again: The assignment that God gave has progressed in leaps and bounds over the last few years, and it is going to be completed. So don't be discouraged. Don't be disheartened. Don't listen to failure or defeat, because it is not true. Keep moving forward, because in you is something precious that is being built that you carry with you everywhere you go.

He is seeking for a revival of love, of integrity, of sincerity, of holiness, a revival of God's power, a revival of God's heart. And it may seem like the length of time to get there may look like it is because it is not working, but it is. If you just look inward, you will find out that it is.

PT140108 – Jan 8, 2014
We Can Because You Are Our Strength

Editor's Note: The following came during the closing prayer of the service.

There's been a spirit assigned to us to discourage you, to make it hard to even muster up enough strength to believe that you are an overcomer. And when you feel that depression and that—I will just describe how I have been feeling: It's been hard to muster up the strength to keep pressing in. That is a spirit that is trying to lie to us.

So, Father, I receive Your strength. You are my Strength, and yes, I can do what You have asked me to do. That thing in front of me, that direction in front of each of us that You have given to us specifically, yes, we can do that, because You are our Strength.

PT140112A – Jan 12, 2014
A Family Who Will Trust, Follow, and Not Be Afraid

I am raising up a family who will trust Me and will follow My steps and not be afraid that I will abandon them. And when all hell comes against them, they will walk through, because they will not let go of Me.

PT140112B – Jan 12, 2014
Whole Cities of Sinners Will Be Left Without Doubt

What I am sending—the revival—will carry a weight and power that have not been recognized very many times through the centuries.

I will come in with such definition that you will be able to define what I am doing and know that nobody else could do it but Me. And it will be in such a way—the signs and wonders—in the way that people go in helping them in the impossible that whole cities of sinners will be left without doubt, [without] wondering what to do about their next step. All I need is people that can turn Me loose on that level of freedom.

PT140112C – Jan 12, 2014
He Wants Your Loved Ones More Than You Do

He wants your loved ones more than you do. He wants your fullness in Him more than you do.

That information you just spoke of is getting very close to being understood, and you will see it very active in the revival I will be able to send to you.

PT140129A – Jan 29, 2014
There Is a Place Where Nothing Is Impossible

As you grow closer to Him, you will find out that in the spirit, it is hard to understand and collect in your flesh, but in your spirit, there is a place where nothing is impossible to you. I have provided for you in your redemption.

PT140129B – Jan 29, 2014
When He Gets Free to Move

In your fellowship with Him, He said, It's not always like what you see in a church, in this church, and that church. You get to fellowship with Him in the spirit in a certain way according to how they run the services. But it is not always that way, because when He gets free to move the way He wants to move, then you see the things that the Word has said about those services and the church. I mean the people couldn't come in from out of town and not get their healings. In fact, it said, Under the apostles and some of the people He was training, they were healed every one. They were laying them in there, hauling them in from other cities—Jesus was already gone back, but they were getting healed like that under men, women who received the anointing.

So hell wasn't hotter then than it is now. It is not running out of burning material. The way that they salvaged them in the Book of Acts, they were laying them on the streets and everything else, bringing them in. What a revival to follow after He went back.

When one of the twelve walked up to somebody who couldn't walk, do you think He wanted to use the power that was in them to get them up to walk more than He wants to [use the power] in you?

PT140202A – Feb 2, 2014
Accept the Peace I Am Giving You

I hear these words that He would say to us this morning: To be at peace. Be at peace and know that I am walking you through every storm, through every battle, through every fear. I am walking you. I am walking with you. I am walking for you.

Walk with Me. Stay with Me and be at peace and you will see that, in the end, I was right and everything else was wrong—every feeling, every circumstance. You will see that I cannot lie. And the promises that I have made to you, the dreams that I gave to you will come to pass if you walk with Me.

And, yes, there have been storms and battles. Yes, the enemy has not been happy and neither has your flesh. And many friends and family have misunderstood. Many others have attacked and accused all because you trusted Me. So why stop? Keep trusting Me. You have come this far—make yourself accept the peace that I am giving to you, and know with confidence: I cannot lie. I would not lie to you.

You will see. You will see. Trust Me, says the Lord.

PT140202B – Feb 2, 2014
Obedience in the Little Things

Sometimes we feel the little things are “little” things. The little requests that He makes of us—we think they are little. The Lord would say that, If you only knew the power in obeying those little things. If you only knew the transformation that happens in obedience to the little things. They are not little to Him. They are mighty.

PT140202C – Feb 2, 2014
Have Courage—Keep Your Feet Planted Firm

You know in every attack, there is always some truth, but it’s not about the truth here. He is talking about those of you who have been under an attack by people around you, maybe people close. Usually that is how it goes—maybe someone you respect or something. But there is like “mouths” where you want to just say, “Get your mouth off of me.” They are talking about you. They are belittling you, what you do.

The Lord would say to you to hold fast to what He thinks about you and to plant your feet firmer into where you are. And it will come and it will go, so do not be discouraged—plant your feet.

Sometimes when I made mistakes in the past, especially when I would be young and I would preach and I would say something out of order or wrong and I wasn’t happy with how I preached, I would have to encourage myself by saying, “Well, it is okay because next time you see me, I will be better.”

You know, maybe you have made some mistakes in the past. You said something you shouldn’t have said. You have done something you shouldn’t have done. We have all done that, and there is a part of getting past that to say, “You know what? I messed up, but I am moving forward.” And have that courage to know that you are moving forward.

You are moving past that. So even if what they are saying about you holds some truth, move past it and keep your feet planted firm. Be where God tells you to be. Do what He says.

He believes in you. You have someone who believes in you. You can do it.

PT140212 – Feb 12, 2014
Walk Free With Me Into Wondrous Things

My children, if you only knew, if you only could see the wonders I have for you, you would have no fear, no regrets, no sorrow.

Be free from your past. Walk free and walk with Me into wondrous things.

PT140219A – Feb 19, 2014
Run Into His Presence—Receive From Him Everything

The time is coming where you and I will need to know how to run into His Presence to receive encouragement, strength, to receive the power to forgive, to overcome—because the enemy is coming against the emotions of His Body through depression, through wounds, through abandonment, or thoughts of abandonment, and the only source we have won't be in our own fortitude, our own strength. It will be to simply run into His Presence and receive from Him everything, everything—every answer and every strength.

Maybe you haven't been able to forgive someone or get past something. Well, there is a grace from Him. His grace is really all we need.

PT140219B – Feb 19, 2014
I Will Use Your Authority to Help Others

There are many things that you will receive that, once you receive them, I will use you as the authority to help others to find and receive—whether it be the strength to press into worship with Me. Many others around you will receive that same strength.

PT140312A – Mar 12, 2014
Learning to Accept Who He Made Us

He is getting ready to deposit anointings, favor, authority into His children. If you have been obeying God and following God, He is getting ready to deposit in many people unearned authority, unearned favor, unearned anointings, and that is His fight with His children—learning to accept who He made us instead of earning what we want Him to give us.

PT140312B – Mar 12, 2014
Trust That He Is Bringing Something for You

There is a determination in Him today to guide us along—[for us] to keep going, to not pull back, don't change course. It is not an urgency, but it is a determination. He is not just talking [about] here in Tulsa. He is talking [about] everywhere, because I see that again: I see those anointings unearned, authority unearned coming to His Body—prosperity unearned.

