

## **The Lord's Present-Day Speaking**

**PT190212 – Feb 12, 2019**  
**Enter Into a Deeper Place in Me**

As My children, there are desires, there are passions that are yet to be realized as a sure and manifested part of who you are in Me. These desires, these passions spring up in you from knowing Me, spending time in My Presence and being saturated with Me in the glory of who I am.

There are times in My Presence in which I intend to overcome you with My desires. It will be Me “watering” those things which I am building in you. There must be times in My Presence where deep calls unto deep, where an opening of the heart takes place, a surrender, so that I might come and take you even further into your life in Me through the very substance of My Presence, through the glory of My Presence working in you what only I can bring.

It is My purpose to come to areas of your desires and wash over them with Mine so that more of a yieldedness comes so that you allow Me to bring forth My will in your life. I desire all-consuming visitations with each one. You will not mistake My glory and what I am asking of you, for My call will be to enter in, to enter into a deeper place in Me for My workings in you. My glory, My Presence, My goodness, and many facets of who I am and who I need to be for each one individually is what I intend to bring—the filling of your life and senses with Me.

There is a place, a depth that I desire to bring each one to, a place where My anointing resides, where My goodness is as oil that not only fills the container but overflows it, spilling out of the vessel—oil running over from abundance. This is a picture of the work of My Presence in a life. This is the saturation I desire to bring to the lives of those who come to Me and come for Me.

There is an oil, an anointing I desire to fill each one with. You have been as empty vessels, for I have been emptying you that I might fill you with the treasures of My Kingdom. Natural efforts, natural ideas, natural ways and agendas—I have been clearing out the natural to make room for the supernatural, for communion with My Spirit and His work. There are measures of fellowship with each one where I find much pleasure. There are measures of My leadership in each life that are well pleasing to Me, but there is so much more for you to have which I desire to bring that will increase our fellowship. And I will bring more.

That which you look to and see ahead of you, it is not by might, nor by power, it is by My Spirit and Him having a life for His use. Surrender, layers of surrender are before you for the receiving of My hand and My will that I might deliver more to you. Humility is working in the hearts. Eyes are being opened to see there is a need for more of Me, much more of Me.

The press in this hour is ongoing. It is the transitioning into more of Me, more of Me, more of Me—each one in his own place in Me transitioning into more of Me, more and more of Me. The place of My Presence is the finest place to be, for there you find grace needed to reach for more and to receive. The goodness of My Presence is an

open door for so much more of Me and for the grace to receive the pouring in of oil, of My glory and My anointing.

Sense My goodness. Sense My Love. Sense My glory and My fire as you come for more of Me. This coming into more, much more is the prerequisite to the oil of My Presence being poured out on a world that is waiting for the sons of Glory and Power and Majesty. Come. My Presence is the finest place to be.

**Psalms 37:4** Delight thyself also in the Lord; and he shall give thee the desires of thine heart.

**Philippians 2:12,13** Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling. 13 For it is God which worketh in you both to will and to do of his good pleasure.

**Exodus 40:9** And thou shalt take the anointing oil, and anoint the tabernacle, and all that is therein, and shalt hallow it, and all the vessels thereof: and it shall be holy.
