### Purging Is the Way of Fellowship With Me

Man by his own efforts cannot fit into My plan for him in the earth. All it will be is effort upon effort, for My pathway is that of fellowship, learning of Me and My ways and of life in Me, so that effort might give way to My grace and My plans, My strength working in you on your behalf. This is a reason for the necessity of the purging process, allowing Me to remove those things which stand between you and Me and the receiving of the heart of My plan for you, and the understanding and equipping to walk with Me into those things.

My aim is to encourage, to nudge, to invoke, to invite, and to continually woo those who desire to walk with Me into the heart of My plan in its fullness. Many draw back, hesitating at the thought of My words concerning purging, but these are My words, and they are good words, for it is not in the effort of man that My will is accomplished. I am with you in all things, for this is fellowship with Me.

To have come this far in Me has included My purging process. To go farther in Me does include My purging process, but what many are sensing is the seriousness of the hour, and to pause now means there will be the same encounter with these things in going forward with Me. For it is an impossibility to move forward in Kingdom living through natural means. There must be fellowship with Me in Presence, in Word, in fasting, in agreeing with Me, for our fellowship is always, always the necessary ingredient of living to the fullest in Me, and to know Me intimately is to live and move in Me.

I will not stop wooing. I will not stop encouraging. I will not stop waiting and inviting, but My best for those who are wrestling with the idea of more purging is to go on into times of fellowship with Me, continue in prayer, praying those mysteries which bring forth understanding of Christ in you and why His life in you is the hope of glory, for only in the way of fellowship is the quieting and strengthening needed that come through Me.

It is an impossibility to walk in the fullness of My plan individually without taking time with Me, for the best of the Kingdom is one on One, you and Me, face to Face private times with Me. The best of the Kingdom is prayer, praying those mysteries that build you up in Me. The enemy is adding pressure to the thoughts so that some are almost laying these things down, but it is never too late to pick up the part that is left off—you and Me. That is the way of the Kingdom, and to enter into the fullness of Kingdom living and individual plans in Me, there must be the quiet of you and Me.

My call is to those who are weighing the purging, for I am your Strength and Source of motivation for all things. The Kingdom way is you and Me, one on One, face to Face, private times with Me. Come, purging is the way of fellowship with Me, for the intimacy desired always means a removal of those things that stand between us and our intimacy and the heart of the plan for you and Me. Come, the answer is in your fellowship with Me. Come. I love you, and you are well able in Me.

**Psalms 127:1** Except the Lord build the house, they labour in vain that build it: except the Lord keep the city, the watchman waketh but in vain.

**John 15:2** Every branch in me that beareth not fruit he taketh away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit.

**John 15:4,5** Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me. 5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.