For those who are ready to receive, who have spent so much time preparing to receive—I am seeing all around the world, not just here—I am just telling you what I am seeing: raindrops falling, and each raindrop holds an anointing that is going to fall on someone, holds an authority for an area, holds an avenue of prosperity that is unearned.

Don't look at what you have. Trust that He is bringing something for you.

PT140312C – Mar 12, 2014
Let Me Mold You and Shape You

There is no one like you. I did not make you like anyone else. You are born of Me. I have made you and I will finish you, complete you.

There is no one else like you. Trust Me. Walk with Me. Let Me mold you and shape you. We will do this together.

PT140312D – Mar 12, 2014
I Am Here—You Are Not Alone

In your times of struggle, in your times of fight, those are the moments I desire intimacy with you so I can tell you: I am here. So I can whisper in your ear: You are not alone. You are not going through this alone.

This is My desire—to walk with you, to be with you, to fellowship with you. Please don't be alone in this—you are not alone.

PT140319 – Mar 19, 2014
Expect Him to Use You More

Expect Him to use you more, because He is going to. It is not just to those here in this building. He has not been training you to hear His voice all of these years for you not to obey Him now.

He is not after our offerings. He is not just after our worship. He is after us—us—“I surrender to You, Lord. My life belongs to You. If today is my last day, it is Yours.”

You better decide what “mountain” you are ready to die on. There is coming a division. And we have talked some about the division in the church, but at that same time, there is going to come—you can see it already happening—such a division between light and darkness.

The light, it is going to be so much clearer, so much clearer. Choices, in many ways, are going to become easier if you are sold out. If you are not—if you don't make these decisions—you are going to have trouble discerning what is right and what is wrong.

PT140326 – Mar 26, 2014
A Church I Am Relying on for Revival

Editor's Note: The following was after an exhortation on revival and miracles.

For you who have turned yourself over, this kind of training will begin to follow you. For most of you stayed for reasons down on the inside that some of you do not know yet—that your calling extends much further than sitting in a chair.

So hear, hear: There is not anybody in here that I am not offering the gifts of healings and miracles to, but you must know that the Word flows here the way it does because it is [for] equipping also, for this is not the usual “babysitting” church. This is a church I am relying on for revival, says the Lord.

PT140402A – Apr 2, 2014
No Double-Mindedness—A People “Laser Focused”

I have sent My Spirit to drive double-mindedness away from the midst of you. You shall be a people “laser focused,” where My will flows through you as purely and clearly as the sunshine through a clear glass window to bring light to a dark world and set the captives free. No double-mindedness.

PT140402B – Apr 2, 2014
Don’t Stop Praying the Mysteries

He is reminding me of what Dave says to me. He said it many times over the years—you have heard him say it too: “Don’t stop praying the mysteries.”

See, there is double-mindedness, or call it unbelief, or call it something; otherwise, Dave says, “If it wasn’t for that, we would already be in the revival. God is not withholding it from us.”

If the only work is that we believe, then let’s use the weapons of warfare we have been given—use them on the part of us that does not believe until we do believe. How would you do that? [Use] all of the weapons we have been taught.

PT140423A – Apr 23, 2014
You Will See When the Harvest Begins

I talked about these times in times past and would say that time is not long. And this time is not long—you will see when the harvest begins. You will understand more. Many things will come to you.

Be strong and know that these things are going to happen.

PT140423B – Apr 23, 2014
I Use What I Have

Editor’s Note: The following was spoken after ministry to individuals during the service.

The things I am doing now, I must do. With Me, they are timely, and I do something over here and something over there, and I use what I have.

I see all the time out on the field [on ministry trips] the things that I know I am going to see here.

PT140430 – Apr 30, 2014
Come Up Higher

Mysteries hidden—mysteries from the foundation of the world—brought forward this day by My Spirit in this hour and this generation to purge the mind of My children from the falseness of the doctrine they have been taught from pulpits, with good intentions, by men that loved Me but were deceived by religion, deceived by education, deceived by the ways of this world and not taught by My Spirit.

Come up higher, My children. Come up higher. Let My Spirit teach you the things of the realm that you are really from.

PT140504A – May 4, 2014
Watch Me Bring Healing

I am coming with healing, for it is within My Word. I pour in the oil and the wine as My Word is continually heard. As you hear and as you see, continue to believe and watch Me bring healing that will set you, oh, so free.

There is a freedom that comes from the truth of My Word. A freedom that the world has not yet heard, for they have not a spirit that can be taught of Me. But as they come in, you will teach them and they will be free.

PT140504B – May 4, 2014
We Will Walk Towards the Impossible

Why do you worry so much? Why do you worry so much? I am the Father of impossible. Wouldn't it make sense to agree that if you follow Me, we will walk towards the impossible, because what is impossible for you is normal for Me.

Don't be afraid. Keep walking but celebrate the victory already, because it is already there. If you don't quit walking, you will have your victory.

PT140504C – May 4, 2014
Will You Become a Minister of His Presence?

The next step for us will require that type of trust—the strength of the Word in our heart, the termination [the finality] of His truth in our life that not only can [it] be walked through—what the enemy throws at us—but we can burst through in worship as if it doesn't matter what he throws at us, because we are already victorious. And not in a monthly basis or a yearly basis or “when-I-feel-good” basis, but in a day-to-day basis of capturing those thoughts and emotions and putting them under our feet as

lies—it is more than lies. It is a twisting—perversion—it is a perversion of God’s Word to you.

The enemy is trying to perverse [pervert] the things God told you and twist it and use it against you—a mocking. And those are the words that come to our heart. Yes, we can walk through that, but where we are going, we must not just walk through it. We must capture those [thoughts and emotions] and acknowledge them and mark them as lies and untruths and perversions and say, “I am a worshiper of God, and I worship from a place of victory, a place called Done.”

Let me just tell you what is on my heart for the worship teams and the worship leaders: Corporately, we have to go there too. Corporately, He is preparing us. Corporately, it is going to be more important that we enter into that place of worship, of expressing our worship, because there will be those who come in who are broken and they can’t do it on their own. They can’t find that place of victory. They can’t find that place where they shake hopelessness, where they shake their self-image.

You know when you have a self-image where you know yourself, and you wonder if there is any hope of you getting rid of “that guy,” because you know yourself. And you try and worship God, and you have a hard time believing that He could love you or that you can get past those things, because you know yourself. And those are the types of people who come in, who are hopeless, because they have dealt with themselves and failed. And they don’t trust that they can go to a place where God will love them and [where they will] experience His Presence, because they know themselves.

Hopefully, most of us here have gotten past that to know that “I can worship God even though I am a mess, and I can experience His love and His grace and mercy every day.” But there are those who are coming that need to be swept into His Presence. Because we are there—not just the praise and worship team or the one leading, but we join them—where we join them in that place of God’s Presence so that when someone comes in who doesn’t know how to get there, doesn’t even believe they can get there, they are swept into that place. And let me tell you, if you have never been there and you touch that, you don’t want to leave.

