### **I Will Move Through You to Change Things**

*Editor's Note: The following was spoken before a time of prayer.*

Hold these things up [in prayer]. Hold these things up that I give to you, and I will move through you to change things. Some things don't have to be the way they were. They can be the way I would have them.

I have been given heed—people are listening. This is the reason I am able to give things over to you in the preventing of some things and still an exalting and lifting up [of] others.

There's a distance that is being created from much of the errors and the incorrect use of the Word, and I am gaining ground through those who are walking with Me to capture this thing and overtake it and then hold it up and turn it into a revival instead of another downfall.
