Follow Me Into a Free Flow of Love

Many are coming together corporately to worship, but when you come, I desire you to come to learn even more about yielding to Me and flowing in currents of My Spirit. Follow Me. Follow Me where I lead into greater intimacy.

Follow Me into a free flow of love between you and Me where you are caught up in Me, beyond the affairs of anything around you and where you are loving Me, the eyes of your heart being intently fastened on Me. This is corporate intimacy—laying aside everything and reaching into you and Me and allowing your passion for Me and your adoration to flow freely.

Like a conductor, My Spirit will lead you as one, even as He leads each one individually into places in fellowship that will set you free to receive much more of Me. I desire to be as a river overflowing the banks and sweeping everything away with Me into places of My Presence where your only awareness is the river that is around you, surrounding you—I am that River.

My delight is the pouring of your love on Me as you come together, allowing the waters of My Presence to take you into places with Me where My life fills your being and where you are saturated with Me. Come and pour your love on Me. Let who I am engulf you and carry you away into much deeper places in Me.

Open your hearts in fellowship with Me from the place where deep calls unto deep and love flows freely. Come and be carried away by Me for I am taking you much deeper in intimacy in My glory. Come, follow Me and learn even more of yielding and flowing in the currents of My Spirit. Let Him take you deeper into My Presence where it is much easier to receive. Come, follow Me.

John 16:13 Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

Psalms 62:7,8 In God is my salvation and my glory: the rock of my strength, and my refuge, is in God. 8 Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us. Selah.

Psalms 46:4 There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High.