Can you imagine feeling that peace you have never felt your whole life, feeling that love you never felt your whole life—you have been searching for [it], you never found it, and you step into a room and you are caught up and swept away and you find yourself there?

The times of letting other people be responsible for your walk are coming to a finish. God is taking His children who will listen to a stronger relationship, and He is asking you today, that is all of us here when I say that: Will you become a minister of His Presence to help sweep other people into His Presence?

Get hold of those thoughts.

We Are Going to Push Through Darkness

Editor’s Note: The following is to those who have a heart for intercession.

This last season, I have placed much on your shoulders to bring the family of God into a place, positioning them for revival, and you have no idea of how you have helped to change multitudes of lives, even in this room and around the world.

So the Lord is saying to you today: Expect refreshing. Expect strength. For what I have asked you to do is not too heavy and it is not too hard. And when you feel like no one notices and when you feel like you are not accomplishing much, mark down these words: that you are My servants, and you have done what I have asked, and I am very pleased. And get ready, because we are going to push through darkness.

It's very strategic what He is speaking to me for you. Not just in a blanket of prayers against the darkness over a city, but specific attacks against people are being nullified, and specific things against the enemy's plans are being put in motion because of your yielding over as He comes on you.

PT140504E – May 4, 2014
See Yourself As a Spark

If you feel like you are called to worship—it doesn't mean you are on stage—a worshiper. It doesn't mean you can even hold a note, but you feel like you love to worship. You are the kind that gets caught up in worship where you don't care what other people think, and if you do care, you still do it. You may be called to even be on stage and lead worship. Maybe you play the trumpet or something.

See yourself as a spark, that when you come in corporately, that you are a spark—a little firecracker that is necessary to wake up the ones around you to help them get past their “boringness” and their tiredness and their stiffness.

What God is showing me today—if you receive it—where we are going as a church, understand that we are needed to walk in unity, corporately, to help the “lambs” and babies as they come in, not just to protect them but to encourage them and love on them and to show them, “Hey? What are you down for? Let me show you how you get rid of those blues.”

So this is an assignment today for you. You're not allowed to be “bluesy.” You are the spark. Other people can be “bluesy” and stiff and boring, but you are not allowed to be. You are necessary in this corporate time of worship.

Mysteries Are Not Hidden From My Children

I have not spoken in a dark place. These mysteries have been hidden from the foundations of the world, but they are not hidden from My children, says the Lord. With that spirit of Christ that quickened you from death to life, I have sent the Teacher, the One who has purposely been sent to make My ways your ways and to make My thoughts your thoughts that the very mind of Christ shall be manifested in the earth through you—His Body. *That's the Holy Ghost!*

PT140511B – May 11, 2014
Praying in the Spirit and Fasting

You will see change in the near future that you have heard about for many years, but be strong, for there are those who never lost the vision, nor did they stop their prayer. For in these things that I am working in them, they are moving up closer and closer, and in this closeness, I am going to be able to give them instructions [so] that you will see cities shaken one by one. For the dreams that many of you talk about—the children’s hospitals—these kinds of places, I would gladly, gladly empty these if I had something to do it with.

Am I short of that? Would I never do something like that? Have you ever seen anything like that? Yet all of this has been available from the beginning. But who is it that teaches on the parts of truth that I give that have to do with absolute power and receiving of truth? For a main road is praying in the Holy Spirit, yet another main road is fasting, and in these, you will find revelation knowledge and power to pull down strongholds that it might [set] people free.

You think that I don’t long to go from city to city, reaping a great harvest with all the communication that is available in this century? I am [longing], and I have talked about these days of revival. But do not lose hope. Because the battle was long, many gave up, but I haven’t, says the Lord, and I will have My revival.

PT140511C – May 11, 2014
I Can Heal Them All

Editor’s Note: The following was after prayer for healing.

Why couldn’t I do that? Even though you are afflicted with many things, that is not My will. And if I can heal one, I can heal them all, says the Lord.

PT140511D – May 11, 2014
Awful Thoughts—Just Don’t Entertain Them

Even when you are just riding in your car and your thoughts are towards Him, like “I love Him” and “I am sure glad I am saved” and that [kind of thing]—He rejoices over that. How do you think He can tell you what you were going to do? But He rejoices even over that.

“Well, can I hide the awful thoughts?”

No. But He knows how your mind works to get rid of them. Just don’t entertain them. You can’t keep them from popping in [your mind], but you don’t have to hire[, dwell on] them.

PT140518A – May 18, 2014
Authority—Now Is the Season

He really wants you to become a great receiver of the authority that He has

available for you to win. He wants you to begin to expect it.

You don't have to be concerned about making a mistake, because the Holy Spirit only anoints your authority that is the will of the Father. Because what you have is the authority, and He is co-laboring with you and waiting to release His power to accomplish the Father's will.

He is saying: I am going to bring this authority. You already have it as a seed. You already received it as a seed when you received Christ, but I am wanting you to know the way I am thinking, the way I am thinking. My "laser focus" is now is the season to give you the authority to defeat the enemy in everything that you are struggling with right at this moment. And I would say, primarily, since the first of the year.

PT140518B – May 18, 2014
Triumph

Triumph, triumph, triumph, triumph—I have never spoken anything except triumph.

The only thing I have for you is triumph. It is the standing in Christ I have placed you in—the triumph of Christ. You are victors and only victors, and the only path I lead you on is in Christ, in triumph.

Walk closely with Me. My words are your standard of triumph. I will not fail you—purpose in your heart to inhabit the place of triumph. It is already prepared for you and I am with you each step of the way.

Walk in My words of triumph. Look only to victory each step of the way. It is the order of the day.

Though darkness has abounded and the enemy has been active, let My triumph lead the way. Inhabit your place of victory and give Me praise, for I have placed you in a triumph that will never go away.

PT140525A – May 25, 2014
Lay Hands on the Sick, Pray for Them—They Will Be Healed

Editor's Note: The following was spoken before a time of prayer over prayer cloths.

He said the purpose of meeting together with you is the hearing and the understanding of the Word—as long as this takes place, He is pleased.

My desire is for you to be filled up in My Word. When most of you reach the limitations of knowing everything that most know, then these times [of prayer over prayer cloths] become something that you go through, knowing what to do next.

Don't you know this is part of My equipping? And if you will allow Me, everything I promised you, I will be able to do. For what did I say about praying for the sick? Lay hands on the sick and pray for them, and they will be healed.

PT140525B – May 25, 2014
Get All of Me That You Want

Don't be upset by this, for the days when the Bible was being collected and put

together, they had nothing like this. Yet, they gathered together in the gatherings and preached from what they had—scripts from the synagogues, anything in the testimony of Jesus and the writings of the apostles, anything they could get their hands on. Yet, many of them got to know Me through walking in the Spirit, for when He came, He came to be the Teacher and He would teach them, and they would pray and they would worship, and He would teach them My Word.

But you don't have to stop where the Church stops. You can go in and get all of Me that you want. Did I not say, "Come to Me"? Yes, it is true that I give certain ones giftings, special giftings, but it is as a call, and on [developing] these calls, [it] takes a great period [of time] if they do it according to My instructions in their life. It takes time [to get] results. *But in testimony, because a person has the gift of healing, they will generally collect crowds and minister it en masse.* But that doesn't mean that many of you cannot have that gift of healing just because you are not preaching. You can go places and be amazed at what I will heal under your hands because I am finding something to do it with.

