Our Steps Are Going in the Right Direction

Our steps are going in the right direction, and the fullness of it is God being able to get into all of this and perform everything that Jesus died for, and it's available.

So talking about prayer, He came to say, "I will give you a language, and I will even do prayer for you." What do we want? What do we want?

So, you can look around you—don't be moved by it. We have a strong future ahead of us. We've tied a lot of devils up—they didn't get their job done. We were supposed to have been stopped. We're going through no matter what, and we'll get to stand before Him. It will be glorious.
