

## **The Lord's Present-Day Speaking**

**PT190213 – Feb 13, 2019**

**Allow Me to Lead You**

Hearken to My Spirit. Hearken to My words, for many have not taken seriously where I am trying to lead My Body currently. Hearken to Me, for I desire you to come past tradition. I desire you to come past religion. I desire you to come past the box that you have placed Me in and kept Me in for so long. Follow Me deeper.

Follow Me into things where fear has tried to stop you and say, “No, it’s not supposed to work like this. Let fear go and follow Me into this, for I desire a free flow of My Spirit where I am in charge. But I am only in charge when charge is relinquished. So allow Me to lead you. Take seriously where I am leading you, for I have scaled this group back because I desire those who are serious about intimacy with Me, those who will go deeper into intimacy with Me.

Take your eyes off of your favorite speaker, the “most” anointed. Take your eyes off individuals and put your eyes on Me. I desire a group of people to learn of My Spirit, to learn of My ways, to learn of My Presence together, to allow Me in corporately, where I am present, where I heal without even a finger being laid on someone by someone else, that I was able to be let out of the box and do what I do best—be God and do what I want to do that is in My heart. Oh, follow Me into this.

Take your eyes off of man. Put your eyes on Me, and when you come together, come with a seriousness, a heart set on Me that wants to know Me deeper, that yearns for more intimacy, with passion to know Me. For I desire to train you in things and ways that you have not experienced yet. Come past the soul that is always being entertained, giving it something to make it feel secure. Come past your soul needing security and entertainment. Come with Me where I satisfy your soul with My very Presence.

It is hard to let My Presence satisfy your soul if your mind doesn’t let you get quiet. For when your mind dictates how you feel and what you do and what you think about, and I ask you to come deeper and get quiet—let My Presence satisfy your soul. Let My Presence quiet your mind.

Find that place of stillness in Me where you start to get fed by Me and that which is happening in the Spirit becomes the most important thing in your life, the most real thing to you. The things of this world that you thought you cared about so much will grow so dim. Follow Me into this.

Oh, I speak even to the leadership and to him who speaks with the microphone right now: Do not lose step with what I am trying to do in this season. Give yourself to intimacy with Me even outside of service, for I have longed, I have called, I have beckoned, I have asked: Follow Me into this. Many have come a certain way, but many have stopped. I am not condemning. I am bringing the hope that says, Pick it back up today. Follow Me into this.

There is an intimacy I desire, for you to be fulfilled by Me and for Me to be fulfilled by you because I desire you. Very few know this place. Follow Me into

worship. Set distractions aside, for I have been calling and calling and calling for quite some time. I haven't changed My mind. Oh, but as you follow Me into this, know that you will see life, and you will see life more abundantly.

The arena of the warfare that you have lived in where the enemy has come and just torn things apart has never been My will. I desire for you to know Me and who I am in you and who you are in Me, and to stand in that authority and use your authority to win and exercise My victory. But you cannot know this place without knowing Me in intimacy. Follow Me into this. Everything you have thought you have known about what I want to do, it will change because I want to be in control.

You can't figure out what I want to do. I want to be in control. You can't tell Me what to do. I guide you, and I ask you to follow Me. So come past tradition and come past religion. Know that this season and this time that I have you in is very, very important—the training and the equipping and everything that I will give you in this time that you need. Take your eyes off men. Put your eyes on Me.