PT140608 – Jun 8, 2014

What Is Coming Shall Sweep Nations and Continents

For what has been seen, rarely, shall be seen often, says the Lord. Those things that have come here and there like smatterings to the point that the people thought I was picking and choosing—no, it is where I was allowed. But what is coming shall not be a smattering here and there. It shall be rivers of living water that shall sweep nations and continents with the Gospel of My Son before My return.

PT140615A – Jun 15, 2014

Humble Yourself and You Will Be Safe

The Lord is saying to us, to some of you: You may feel like you are a young sheep. You may feel like you don't have the wisdom or knowledge to navigate through all the turmoil that you are facing, but the Lord is saying to you that if you humble yourself, that is all that you need.

Just humble yourself and trust to hear My voice and you will be safe through any attack that you go through.

PT140615B – Jun 15, 2014

You Have All the Strength You Need to Have Victory

Too many of you are holding your mistakes against yourself. Too many of you are holding your past mistakes, and the enemy is using it as proof that you won't overcome, you won't make it.

Maybe you tried a thousand times to change your lifestyle. Maybe you tried a thousand times to start praying or start fasting like you want to. Maybe you tried all

these things a thousand times, so you start to hide a little bit, because you don't want anyone to know. But the Lord says, Yes, you can do this. Don't quit enduring.

Don't quit trying, because He won't quit on you. Don't stop. You are not just along for the ride. You are a part of revival.

For I have strength, so much strength, says the Lord, so much strength that I don't need yours. So rest—have peace to know that whatever fight the enemy puts on you, whatever fight your flesh puts on you, you have all the strength you need and more through Me to have victory.

There will never be, says the Lord, there will never be a time that you don't have enough. There will never be a moment that you do not have enough.

PT140622A – Jun 22, 2014
I Will Move Through You to Change Things

Editor's Note: The following was spoken before a time of prayer.

Hold these things up [in prayer]. Hold these things up that I give to you, and I will move through you to change things. Some things don't have to be the way they were. They can be the way I would have them.

I have been given heed—people are listening. This is the reason I am able to give things over to you in the preventing of some things and still an exalting and lifting up [of] others.

There's a distance that is being created from much of the errors and the incorrect use of the Word, and I am gaining ground through those who are walking with Me to capture this thing and overtake it and then hold it up and turn it into a revival instead of another downfall.

PT140622B – Jun 22, 2014
I Listen—I Will Go After Them for You

Think not that I do not listen. I listen and especially for your families, for your sons and your daughters who are abroad and who are spread wide. You mention their name—I am there. You hold them up—I will send people to get them saved if they are not saved. All I need from you is the authority to do this, and I will go after them for you, says the Lord.

For people did this very small. They were not seeing results for themselves, so they were thinking why should they receive results for somebody else?

Things are changing, because there is going to be an “up-step,” and this will be caused by people that have listened to Me and are going to march forward and bring what I am bringing to this city.

Like you, I have your children in mind. But there is not one that you cannot hold their name up before Me and you will see a change of direction, because I will go after them for you.

You are getting closer to things than you think. So be strong and know that when this is all over, I will be waiting for you and the ones you love.

PT140622C – Jun 22, 2014
When You Reach Into the Heart of Revival

Why do you think that I laid hold of them, and he [the speaker] began to talk about the gifts of the Spirit and operating in them if something wasn't getting closer and closer? And I say to you again: It is.

You will be so pleased when you reach into the heart of a revival and watch these things come to pass.

PT140622D – Jun 22, 2014
Learning More About a Freedom That Is in the Spirit

It won't be real long that we are going to start learning more, more about a freedom, a freedom that's in the spirit from [where we are now to] being able to take another step into Him and move according to the Holy Spirit and what He is doing. And something like that is in the making now for, I think, the pretty soon future.

I mean, you already saw some kind of good stuff now and then. But we are talking about get them out of the truck, you know, bring them in.

PT140622E – Jun 22, 2014
Unbelief—That's Going to Change

I hate to say something so simple to you: The only reason we are not walking into this [revival]—unbelief. That's it. It's unbelief. That's going to change, He's showing me.

I'm telling you, you've heard me say it—you've heard me say it, because I heard Him say it: We are going to look back at all these previous days and we are going to just laugh that we ever thought it was so hard.

And I'm going to tell you this, another analogy He gave me. See, I was only about seven or eight years old when they broke the four-minute mile. But, I remember, it was such a big deal, and I read about it. I heard about it later in school.

In the fifties, finally, this guy broke the four-minute mile, and nobody ever had, and many had tried. They tried forever, since we had clocks, I guess. You know, a stopwatch. And there were books written about how it is impossible that man will ever—you ought to read some of them they used to have about when trains were coming out, and they said, "No, if man's body travels faster than fifteen miles an hour, his mind will explode."

Well, I'm telling you, it's going to be like the four-minute mile. He showed me. Because, once they broke it, everybody started breaking it. Something happened in their "believer." Can I say it that way? Something happened in their believer: "Oh, I can do this."

That's coming to you! "Oh, I can do this. It's really Christ in me, but I can do this." And it's going to be exactly like the four-minute mile thing. It's going to sweep through the Body, and it's not going to be just the preachers, just the five-fold [ministry]. I mean, it is going to sweep through the Body, and we are going to have "four-minute mile breakers" everywhere. We are going to have anointed ministers everywhere—Mary Wallpaper, Joe Public. Same Holy Ghost, same hose—same connection—you are joined by one spirit to the Lord—the same.

PT140629 – Jun 29, 2014
Arising Now—They Shall Fuel the Combines of Revival

Even in the sound of My voice, there are those whom I have called to wield finances for My Kingdom.

There are arising now those weaned from the breast, those whose eyes are turned toward Heaven more than they are toward earth, whose trust is in My hand and not in what they see, who will obey My voice and step out onto the waters—even at night in the raging wind—and fear not with every step, for they trust the voice of the Lord their God.

They shall fuel the combines of revival that shall harvest in these last days, says the Spirit of the Lord.

PT140706A – Jul 6, 2014
The Authority You Carry Is What I Will Use

For some of you who have watched people you love get swept up in this [discrediting the walk of the spirit], the Lord wants to encourage you today that the answer is not arguing or confronting them with doctrine. Keep praying and standing and believing, because soon, the darkness that has covered their eyes and stopped their ears will be removed, and they will see who they really are, where they are really at, and who they really need.

So do not be discouraged because of what you see. Do not get disheartened because it looks like you may be losing—because you are not losing. As you continue with Me, the authority you carry is what I will use.

PT140706B – Jul 6, 2014
You Are Not Behind—You Are With Me

Stop it. Get control of it. Grab that thought and put it to death. You are not behind. You never were behind. You are with—you are with Me.

You are not behind, says the Lord.

PT140706C – Jul 6, 2014
One Liberator in Your Life—The Holy Spirit

Be careful of those who come to you as liberators to liberate you out of “religion” or “works.” Be careful of those, because they are not liberators. There is only one Liberator in your life, and that is the Holy Spirit.

