Stand Up in Your Faith—Walk Toward Me

It doesn't matter what the devil pulls. He's already lost. He's lost already. There's nobody he can have victory over or beat up that knows Me well enough to know that they can stop the devil themselves, because I gave you that authority. So have no fear. You are My sons and daughters, and I am here standing with you. You are in My keeping. Walk in no fear. Be brave. Be brave.

For what I said I would give you, the devil has presented it [as] impossible. Don't walk after what he is doing in bringing and making you feel. You turn around and do and follow Me and what I said—you will already begin to experience greater victory than you have been walking in. For you are pressing in and coming into another era that closes the gap in the final efforts and things that the devil brings to stop it—it just grows in momentum. And the reason it does that is because you were getting closer to what I said that you could have. So be strong. Stand up in your faith and you walk towards Me. You walk into My things, says the Lord. The more that you walk on that straight path, the more you will walk into the things I have given to you for victory.

For the enemy loves to cause dismay and fear and hopelessness. Know you not that he increases because I am getting closer and closer to the things that are going to happen here? And when these times come, he increases in [the methods of] fear. And that's when he will try to bring in the troops and destroy what size church that we have. That's what has happened. But this is that "over-play" that the devil is trying to pull on us to hold back what we've been believing for. So you don't need to look at this like failure. You need to look at this that we're getting closer and he's fighting harder. So, hallelujah!

So just rejoice and be extremely [glad]—just like there are five thousand people in here and they are all hungry and they want to move with God. These things can be received and taught. He [the enemy] can't afford to let us slip by. So if you have extra troubles and that and anything that's happening, just know what's causing it. Take a deep breath and begin to thank God for what He is doing. There is nothing impossible to Him and you create an atmosphere in your presence of faith where He can move—you, Him, and angels will run around and get things done.

The worse he [Satan] makes it look at this point—the rejoicing, you need to do in abundance. [If] he makes something look ugly, just jump in there and just rejoice with all of your heart [over] what He [God] has said about it, and it can't stay.

Luke 10:18,19 And he said unto them, I beheld Satan as lightning fall from heaven. 19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Psalms 27:1-3 A Psalm of David. The LORD is my light and my salvation; whom shall I fear? the LORD is the strength of my life; of whom shall I be afraid? 2 When

the wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled and fell. 3 Though an host should encamp against me, my heart shall not fear: though war should rise against me, in this will I be confident.

Colossians 1:11,12 Strengthened with all might, according to his glorious power, unto all patience and longsuffering with joyfulness; 12 Giving thanks unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light:

Psalms 119:162 I rejoice at thy word, as one that findeth great spoil.

1 Thessalonians 5:16-18 Rejoice evermore. 17 Pray without ceasing. 18 In every thing give thanks: for this is the will of God in Christ Jesus concerning you.