“The Person That I Am” Young Adults Conference

PT140711A – Jul 11, 2014

You Are the Ones to See Many Things Come

He says, I have My own in this room, and many have a call that goes beyond the average calls because of the willingness-to yield themselves over to Me, and I have many things to say. As you grow, you will remember this night.

Many of you desire to be used by Me, both in signs and wonders and healings and miracles and in Word, and you will. You are the ones that are going to see many things come that in the whole time of the world—[the world] has not seen it, but you will see it. Along with everything that happens, I will be there with My anointing to take in the harvest that is going to take place in these last years. *Now, “last years” can be sixty or seventy [years].*

PT140711B – Jul 11, 2014

You Don’t Have to Walk in Any Kind of Fear

For many of you are receiving gifts. These gifts will become prominent. They will be powerful and strong in your life, for My hand is on you. I have much to do but too few to do it with.

For many of you will leave here and you will begin to be used of Me in mighty signs and wonders and miracles, and it will be because you have something in you that will carry it through and not turn back.

So relax and know this, that the more you get to know Me, the more you will know of My stillness and peace and grace that I have given to you. You do not have to walk in any kind of fear.

Be strong. Stand up for Me, for you are coming into a time of mighty signs and wonders, which many of you hunger for.

PT140711C – Jul 11, 2014

You Must Learn to Totally Obey Me

Editor’s Note: The following was spoken and an invitation to receive prayer was given for those who knew this was for them.

There is somebody here that you were asking, basically, for a confirmation: “Am I really called? Am I really called to handle His Word and signs and wonders?” And His answer to you is, “Yes. Yes, you are.” And if you will obey Him, they will start immediately.

For you must learn to totally obey Me. There will be times when I will tell you to go into places that are dangerous and times [when I tell you] to go into places where the wealth is overflowing, and you being obedient, you will follow Me.

Paul [the Apostle] came into the picture. They won't be able to stop you any more than they could stop him. They think they put him to death. He is the one who said, "I am ready to be offered. I fought a good fight. I kept the faith. I ran a good race."

PT140713 – Jul 13, 2014
I Will Not Reject You—Come Closer

For some of you, you have come to a certain place of worship and intimacy with Me, and then you stop. You stop because you are afraid that I won't receive you beyond the point you have been. You stop because you are afraid of Me accepting you and loving you. Unworthiness tells you that you are not as good as someone else or shows you your failings or your weaknesses, but don't you know that I see you, and you are the one that I love?

I will not reject you. Come closer. Come closer in your worship. Come closer in your heart to Me, He says, and I will prove to you that I love you.

End of "The Person That I Am" Conference

PT140716 – Jul 16, 2014
Stir Up Your Hope—You Can Overcome

There's an encouragement I hear in the spirit: He will never give up on you. He will never stop believing in you. He will never run from you. So even when you feel you are too far gone or you are drowning in your struggles, stir up your hope.

You have a Father who loves you, and He is here this moment with you, and He has His hand out to encourage you. Yes, you can overcome. Yes, you can. Don't quit. Don't stop. Don't stop. Things you struggled with for years that you are about to quit fighting—don't stop. You will win if you don't stop believing whom He made you.

PT140720A – Jul 20, 2014
Come Up Higher—Look to That Which Is Mine

For I am bestowing honor on this place, calling you into the deeper things that even more of your life may be consumed on the altar of His will. I am calling you even deeper and farther, beyond those realms where the flesh will walk with you, beyond that realm—those realms where your flesh will walk with you. I am honoring this place, and I am drawing you into that realm where the Son's voice is heard clear and where the power flows free and where Heaven is brought to earth and My Father's will is manifested.

Be encouraged, little flock: It is your Father's good pleasure to give you the Kingdom. And this very day, I say to those who have ears to hear: Come up higher. Come up higher. Look not to the world. Look not to your flesh. Look not to that which is yours but look to that which is Mine, for all that the Father has given Me, My Spirit will show it unto you, and together, we will harvest My Father's fields in these days, says the Lord.

PT140720B – Jul 20, 2014
If You Are His Disciple

We're coming to that time now, even things that are not sin, even things that are okay, if you are His disciple and He says walk away from them—flesh screaming all the way—you walk away from it, or you are not His disciple. I'm sorry. That's the truth.

PT140720C – Jul 20, 2014
Prayer of Consecration

Father, this is the year that I sell out to You. If there are things in my heart that are an offense to You—that is an obstacle to You, that is hindering the Father's will—Lord, I am asking You: Tell me as straight as You told Peter [the Apostle]. I need to hear the truth, and I am asking for it.

Father, I know, by Your grace, as long as I yield my will, You will empower me to put my flesh on the cross. Even on things that I have loved for decades, this is the year I sell out to You.

Father, I thank You for loving me too much to leave me like I am. In Jesus' Name I pray. Amen.

PT140727A – Jul 27, 2014
Continue to Press, Stand, Say, and Believe

We are pressing in and we are moving forward and we are going on, you see, because the battle that God has for you and the battle that God has for me is a battle of victory. The price that has been paid two thousand years ago at that Cross of Calvary, that Cross that finalized everything that you and I need, and all that we are has come from that finished work, from that place called Done.

So continue to press and continue to stand, continue to say, continue to believe and hold fast, and know for assurity that My battle has been won, says the Lord. For I won that battle in Christ when I nailed Him to the Tree—I allowed Him to go to that death and be raised to victory.

So come forth now and believe, I say, all things are possible with you and with Me.

PT140727B – Jul 27, 2014
A New Place of Consecration

I am pleased. I am pleased. Think not that I am [not] pleased with your walk to

this point. Each and every one of you has put your hand into Mine and [has] let Me bring you this far, but now, I am looking ahead. I see where the path leads. I see the dangers and the glories that are there.

So rejoice at this season—that you have come to a new place of consecration—a place where the flesh says, “This far and no farther.” So at this point, the flesh must be crucified, and I will lead you into the fullness of all that I have called you to do, and the reward, the reward, the fullness of the harvest shall be so great. You shall rejoice in that day, though your flesh does not rejoice now. I am pleased, says the Lord, and you shall be too when you see the fruit.

PT140824A – Aug 24, 2014
Time Is Getting Shorter for a World Revival

Hear these things and know that in the future that times of sort will come and another kind—*that's what He meant by “futures,” that there will be tremendous signs and wonders, the kind that penetrate the highest places.* You will see where they loose My hands and allow Me to move. *The creation of His power and presence of it will be so strong that you will know when it is moving from city to city to city to city.* And when these things begin to happen, as I have told you in the past, time is getting shorter for a world revival and then for you to come home.

PT140824B – Aug 24, 2014
You Will See Something Mighty

Know this: In My love for you, and the kind of love I have for you, that I do all that I can for you when I can do it. So hold your face up to Me and hold your hands up and know that I am available with you in everything and [available] for you to do all that I have given to you to do, which is good, which is good.

You will rejoice and enjoy yourself because you will get to see things that many generations never saw before of Me working My Presence in supernatural signs and wonders, because in these seasons, in these future [times], and all the modern things that have come into existence have caused much more information to be made available to many, many, many people, and not only this, the way things are put together, many of you will begin to understand more and more as teaching tools are made available and truths are uncovered in this place and that place. When this comes together, you will see something mighty on this earth.

So rejoice and be glad, for the time isn't real long, but it is an exciting time and your life will be involved in it.

PT140827 – Aug 27, 2014
He Is Pleased—Be Encouraged

He wants me to tell you, not just you in this room, but you that are connected

with this and trying with all you know, that He is pleased with you.

Do not let the enemy tell you otherwise. Even if there are areas of your life right at this moment, like I have, where you are not in complete obedience and you know it, but you are still doing those things, maybe not perfectly, maybe haltingly, stumblingly, hesitantly—but something in you just won't give up. And you drag yourself back to prayer, at least for awhile, push away from one more Snickers bar [candy bar], obey Him on this thing, obey Him on that thing—you will not quit, and He wants you to know: He is pleased. And He has not brought us this far to abandon us now. We are going into revival.

Be encouraged. Don't be moved by the ravings of the lunatic "little g" [god] of this world. Don't be moved by all of that. Be moved by your Father and the spirit that He has placed on the inside of you. The best is yet to come.

PT140831A – Aug 31, 2014
You Will Win if You Don't Quit

If you find yourself depressed, discouraged, wandering around, wondering “Why am I here?” it's because the devil is riding on your emotions trying to get you to look somewhere else for victory instead of the one place you are supposed to look: Are my feet in His footprints? Am I doing what He says?

He doesn't want us to run from a fight, run around from responsibility to give everything to Him and say, “Okay, You fix it.” This is a fight that you and only you can do and say—“My soul will not rule over me, but I will rule over it. My life is in His hands no matter what the cost is.”

And what you will find [is], this isn't a path of victimness; this is a path of victory that no matter what you go through—whether it's your own making, whether it's the devil throwing at you, whether it is life throwing at you—you will win if you don't quit. You will win if you don't quit.

PT140831B – Aug 31, 2014
Obey and Follow Me—You Will Not Fail

I just hear that again what I said earlier: The enemy will try to trick you every step of the way, but do not fear. As you continue to obey Me and follow Me, you will not fail.

PT140831C – Aug 31, 2014
Trust My Voice and My Word

Do not listen to your emotions. Do not trust your emotions. They are not a reflection of truth. Trust My Word and what I have spoken to you.

Do not give your emotions the right to tell you who you are or where you are going. Trust My voice and My Word.

PT140907A – Sep 7, 2014
Your Hope Must Be in Me Alone

In My plan for your life, it is important that you decide now that there is no cost, there is no price that can be paid for your willingness to obey Me—that you give up everything and you make that determination now. Today it is important that you make that determination at all costs—at all costs, you will follow Me into your calling, that you are willing to not let offense or hurt or wounds or lack, persecution or tribulation or nakedness or peril or the sword stop you from believing in Me and believing that I believe in you enough to lead your steps. This is what I am asking of you today.

It is important, today, that you make that mark in your life so that I am free to walk you into wonderful, wonderful, wonderful things—things you know not of, things you do not see, things that man has not seen for centuries who followed Me and walked with Me.

How I wish I could show you to entice you, but then, I would override your will. Your walk with Me must be built on relationship—that you trust Me—and not that I give you opportunity or hope in anything else. Your hope must be in Me and Me alone.

You Cannot Walk in Unforgiveness and Revival Power

This is a warning really: If we are going to walk in the power of revival, I am telling you, people are going to die. I am telling you, you cannot—that [revival] power cuts both ways—you cannot walk in unforgiveness and walk in that level of power.

So if you cannot forgive them, skedaddle—leave here—you hear me? I am trying to save your life. It's serious. If you are not serious about this and about the love of God—what, you don't need forgiveness? What, you're the judge now? It's okay for you to [judge]? No, it's not. The only reason you are going to Heaven is the blood of Jesus. Get over yourself.

Who Will Give Their Life?

Who will surrender to Me? Who will give their heart? Who will give their life? Who will allow Me to come in and be a Father to you and take you and love you and cause you to change? And [who will] walk hand in hand with Me so that I can see a lost and dying world change? And I can have sons and daughters born unto Me, because I desire that family.

Continue to Press and Continue to Stand

For I long, says the Lord, to receive unto Myself all those that are in need of Me, for I hunger to pour out My goodness and My glory unto men. So come unto Me and

continue to press and continue to stand and know for a surety that I will cause you to possess the land that I have given you. For have I not said that I am in you and I am with you and I am for you? So stand in the truths that I have given unto you, that as you hunger and thirst after righteousness, you shall be filled.

For, truly, I desire to pour out My power in this hour, and I need men and women who will continue to press in, continue to hold fast to those promises that I have given unto you—that all things are possible, that there is nothing that I won't do, for I am the God of all glory, and I desire to reap a harvest in these last days.

So stand fast, says the Lord, and hold on, for I am coming. I am coming in power. I am coming in glory. I am coming to manifest Myself in you and through you, says the Lord.

My Words First in Everything Is the Purifying I Bring

I am purifying fellowship with Me. A dividing began when I spoke of a time that was beginning when messages would not be “namby pamby”; instead, they would be messages for those who were ready to continue forward into a narrower place of fellowship with Me. This is continuing, but things have accelerated.

I am taking My people into a fellowship with Me that is not restrained by the angst of the soul. My beloved ones are being purified and strengthened in these times with Me. They are not easy times on the soul, but they are good times. These truly are good times.

My Word is beginning to take its proper place in the heart, a place of receiving and understanding. Faith is of the heart, and the days ahead will require strength in believing, for I will be taking many into unforeseen places in Me, places of faith and great and mighty things, and to do so requires an earnest place of fellowship and believing. I am so pleased to be taking many into this place with Me.

I am preparing an army who will serve Me, who will bring about swift justice indeed, and who will set many, many captives free—an army who abides in fellowship with Me. The words I speak and the written Word are the life, the strength, the nourishment, and the equipping that will carry and fuel this army. Truly, My people live not by bread alone but by every word that proceeds from Me.

I am equipping an army who hears Me, believes Me, and obeys Me. My words first in everything—this is the purifying I bring. I am fashioning a people to adhere to that which comes forth from Me and to consider it first in all things.

A fire has begun in the belly of many that is a desire burning for the life that is in Me. That which proceeds from Me is life; it is strength and equipping; it is hope; it is wisdom; it is counsel; it is peace; it is restoration; it is healing—it is everything you need. I am the Answer to all things, and in My Word that has been written and in My words that I speak and have spoken are answers upon answers and masterful equipping for everything you need.

Hearken well to the voice of My Spirit, for all that He brings, He has received from Me. The days ahead will require attentiveness to all He brings, for I will go before you and I will have everything you need. Your attentiveness to the words I speak is part of the essential equipping that this season brings. I am training an army

to take heed to My Word and to the words I bring, and My Spirit bears witness of these things.

Purifying I bring, and the fellowship with Me will be rich indeed. Pay attention to, take heed to that which I bring, both individually and corporately, for it is part of your equipping. Many are called and few are chosen, and I am choosing those who take heed, those who move with My Spirit into deeper fellowship with Me.

The depths in Me always require choosing, listening, following, and obeying. And fellowship—much fellowship—is always key. There is never fellowship with Me without My Spirit, and it is of vital necessity to hear what He says and to pay attention to what He brings from Me. I have many things to say and I never speak unnecessarily. Take heed to what My Spirit brings. He is the Excellence of My leadership to My Body, for He alone takes of Mine to reveal it to you. He brings My words of life to you.

Fellowship with My Spirit is being brought to a new level as My Body understands the importance of not only My written Word but the words I speak to you. Pay close attention to My Spirit—He alone takes of Mine and delivers it to you.

Excellence of fellowship is hearing and taking to heart that which I say to you and that which I show you. I am pleased to say these things, for many are ready to receive that which I bring, and I bring that which is necessary for equipping. I see yesterday, today, and tomorrow, and I know all things. I never bring anything unnecessarily.

I am most pleased to say these things. It is what fellowshiping with My Spirit brings, and now is time to move forward in Me into deeper things of love, of faith, of service, of equipping, and greater understanding of many things. Hear and take heed to My Spirit, for He never brings unnecessary things.

PT141001 – Oct 1, 2014 My Generals Have Come Forth in Me

My generals have come forth in Me. This is victory. Those who would not call themselves generals, I am calling generals. They are on hand to lead My people into the victory of the fullness of who they are in Me. They are My generals and are appointed to lead as they have been led by My Spirit—as a unit undivided, a unit one with Me.

It is My declaration: My generals have come forth in Me. They have taken this place through fellowship, laying their reputations at My feet. These I am calling do not look at themselves as generals but view themselves in humility, but I am calling them generals, for they have arrived at a place in Me of tender, teachable hearts and humility, and they have the strength they need.

I say you are My general. That is what I decree. Your equipping is our fellowship, holding fast to Me, hearing from My Spirit, sitting at My feet. Generals have their ranking, but your rank is in Me. Your strength is in your unity, staying as one in Me.

I am calling My generals, those who are united in Me; I am calling you to lead into fires and great victories, to stand together united, one with Me—walking in My victory, hearing My decrees.

Stand united in battle. Stand united in victory. This next part of the journey is crucial indeed, but the victory is established, just walk it out in Me. Hold each other's hands up, established in My decrees. Stand united in My victory. Walk it out in peace, and soon, you will see that revival was not as hard as it seemed.

I am pleased this day at the unity and how you have endured in Me. It is part of your great victory—unity with each other in your unity in Me. You are banded together in My Spirit to lead the army I am equipping into the fires and furnace, emerging as an army—holy in Me.

Do not say you are not My general, or “How can it be?” Promotion is by My choosing, and this is the next step in our intimacy. Many miss it by thinking promotion becomes a time of “busy,” but in My thinking, promotion means more of you and Me.

Your leadership requires our fellowship. There will never be a time that our fellowship is not everything. My choosing you is not a matter of perfection in your walk with Me. I know each of you according to your heart, your attentiveness, and your maturity, and your schooling of fellowship with My Spirit has been your preparation, so I am free to decree: Generals you **ARE** in Me.

A major factor in My choice is the unity. I have a band of generals who have chosen to walk together with Me. It has been decision after decision into more and more of Me. Never underestimate the unity. It is the way of love and wisdom and peace.

I choose with great pleasure, for I find you faithful in your desire for Me. I have found yearnings as well as surrender to My call of, “Come deeper into Me.” I have found willingness in each of you as you have continually yielded to Me. I can take one who is yielded and willing, and through obedience, we will do great things.

I know that you see your failings, but in My choosing you, I did not consider these things. I looked at your desires and your yieldedness; and you must know, I am pleased. Your obedience is being fashioned in the secret place with Me as I bring you deeper into truth and freedom. First, in My mind, is your calling, and that calling is fellowship with Me.

Your charge is one of simplicity: Be strong in our fellowship—keep making choices for more of Me. In our fellowship through My Spirit is everything you will need. I am leading you as I lead My army into the reality of life in Me. Faith and love and authority will all be established in great peace.

We are going through the land of revival—the land of who you are in Me, and I have given you a people to lead. As you are walking out your leadership, I will give you what you need, and be assured: Revival flames are burning in you even as I speak. Stoke the fires of revival through our fellowship—My Spirit has everything you need. Nothing will ever matter more than the time you give to Me. You are Mine, and You are My generals, and the heart of the matter has always been fellowship through My Spirit with Me. Know that I am most pleased.

A Treasure to Me—I Mean You

You are My child—Mine—a treasure to Me. You are this to Me—you are—**YOU**. You must receive this truth into the very depth of your being, for this is how I see, how I feel, how I think about **YOU**. It is not as your mind screams, “He means the person sitting next to me.” I mean **YOU**.

The plans I have for you are so great. Continue to abide in Me, surrender daily to My path for you, and together, we will soar into the future I have always planned for you.

Preparing the Way of the Lord

This conference this week, there is going to be some additional preparing in us—the way of the Lord, where He can somehow reach through that portal—that spirit—from that realm, where He is physically seated, to this realm, where you are physically seated, and touch the blind, heal the sick, cast out devils.

This is about preparing the way of the Lord.

PT141007 – Oct 7, 2014
Do Not Hold Anything Back

I brought you here for a purpose. Not one is least among you. Wherefore, lift up holy hands; let My refreshings come—this is that.

Many of you have been searching, been hoping—questions: “God, is this too good to be true?” The Lord says, I am in this for you. I am speaking to you in this week. I am speaking to you in a manner in which only a Father with loving kindness and tender mercies can bring forth a purging in your life. I am not angry, but I am delighted. I am pleased.

Do not hold anything back. Do not hide anything. As much as you can get over to Me—allow Me to come to [it].

PT141008A – Oct 8, 2014
Remain at the Feet of My Teacher—I Will Purge You

The enemy has come, and he scatters the unlearned, the untaught—he scatters them with the most childish things. My children are so concerned over things that are almost childish in My sight. What I desire is that you remain at the feet of My Teacher. I will purge you. I will purge you—trust Me that I know what I am doing. Trust Me that even you can change.

Pride is thinking your stronghold is stronger than My Spirit. Pride is thinking you are the worst of all, which really is saying, your sin is more powerful than the blood of My Son.

Bow, yield to the Teacher, for I am taking you far higher than you have walked before. This is the season of selling out. Flesh things, this year, are going upon the altar that My fire shall consume quicker than you ever dreamed possible. This is that year. The following year is the year of power, says the Lord.

PT141008B – Oct 8, 2014
A Tsunami of God's Love—God's Power Is Coming

There is a wave of God coming. I don't know how to describe it, but it is like a tsunami—it is coming. We are going to be right in the middle of this thing. There is a tsunami of God's power—which is the same as saying God's love—coming, and it is going to harvest this earth. It is going to harvest in Jesus' Name.

PT141008C – Oct 8, 2014
Pray Without Ceasing—Pray at All Times

Pray without ceasing. Pray without ceasing. Pray in every season. Pray at all times. Do not turn coward and quit. Pray in tongues. Pray without ceasing.

PT141008D – Oct 8, 2014
Apply My Word

Apply My Word to each and every circumstance. My Word contains life and the power to break the power of the enemy and to renew your carnal mind to be in full and complete agreement with your spirit.

When you have trained and disciplined your mind to let My Spirit reign and rule as you become obedient to daily heed the instruction I give, then I can accomplish My will through you.

With great excitement and anticipation, I can see the day quickly approaching when I can pour out all that I am through My Body.

PT141010 – Oct 10, 2014
It Is the Time of Necessary Equipping

Life as you have known it is at the beginning of the end, and this end comes quickly as you follow Me. Where we go, I have given you glimpses of, but to glimpse and to live it are entirely different things. The glimpses are part of your preparation, and these glimpses are changing into reality in your thinking.

Intensity—intensity is required to turn glimpses into reality. This is your laser focus as you leave all behind and sell out to Me. We are leaving your past behind, the past way of thinking, as you learn more about living in Me. Everything that is not part

of life in Me is being removed, destroyed, and forsaken as your fellowship with Me increases.

Necessity—live by necessity—do what is necessary, but do it in Me. Your family, your friends, your job, your schooling—the necessities of life are part of your equipping and training—you will be learning a new focus in Me in these things. They are an essential part of your equipping, and I am increasing My life in you in these things. Laser focus on Me in your daily living, and set aside time for just you and Me where I can draw you into Me and bring change upon change and equipping.

Be filled. Be filled with Me. I am your Reality, and as you see more and more of Me, you see more and more of your reality. Your life in Me is your reality in all things. Times in My Presence are full of life and vitality and reality. Times in My Presence are your strength and equipping. Times in My Presence are your refreshing. Times in My Presence are essential and a necessary part of your equipping. Take the times to pull aside and give yourself to Me and I will give you much of Me.

Truth—My words are life and they are truth, and they are becoming a living part of you. Take My truth and feed upon it until it becomes a part of you, until My words are reality to you. My words are life, truth, and reality to you. Feed upon My words of life to you. They are essential and necessary in all you do. There is no Me and you without My words of life to you.

It is the time of necessary equipping. That which is not needful is being weaned, cut off, and removed from you. I am preparing an army equipped with only that which is necessary. We cannot take non-essential things with us on this path of reality of life in Me. It is a time of deciding and dividing, and your fellowship with Me will bring increase in this. You will be deciding and choosing, and you will be drawing dividing lines in your life as you continue to focus intently on Me. It is the year of selling out to Me.

My pleasure abounds at what I see in your heart and in your understanding. Your choices have pleased Me. Rest assured; you are rapidly approaching days in Me of truly great and mighty things. These days will come quickly, though that is not how it has seemed, and you will say, “How hard it seemed then, but I now see, it was not as hard as it seemed.”

Live in Me. I am your Reality.

PT141012 – Oct 12, 2014 **You Are Not Your Struggles**

God does not look at how far you come in your flesh as to how good of a son or daughter you are. He does not look at how much you have overcome as if you are a daughter today and not tomorrow. He only looks at it as what it is—it is your flesh—and He expects you to overcome it every day.

He expects you to take it to the cross every day. But knowing that you were going to struggle with your flesh, He could not wait another moment—He did not want to wait until you were perfected in your flesh. He did not want to wait until Heaven. He made a way for you to fellowship with Him as if you were perfect—right now—today. And the only act it takes is a moment of humility to repent and thank Him for

the blood of Jesus, that it washes you today of that sin. And that one act of humility gives you the ability to run in to Him, to fellowship with Him, to enjoy Him like you were in Heaven with Him.

Let's not waste another day, another moment of acting like we are not in Him when we already are. You are not your struggles. No matter how big or small they are—you are not your struggles. You are His child.

PT141106 – Nov 6, 2014
Great Power Is Coming With Great Simplicity

Great power is coming with great simplicity. Great power is coming for anyone who dares to believe Me at My Word and will allow My Spirit to shed abroad enough of My love into their heart so that believing will be a very simple thing indeed.

Great power is available in the simplicity of believing My Word and acting upon it, but without My love shed abroad in your heart by My Spirit and the fellowship He brings, believing is an impossible thing indeed. There is so much complication and confusion that the enemy brings outside of fellowship with Me that makes it impossible to believe. The enemy would like to seclude you from your fellowship with Me and base the flow of My power on your works instead of Mine. But in the fellowship I bring by My Spirit, if you will allow, I shed abroad My love in your heart which is the understanding of My work that I have accomplished for you so that with great power and simplicity you may walk in all that I have made you in My Son.

Simplicity is the love I have for you, and the things I freely give you, that is the grace I work in you. It is the enemy who would like to complicate your relationship with Me, but if you stay close in fellowship with My Spirit, then the love that I am able to love you with will keep the flow of My power flowing with great simplicity.

PT141210 – Dec 10, 2014
There Is No 'Plan B'

There is no "Plan B." That which I have begun in you, I will perfect in you, and that which I have spoken over your life, I will fulfill, says the Lord. There are many of you who have begun and have started out on a journey and commenced on My plans, and many things have come to try to divert, divert, divert, divert, and I say to you, My children: I am bringing you right back into alignment.

You have not gone astray. I do not blame you or hold you up to fault—I say that the enemy has come hard against you, on many occasions, to try and divert you, and I say to you: I am bringing you right into alignment once again, says the Father.

And those of you who are blaming yourselves, I say to you: You have pressed through. You have gone on even against the odds. You have held fast to that which I have given you, and I am pleased with you, says the Lord, and I do not hold it against you, My children.

I say to you: I have watched you as you have warred. I have watched you as you have stood toe to toe with the enemy on many occasions, and again I say to you: My

child, I do not hold you at fault—I do not see you as the one to blame—I see you as one who has warred. I see you as one who stood fast and held fast.

So, My child, I remind you: There is no “plan B.” That which I have spoken, I will bring to pass, and that which I have said shall not fall to the ground. My Word shall not fall to the ground, but My Word shall go and perform that for which I have sent it. It shall accomplish all that I have spoken and shall not fail, says the Lord.

PT141228 – Dec 28, 2014
A New Day Is Dawning

Continue to scan the horizon with the eyes of your spirit, for you are rapidly approaching a new day where the light you walk in shall be so bright that what you have walked in up until now shall seem as darkness.

You have now learned how to reach through the veil and appropriate those things from the spiritual realm—to appropriate those things which are truly your inheritance. The things which are above, you have set your affection upon, and now they have become your treasure. And as you gather them unto yourself, there is a reordering within you, a new understanding of your identity, a new understanding of who you are that shall release the moving of the Father’s Spirit to reorder all things according to His will.

Continue, continue to yield yourself unto Me, says the Spirit of Grace. You are appropriating now. As you mature by those appropriations, the eyes of your understanding are being opened more clearly and more clearly to the light of My counsel as I bring the mind of Christ to you on a day-by-day, moment-by-moment basis.

All that you have seen in your spirit as being possible, all of those things are possible, says the Lord. Not only are they possible, but they have been the plan of the Father all along. But as the Firstborn said, the way is narrow into those things. The way into those things is narrow indeed, and few there be that find it. But you have found it.

I am pleased that you continue to come and sit in the classrooms of My training that I may bring your walk into the light and onto the path that He has ordered for you. Be encouraged. Let nothing dissuade you. Let nothing divert you. Let nothing discourage you. Continue to be ruthless in the giving of your time in My classrooms. I say again to you, there are no limits to the dominion I will bring to your spirit that the Father may be served by the life of Christ within you.
